

A close-up shot of a man with a mustache and a woman in profile. The man is on the left, looking slightly to the right with a slight smile. The woman is on the right, her face partially visible in profile. The background is dark, and the lighting is dramatic, highlighting their features.

PHENOMENA

1  
00:00:06,449 --> 00:00:03,600  
for example a comet is is a comet's tail

2  
00:00:08,610 --> 00:00:06,459  
is just the solar wind going over this

3  
00:00:10,950 --> 00:00:08,620  
icy body stripping off particles

4  
00:00:14,280 --> 00:00:10,960  
ionizing the particles and they're

5  
00:00:15,870 --> 00:00:14,290  
glowing in there no it looks really big

6  
00:00:17,460 --> 00:00:15,880  
it is actually a small star actually

7  
00:00:20,249 --> 00:00:17,470  
made out of an old large refrigerator

8  
00:00:22,950 --> 00:00:20,259  
box so my two friends and I got inside

9  
00:00:24,359 --> 00:00:22,960  
the box to actually view the Eclipse and

10  
00:00:26,279 --> 00:00:24,369  
I really wish somebody had a camera

11  
00:00:29,700 --> 00:00:26,289  
thing about a sign is the fact that it

12  
00:00:31,439 --> 00:00:29,710  
has a win actually plasma that comes off

13  
00:00:33,750 --> 00:00:31,449

the surface of the Sun that's flowing

14

00:00:36,570 --> 00:00:33,760

towards the Earth rotates uniform The

15

00:00:39,270 --> 00:00:36,580

Sun has a differential rotation imagine

16

00:00:41,160 --> 00:00:39,280

the valley moving and the nose refuses

17

00:00:43,050 --> 00:00:41,170

to move and that's what we're not

18

00:00:45,030 --> 00:00:43,060

differential is that it is one of the
