

1
00:01:05,909 --> 00:02:24,899

Oh

2
00:02:29,920 --> 00:02:27,880

good morning discovery and no that was

3
00:02:33,160 --> 00:02:29,930

not the fight song for the University of

4
00:02:36,429 --> 00:02:33,170

Tokyo that was the musical theme to a

5
00:02:41,110 --> 00:02:36,439

popular Japanese cartoon called mighty

6
00:02:48,759 --> 00:02:41,120

iron arm Adam with that good day it's

7
00:03:46,200 --> 00:02:48,769

white day ten o'clock mass effect two

8
00:03:49,890 --> 00:03:48,270

mission specialist jan davis using the

9
00:03:53,990 --> 00:03:49,900

shuttles remote manipulator system

10
00:04:10,520 --> 00:03:54,000

mechanical arm as she positions it for

11
00:04:16,039 --> 00:04:13,670

this view now of the end-effector camera

12
00:04:56,839 --> 00:04:16,049

on the arm as it approaches the grapple

13
00:05:03,100 --> 00:04:59,149

yes the discoveries hope we sell a good

14

00:05:05,089 --> 00:05:03,110

good grapple great job discovery

15

00:05:14,659 --> 00:05:05,099

congratulations on a very smooth

16

00:05:15,739 --> 00:05:14,669

rendezvous and gravel this view and

17

00:05:17,449 --> 00:05:15,749

that's a television from one of the

18

00:05:20,510 --> 00:05:17,459

forward bulkhead cameras looking at the

19

00:05:22,189 --> 00:05:20,520

curse of spa satellite and the shells

20

00:05:25,820 --> 00:05:22,199

mechanical arm which has a firm

21

00:05:27,980 --> 00:05:25,830

handshake and within the next 40 minutes

22

00:05:35,709 --> 00:05:27,990

will be lower in the spa satellite down

23

00:05:39,589 --> 00:05:35,719

into the payload Bay discovery Houston

24

00:05:42,199 --> 00:05:39,599

for spas once you complete spas deact

25

00:05:50,420 --> 00:05:42,209

step one you have a go but the first

26

00:05:55,310 --> 00:05:53,000

copy flute the step one and we'll start
