

1  
00:00:18,870 --> 00:00:14,150  
okay

2  
00:00:18,880 --> 00:00:23,189  
should be at flight speed now

3  
00:00:28,070 --> 00:00:25,589  
liftoff liftoff of the soyuz rocket

4  
00:00:29,830 --> 00:00:28,080  
transporting mike fink yuri lonchikov

5  
00:00:35,110 --> 00:00:29,840  
and richard garriott to their home in

6  
00:00:37,910 --> 00:00:37,110  
and you know stage one stages one and

7  
00:00:41,190 --> 00:00:37,920  
two

8  
00:00:54,069 --> 00:00:41,200  
fine the crew feels fine

9  
00:00:58,709 --> 00:00:56,150  
now the opening of the hatch between the

10  
00:00:59,750 --> 00:00:58,719  
two crews the hatch opening marked right

11  
00:01:04,789 --> 00:00:59,760  
on time

12  
00:01:13,990 --> 00:01:04,799  
at 4 55 a.m central time 1 55 pm moscow

13  
00:02:29,990 --> 00:01:46,469

is

14

00:02:35,670 --> 00:02:33,270

oh never mind that's double lines

15

00:02:37,830 --> 00:02:35,680

i see that i see the lines now okay copy

16

00:02:56,150 --> 00:02:37,840

daddy okay don i think i'm ready for you

17

00:02:56,160 --> 00:03:19,350

okay

18

00:03:23,750 --> 00:03:21,350

a good view of mike fink

19

00:03:29,830 --> 00:03:23,760

floating outside the russian airlock the

20

00:03:29,840 --> 00:05:33,029

this is

21

00:05:45,270 --> 00:05:35,749

houston feral ceremony is over and lets

22

00:05:50,150 --> 00:05:47,350

again these are the informal farewell

23

00:05:55,670 --> 00:05:52,629

expedition 18 commander mike fink

24

00:05:57,189 --> 00:05:55,680

soyuz commander yuri lonchikov

25

00:05:59,670 --> 00:05:57,199

and space flight participant charles

26

00:06:00,790 --> 00:05:59,680

simone prepare to enter the soyuz

27

00:06:02,390 --> 00:06:00,800

spacecraft

28

00:06:03,749 --> 00:06:02,400

has this been getting ready to depart

29

00:06:06,230 --> 00:06:03,759

the international space station

30

00:06:09,110 --> 00:06:06,240

undocking schedule for 10 52 pm central

31

00:06:13,350 --> 00:06:10,950

is clear

32

00:06:15,350 --> 00:06:13,360

moscow flight controllers have confirmed

33

00:06:16,790 --> 00:06:15,360

to flight director bob dempsey here in

34

00:06:18,790 --> 00:06:16,800

the houston mission control center a

35

00:06:20,550 --> 00:06:18,800

successful undocking of the soyuz

36

00:07:12,629 --> 00:06:20,560

spacecraft from the international space

37

00:07:12,639 --> 00:07:40,629

hey
