

1
00:00:06,950 --> 00:00:04,870
the kennedy space center and the fish

2
00:00:09,110 --> 00:00:06,960
and wildlife conservation commission

3
00:00:11,350 --> 00:00:09,120
teamed up to rescue hundreds of green

4
00:00:12,470 --> 00:00:11,360
and loggerhead sea turtles from freezing

5
00:00:15,110 --> 00:00:12,480
temperatures

6
00:00:17,910 --> 00:00:15,120
this is video taken january 8th but

7
00:00:19,830 --> 00:00:17,920
rescue efforts span several days kennedy

8
00:00:22,390 --> 00:00:19,840
is home to the merritt island national

9
00:00:25,269 --> 00:00:22,400
wildlife refuge and has numerous

10
00:00:27,990 --> 00:00:25,279
tropical and subtropical animals the

11
00:00:29,990 --> 00:00:28,000
turtles are cold stunned a condition

12
00:00:32,630 --> 00:00:30,000
that occurs when water temperatures drop

13
00:00:34,790 --> 00:00:32,640

below 60 degrees fahrenheit cold

14

00:00:37,910 --> 00:00:34,800

stunning is not common in florida and

15

00:00:40,389 --> 00:00:37,920

was last experienced in 1989.

16

00:00:42,950 --> 00:00:40,399

more than 270 endangered turtles were

17

00:00:45,270 --> 00:00:42,960

verified identified and shipped to

18

00:00:47,430 --> 00:00:45,280

facilities in warmer environments where

19

00:00:49,670 --> 00:00:47,440

they'll be taken care of until they can
