

1
00:02:09,180 --> 00:01:40,410
hello Claude and Jeff we're with you on

2
00:07:42,939 --> 00:02:37,750
in the hold it against my shirt at least

3
00:07:42,949 --> 00:07:50,070
my cinematography to say good morning

4
00:07:50,080 --> 00:09:30,460
great to see you all together there

5
00:12:31,360 --> 00:09:44,900
yeah you got a great picture Andy do you

6
00:12:31,370 --> 00:13:33,020
with all those folks

7
00:13:33,030 --> 00:14:22,490
okay and we seem

8
00:14:22,500 --> 00:15:01,090
we forgot the C remember

9
00:15:08,050 --> 00:15:05,380
the Amazon River of Brazil clearly

10
00:15:15,370 --> 00:15:08,060
visible with the Sun glint off of the

11
00:15:23,460 --> 00:15:15,380
water Columbia's continues its

12
00:15:28,680 --> 00:15:26,790
and the Brazilian coast line on the east

13
00:15:31,650 --> 00:15:28,690

coast of the country falling away

14

00:15:35,430 --> 00:15:31,660

beneath Columbia the altitude of the

15

00:17:05,179 --> 00:15:35,440

orbiter 176 statute miles looking toward

16

00:17:09,899 --> 00:17:07,710

Nanuk Colombia approaching an orbital

17

00:17:11,610 --> 00:17:09,909

sunset looking back toward the West the

18

00:17:17,850 --> 00:17:11,620

orbiter is tracking across the southern

19

00:17:21,809 --> 00:17:17,860

tip of Africa as it looks back now

20

00:17:24,329 --> 00:17:21,819

across the Atlantic Ocean a myriad of

21

00:17:28,289 --> 00:17:24,339

colors the Earth's atmosphere a thin

22

00:17:31,860 --> 00:17:28,299

layer as Columbia itself is now in
