

1
00:00:13,509 --> 00:00:12,070
the paradigm we built about the moon

2
00:00:16,230 --> 00:00:13,519
isn't necessarily correct from the

3
00:00:20,870 --> 00:00:16,240
holidays there's a lot more to learn a

4
00:00:23,990 --> 00:00:22,310
i think at some level

5
00:00:25,349 --> 00:00:24,000
most of us hope there will be a time in

6
00:00:27,109 --> 00:00:25,359
the future where

7
00:00:29,349 --> 00:00:27,119
there will be some colonization at the

8
00:00:30,790 --> 00:00:29,359
moment but at present time we don't

9
00:00:33,110 --> 00:00:30,800
really know

10
00:00:34,790 --> 00:00:33,120
whether the resources are there to live
