

1
00:00:54,680 --> 00:01:02,560
the whole thing

2
00:01:02,570 --> 00:02:05,030
Oh

3
00:02:10,139 --> 00:02:08,160
all right we're ready we're at t-minus

4
00:02:13,490 --> 00:02:10,149
four minutes your one-minute prior to

5
00:02:24,339 --> 00:02:13,500
the loss of Marone capability may 12th

6
00:02:24,349 --> 00:03:03,849
I better leave let's go run like

7
00:03:03,859 --> 00:03:21,199
300 indeed

8
00:03:32,980 --> 00:03:23,959
override Auto it's this one

9
00:03:32,990 --> 00:03:37,039
Oh

10
00:03:44,250 --> 00:03:43,979
okay we can opener risers empty our data

11
00:04:04,009 --> 00:03:44,260
right

12
00:04:15,530 --> 00:04:06,209
Houston Atlantis understand reenable

13
00:04:15,540 --> 00:04:40,350

and with TV deal the green okay

14

00:04:40,360 --> 00:04:51,670

oh sorry

15

00:04:51,680 --> 00:04:59,240

forty plus five

16

00:05:04,890 --> 00:05:01,980

we need to be alert for a low-level cut

17

00:05:08,600 --> 00:05:04,900

here not attitude for love much like

18

00:05:08,610 --> 00:05:32,960

3js minutes from now so I think you're

19

00:05:55,120 --> 00:05:37,830

19 minutes coming up on with our your

20

00:06:03,860 --> 00:06:02,240

then you drop okay okay let's break it

21

00:07:36,560 --> 00:06:03,870

off the showers so that we don't love

22

00:07:45,680 --> 00:07:43,490

what did somebody do squeal yeah squeals

23

00:07:52,520 --> 00:07:45,690

gone I still can't hear you but wheels

24

00:07:56,440 --> 00:07:52,530

gone okay what did you end up doing to

25

00:07:56,450 --> 00:08:02,260

centerline lots remaining barber pole

26
00:08:08,630 --> 00:08:06,500
will not so okay Center nine lats on the

27
00:08:10,250 --> 00:08:08,640
EP door remains barber pole with the

28
00:08:19,870 --> 00:08:10,260
rest of the indications indicating that

29
00:08:23,470 --> 00:08:19,880
the operation normal didn't work it off

30
00:08:27,170 --> 00:08:23,480
it sounded a lot like teleprinter to me

31
00:08:30,020 --> 00:08:27,180
earlier we put run on my a to you and it

32
00:08:31,910 --> 00:08:30,030
right here's a an eighty you failure on

33
00:08:35,030 --> 00:08:31,920
our fifteen main be at the bottom

34
00:08:37,909 --> 00:08:35,040
there's a breaker pop no CC you power

35
00:08:39,680 --> 00:08:37,919
okay so that's something we just

36
00:08:41,480 --> 00:08:39,690
eventually figure out we can live with

37
00:08:44,350 --> 00:08:41,490
that that's wheel I don't know how it

38
00:08:47,990 --> 00:08:44,360

where it came from and how it got here

39

00:08:57,380 --> 00:08:48,000

okay how do you read all right sounds

40

00:09:19,760 --> 00:08:57,390

good we're gonna use it hand of the man

41

00:09:34,020 --> 00:09:19,770

I'll get rid of it and the attitude yeah

42

00:09:34,030 --> 00:10:03,970

I was that fans are not what then

43

00:10:14,200 --> 00:10:12,100

yeah but they've restored cob on the

44

00:10:31,530 --> 00:10:14,210

other one so it's good that boy or
