

1
00:00:04,950 --> 00:00:01,990
they will give us an impact back on days

2
00:00:06,869 --> 00:00:04,960
in terms of 102 delivery

3
00:00:09,509 --> 00:00:06,879
and is that understood by everybody

4
00:00:11,749 --> 00:00:09,519
space flight pioneer erin cohen a former

5
00:00:14,950 --> 00:00:11,759
director of nasa's johnson space center

6
00:00:16,790 --> 00:00:14,960
in houston died thursday february 25th

7
00:00:19,510 --> 00:00:16,800
after a lengthy illness

8
00:00:21,349 --> 00:00:19,520
with that with the various

9
00:00:23,830 --> 00:00:21,359
management systems is that right

10
00:00:25,910 --> 00:00:23,840
cohen's 33-year career with nasa

11
00:00:29,830 --> 00:00:25,920
included key leadership roles critical

12
00:00:32,150 --> 00:00:29,840
to the success of the apollo and shuttle

13
00:00:34,790 --> 00:00:32,160

your go for firearm everything's looking

14

00:00:37,270 --> 00:00:34,800

good as director his steady hand at the

15

00:00:39,110 --> 00:00:37,280

helm of johnson helped nasa recover from

16

00:00:41,510 --> 00:00:39,120

the shuttle challenger tragedy and

17

00:00:43,670 --> 00:00:41,520

returned the space shuttle to flight

18

00:00:47,910 --> 00:00:43,680

fell off americans returned to space as

19

00:00:53,029 --> 00:00:51,029

cohen left the agency in 1993 to accept

20

00:00:55,910 --> 00:00:53,039

an appointment as a professor at his

21

00:00:57,830 --> 00:00:55,920

alma mater texas a m university

22

00:00:59,670 --> 00:00:57,840

at the time he was serving as acting

23

00:01:01,670 --> 00:00:59,680

deputy administrator at nasa
