

1
00:00:10,549 --> 00:00:08,870
hi i'm mike massimino we've been

2
00:00:11,910 --> 00:00:10,559
following along with the astronauts who

3
00:00:13,589 --> 00:00:11,920
are going to fly the next shuttle

4
00:00:14,549 --> 00:00:13,599
mission to the international space

5
00:00:16,550 --> 00:00:14,559
station

6
00:00:18,390 --> 00:00:16,560
what you are about to see is the crew

7
00:00:20,470 --> 00:00:18,400
practicing for their mission the team

8
00:00:22,790 --> 00:00:20,480
that is responsible for training them

9
00:00:26,310 --> 00:00:22,800
and get a sense of what it's like to fly

10
00:00:29,109 --> 00:00:26,320
the shuttle this is sts 131

11
00:00:31,429 --> 00:00:29,119
behind the scenes

12
00:00:33,270 --> 00:00:31,439
all right ladies here we are at uh

13
00:00:35,110 --> 00:00:33,280

here we are at at astronaut crew

14

00:00:37,510 --> 00:00:35,120

quarters with two legends of the space

15

00:00:40,709 --> 00:00:37,520

program oh yeah that's it judy hooper

16

00:00:42,229 --> 00:00:40,719

and lauren lauren lund yes and and you

17

00:00:45,110 --> 00:00:42,239

two ladies

18

00:00:47,670 --> 00:00:45,120

lundy i'm sorry you pronounce the e sort

19

00:00:49,750 --> 00:00:47,680

of kind of lundy okay and you two ladies

20

00:00:51,670 --> 00:00:49,760

have worked here at an astronaut crew

21

00:00:54,150 --> 00:00:51,680

course for how long

22

00:00:55,910 --> 00:00:54,160

uh 16 years 16 years

23

00:00:58,150 --> 00:00:55,920

too long too long

24

00:00:59,270 --> 00:00:58,160

and i've been putting up with guys

25

00:01:01,029 --> 00:00:59,280

like us

26

00:01:03,189 --> 00:01:01,039

all right you've been here at the county

27

00:01:04,549 --> 00:01:03,199

space center for 30. since yes yes all

28

00:01:07,350 --> 00:01:04,559

right and how long have you worked here

29

00:01:08,550 --> 00:01:07,360

in the in the in the crew quarters ten

30

00:01:10,550 --> 00:01:08,560

years in crew crew and you've been here

31

00:01:12,710 --> 00:01:10,560

six okay so

32

00:01:15,109 --> 00:01:12,720

so explain what what goes on in this in

33

00:01:17,109 --> 00:01:15,119

this area here in crew quarters is it

34

00:01:19,510 --> 00:01:17,119

very this is what you can't say

35

00:01:21,270 --> 00:01:19,520

you can't say no you know we don't we

36

00:01:22,230 --> 00:01:21,280

don't want to tell all the stories yeah

37

00:01:23,510 --> 00:01:22,240

that's that's what i thought you were

38

00:01:24,950 --> 00:01:23,520

going to say was more the quarantine

39

00:01:25,910 --> 00:01:24,960

before launch

40

00:01:27,109 --> 00:01:25,920

tell us a little bit about what goes on

41

00:01:29,910 --> 00:01:27,119

with that

42

00:01:31,350 --> 00:01:29,920

uh they come in four to five to six days

43

00:01:33,670 --> 00:01:31,360

prior to

44

00:01:36,469 --> 00:01:33,680

launch yeah it depends on when they feel

45

00:01:37,990 --> 00:01:36,479

like coming down right and um

46

00:01:40,870 --> 00:01:38,000

and then all the cooks come in all the

47

00:01:42,870 --> 00:01:40,880

certificates come down

48

00:01:44,310 --> 00:01:42,880

management comes in right and we're

49

00:01:46,710 --> 00:01:44,320

swamped and you're swamped you got

50

00:01:49,030 --> 00:01:46,720

everybody coming in here everybody and

51
00:01:50,230 --> 00:01:49,040
and judy they're here because

52
00:01:52,310 --> 00:01:50,240
they want they because they have to be

53
00:01:54,389 --> 00:01:52,320
quarantined which means they can't

54
00:01:55,429 --> 00:01:54,399
yeah so so you're really careful with

55
00:01:57,670 --> 00:01:55,439
them when it because you want anybody

56
00:01:59,429 --> 00:01:57,680
getting sick

57
00:02:01,270 --> 00:01:59,439
right right

58
00:02:03,830 --> 00:02:01,280
