

1
00:00:07,909 --> 00:00:06,150
discovery approaching the heading

2
00:00:09,589 --> 00:00:07,919
alignment circle that imaginary cone

3
00:00:11,990 --> 00:00:09,599
around the landing site that the pilots

4
00:00:17,990 --> 00:00:12,000
use as a point of reference to align

5
00:00:18,000 --> 00:00:36,389
straight up

6
00:00:36,399 --> 00:00:47,110
watching

7
00:00:52,790 --> 00:00:49,029
kevin ford in control of the stick at

8
00:00:56,790 --> 00:00:54,630
discovery now going subsonic the

9
00:00:58,709 --> 00:00:56,800
fleet-leading shuttle announcing its

10
00:01:02,229 --> 00:00:58,719
arrival at the landing site with a pair

11
00:01:09,510 --> 00:01:04,229
the late afternoon sunshine gleaming off

12
00:01:13,429 --> 00:01:10,830
three minutes until

13
00:01:15,910 --> 00:01:13,439

touchdown rick sterko has taken back the

14

00:01:17,910 --> 00:01:15,920

stick from kevin ford the vortices off

15

00:01:20,230 --> 00:01:17,920

the wings very obvious discovery

16

00:01:22,390 --> 00:01:20,240

continuing its turn around the heading

17

00:01:36,390 --> 00:01:22,400

alignment circle aligning with runway

18

00:02:00,069 --> 00:01:40,069

discovery on at the 180

19

00:02:04,389 --> 00:02:01,830

the slow gentle turn around the heading

20

00:02:06,550 --> 00:02:04,399

alignment circle commander rick sterko

21

00:02:10,869 --> 00:02:06,560

will soon align discovery with runway

22

00:02:10,879 --> 00:02:48,869

discovery on at the 90.

23

00:02:53,270 --> 00:02:50,790

this view from the uh

24

00:02:55,350 --> 00:02:53,280

heads-up display camera the same view

25

00:02:56,869 --> 00:02:55,360

that uh rick sterko and kevin ford are

26
00:03:01,190 --> 00:02:56,879
seeing now that we're aligned with

27
00:03:01,200 --> 00:03:13,830
one minute until touchdown

28
00:03:18,790 --> 00:03:17,030
discovery right on the center line

29
00:03:20,790 --> 00:03:18,800
moments from now rick sterko will flare

30
00:03:23,430 --> 00:03:20,800
up discovery's nose

31
00:03:44,830 --> 00:03:23,440
pilot kevin ford will deploy the landing

32
00:03:44,840 --> 00:04:01,830
yeah pre-flare maneuver conducted

33
00:04:01,840 --> 00:04:10,070
landing gear down and locked

34
00:04:10,080 --> 00:04:13,509
main gear touchdown

35
00:04:13,519 --> 00:04:19,670
kevin ford now deploying the drag chute

36
00:04:19,680 --> 00:04:25,830
nose gear touchdown

37
00:04:29,830 --> 00:04:27,990
discovery rolling out on runway 2-2 at

38
00:04:32,469 --> 00:04:29,840

edwards air force base california

39

00:04:34,150 --> 00:04:32,479

wrapping up a 5.7 million mile mission

40

00:04:36,710 --> 00:04:34,160

to resupply and fortify the

41

00:05:20,870 --> 00:04:36,720

international space station tim cobra

42

00:05:25,830 --> 00:05:22,830

houston discovery will

43

00:05:27,749 --> 00:05:25,840

stop copy we'll stop welcome home

44

00:05:29,749 --> 00:05:27,759

discovery congratulations on an

45

00:05:31,590 --> 00:05:29,759

extremely successful mission