right health yeah we have a health

59
00:02:06,310 --> 00:02:03,840
stabilization with us right so we know

60
00:02:08,630 --> 00:02:06,320
who has had flu shots who has a cold

61
00:02:10,229 --> 00:02:08,640
everyone is instructed you know not to

62
00:02:12,550 --> 00:02:10,239
be around the crew if they're sick for

63
00:02:13,830 --> 00:02:12,560

any reason or if they have children that

64

00:02:15,910 --> 00:02:13,840

are sick just

65

00:02:16,630 --> 00:02:15,920

you know to be very respectful of them

66

00:02:18,869 --> 00:02:16,640

right

67

00:02:20,550 --> 00:02:18,879

we gotta have a healthy crew to go into

68

00:02:22,630 --> 00:02:20,560

space so that's that's what we get we

69

00:02:24,309 --> 00:02:22,640

get and we get now but probably we can

70

00:02:26,070 --> 00:02:24,319

spend a lot of time

71

00:02:28,390 --> 00:02:26,080

you know disinfecting crew quarters

72

00:02:29,750 --> 00:02:28,400

prior yeah to the crew coming in so what

73

00:02:31,430 --> 00:02:29,760

do they do they come in and just wash

74

00:02:33,670 --> 00:02:31,440

the whole place down everything is

75

00:02:36,710 --> 00:02:33,680

washed and the carpets are cleaned uh

76
00:02:38,630 --> 00:02:36,720
the the kitchen is spotless the we check

77
00:02:40,949 --> 00:02:38,640
the shower stoves

78
00:02:43,430 --> 00:02:40,959
it's what it's the spotless anyway right

79
00:02:45,670 --> 00:02:43,440
it is yeah and um

80
00:02:48,150 --> 00:02:45,680
we make sure that they we wipe all the

81
00:02:49,910 --> 00:02:48,160
doorknobs down and the buttons on the

82
00:02:51,509 --> 00:02:49,920
elevators and the inside of the

83
00:02:54,390 --> 00:02:51,519
elevators and

84
00:02:56,309 --> 00:02:54,400
the rooms the roads from top to bottom

85
00:02:58,149 --> 00:02:56,319
keyboards are sprayed

86
00:03:00,550 --> 00:02:58,159
several times while the crew's here in

87
00:03:01,670 --> 00:03:00,560
quarantine not just prior to their

88
00:03:03,509 --> 00:03:01,680

arrival

89

00:03:05,030 --> 00:03:03,519

and then if you notice the attendance

90

00:03:07,589 --> 00:03:05,040

you know we'll be going around and

91

00:03:09,270 --> 00:03:07,599

wiping everything down through the day

92

00:03:11,509 --> 00:03:09,280

after they've cleaned the rooms and so

93

00:03:13,830 --> 00:03:11,519

forth just to make sure

94

00:03:17,030 --> 00:03:13,840

and everyone knows you know we're like

95

00:03:18,470 --> 00:03:17,040

uh off limits

96

00:03:21,110 --> 00:03:18,480

right so everybody should keep

97

00:03:22,630 --> 00:03:21,120

everything nice and clean and healthy

98

00:03:24,470 --> 00:03:22,640

for the crew right the few days before

99

00:03:26,149 --> 00:03:24,480

they go into space so they don't so they

100

00:03:27,830 --> 00:03:26,159

don't get sick don't ask squad why don't

101

00:03:29,190 --> 00:03:27,840

you want me to ask

102

00:03:32,229 --> 00:03:29,200

what

103

00:03:34,470 --> 00:03:32,239

you over there to sing please no singing

104

00:03:35,589 --> 00:03:34,480

okay first first we need to do you're

105

00:03:37,750 --> 00:03:35,599

not gonna you're gonna sing for us

106

00:03:38,630 --> 00:03:37,760

aren't you no you can't help yourself

107

00:03:40,070 --> 00:03:38,640

all right

108

00:03:41,670 --> 00:03:40,080

first thing we need to do is we need to

109

00:03:44,070 --> 00:03:41,680

get even though i know you just state

110

00:03:46,470 --> 00:03:44,080

your your first and last name

111

00:03:48,229 --> 00:03:46,480

so we know who everybody is so

112

00:03:49,110 --> 00:03:48,239

go ahead what don't it's all right go

113

00:03:50,869 --> 00:03:49,120

ahead don't be scared i'm not going to

114

00:03:52,949 --> 00:03:50,879

eat anything

115

00:03:56,630 --> 00:03:52,959

my name is andrea hurd

116

00:03:59,589 --> 00:03:56,640

andrea hurd pat bisak pat isaac and

117

00:04:00,390 --> 00:03:59,599

beverly allen beverly allen all right

118

00:04:02,550 --> 00:04:00,400

okay

119

00:04:04,470 --> 00:04:02,560

all right so uh

120

00:04:06,630 --> 00:04:04,480

what do you ladies do here at uh we're

121

00:04:08,070 --> 00:04:06,640

in crew quarters and we're in a kitchen

122

00:04:09,910 --> 00:04:08,080

so what do you got what do you ladies do

123

00:04:14,149 --> 00:04:09,920

here at uh crew quarters we try to make

124

00:04:17,110 --> 00:04:15,509

food

125

00:04:18,550 --> 00:04:17,120

yeah yeah absolutely and and you do a

126
00:04:20,150 --> 00:04:18,560
very good job of it because the food is

127
00:04:22,629 --> 00:04:20,160
always great but that's really what you

128
00:04:25,030 --> 00:04:22,639
do don't you you keep it so explain a

129
00:04:28,070 --> 00:04:25,040
little more everybody the recipes come

130
00:04:31,749 --> 00:04:28,080
from houston yeah and we prepared the

131
00:04:34,550 --> 00:04:31,759
recipes and yeah requested by houston

132
00:04:37,990 --> 00:04:36,710
we hope to make them happy and like

133
00:04:39,990 --> 00:04:38,000
everything

134
00:04:43,110 --> 00:04:40,000
and then it's pretty i mean it's great

135
00:04:45,670 --> 00:04:43,120
food isn't it is we got cookies yeah

136
00:04:47,909 --> 00:04:45,680
cake yeah the cookies always seem to go

137
00:04:50,390 --> 00:04:47,919
first because that's their favorite yeah

138
00:04:52,230 --> 00:04:50,400

and we also make carry-on sandwiches

139

00:04:55,270 --> 00:04:52,240

close-out sandwiches

140

00:04:57,430 --> 00:04:55,280

and uh to go out with the shuttle okay

141

00:04:59,110 --> 00:04:57,440

so you were saying that you uh

142

00:05:00,710 --> 00:04:59,120

you you've you make food for the crew

143

00:05:02,870 --> 00:05:00,720

here you get these recipes from houston

144

00:05:04,469 --> 00:05:02,880

apparently why whatever they eat

145

00:05:06,469 --> 00:05:04,479

whatever they eat okay so yeah from this

146

00:05:07,990 --> 00:05:06,479

their request okay so they re what they

147

00:05:10,469 --> 00:05:08,000

what they request what they'd like and

148

00:05:11,350 --> 00:05:10,479

then you prepare the food for the cruise

149

00:05:13,350 --> 00:05:11,360

we

150

00:05:15,590 --> 00:05:13,360

eliminate all their lives and just

151
00:05:17,189 --> 00:05:15,600
lights right whether you're allergic to

152
00:05:19,350 --> 00:05:17,199
something or you don't like to eat

153
00:05:21,510 --> 00:05:19,360
something right but on the first day

154
00:05:23,990 --> 00:05:21,520
that we're here before the crew arrives

155
00:05:26,550 --> 00:05:24,000
we come in and we make cookies you make

156
00:05:29,830 --> 00:05:26,560
cookies chocolate chips

157
00:05:32,310 --> 00:05:29,840
oatmeal peanut butter and so on and then

158
00:05:35,909 --> 00:05:32,320
the fresh food comes in we wash

159
00:05:36,830 --> 00:05:35,919
everything right and store everything in

160
00:05:39,350 --> 00:05:36,840
the right

161
00:05:42,150 --> 00:05:39,360
temperature and just wait until the crew

162
00:05:43,749 --> 00:05:42,160
arrives and we start cooking but but

163
00:05:45,749 --> 00:05:43,759

this is important because this crew you

164

00:05:47,510 --> 00:05:45,759

can't get these people sick right before

165

00:05:50,070 --> 00:05:47,520

they go into space and so we come to

166

00:05:52,070 --> 00:05:50,080

quarantine so we don't get sick and one

167

00:05:54,390 --> 00:05:52,080

way you can get sick even if you

168

00:05:55,830 --> 00:05:54,400

wash your hands a lot is by what you eat

169

00:05:57,510 --> 00:05:55,840

right so you're under the gun to make

170

00:05:59,590 --> 00:05:57,520

sure you don't get anyone sick before

171

00:06:01,350 --> 00:05:59,600

right this is you gotta i mean it's

172

00:06:02,629 --> 00:06:01,360

right it's a pretty sterile environment

173

00:06:04,469 --> 00:06:02,639

very similar but you also have to be

174

00:06:05,430 --> 00:06:04,479

very conscientious to make sure that

175

00:06:07,990 --> 00:06:05,440

nothing

176
00:06:10,070 --> 00:06:08,000
bad enters the food system here yeah so

177
00:06:12,950 --> 00:06:10,080
the fruit and the vegetables when they

178
00:06:15,189 --> 00:06:12,960
arrive into the kitchen we usually wash

179
00:06:17,270 --> 00:06:15,199
them in plain water and then dip them in

180
00:06:19,029 --> 00:06:17,280
water that's got a little bit of fork so

181
00:06:20,790 --> 00:06:19,039
we can kill oh i didn't know that

182
00:06:22,070 --> 00:06:20,800
is that that's all right though yeah we

183
00:06:23,830 --> 00:06:22,080
don't even know this yeah yeah we don't

184
00:06:24,950 --> 00:06:23,840
taste it we have to kill everything all

185
00:06:27,350 --> 00:06:24,960
right okay and

186
00:06:28,629 --> 00:06:27,360
bottles and candy and everything

187
00:06:30,550 --> 00:06:28,639
they get white

188
00:06:33,029 --> 00:06:30,560

i never knew that oh yeah

189

00:06:34,150 --> 00:06:33,039

do you ladies do that yes yeah wow so

190

00:06:36,390 --> 00:06:34,160

you right so you make sure everything's

191

00:06:38,070 --> 00:06:36,400

good i always say when

192

00:06:40,230 --> 00:06:38,080

somebody will say are you tired or

193

00:06:41,909 --> 00:06:40,240

whatever and i always i always do this

194

00:06:44,790 --> 00:06:41,919

comparison

195

00:06:46,469 --> 00:06:44,800

when a ma when a woman has a baby

196

00:06:49,110 --> 00:06:46,479

goes through all the pain and then you

197

00:06:50,790 --> 00:06:49,120

turn around and say i want another one

198

00:06:53,189 --> 00:06:50,800

this is the way i feel about a launch

199

00:06:55,589 --> 00:06:53,199

even though we work very hard long hours

200

00:06:56,629 --> 00:06:55,599

and we're tired but once you guys are

201
00:06:58,629 --> 00:06:56,639
gone

202
00:07:01,110 --> 00:06:58,639
we're ready for the next one

203
00:07:03,589 --> 00:07:01,120
and that's what i like about it

204
00:07:04,469 --> 00:07:03,599
that's a very perfect good metaphor

205
00:07:07,029 --> 00:07:04,479
perfect

206
00:07:08,950 --> 00:07:07,039
that's the comparison i always yeah

207
00:07:10,950 --> 00:07:08,960
that's perfect so you make our

208
00:07:12,309 --> 00:07:10,960
sandwiches that we put in our pocket

209
00:07:13,670 --> 00:07:12,319
more or less

210
00:07:16,230 --> 00:07:13,680
and you and that's what you eat when you

211
00:07:17,909 --> 00:07:16,240
go to space your first meal what is the

212
00:07:20,150 --> 00:07:17,919
most popular uh

213
00:07:21,430 --> 00:07:20,160

carry-on sandwich that crew peanut

214

00:07:23,350 --> 00:07:21,440

butter and jelly that's exactly what i

215

00:07:25,430 --> 00:07:23,360

had so you make the peanut butter and

216

00:07:27,270 --> 00:07:25,440

jelly that goes into space is what you

217

00:07:28,629 --> 00:07:27,280

make oh really whatever they ask

218

00:07:30,230 --> 00:07:28,639

whatever they want they want a turkey

219

00:07:31,990 --> 00:07:30,240

sandwich

220

00:07:33,830 --> 00:07:32,000

or peanut butter or whatever right

221

00:07:35,270 --> 00:07:33,840

whatever whatever we want and you pack

222

00:07:37,350 --> 00:07:35,280

those things very nicely for us usually

223

00:07:38,710 --> 00:07:37,360

with a drink too we get a drink bag you

224

00:07:41,029 --> 00:07:38,720

get something to drink and that's the

225

00:07:42,390 --> 00:07:41,039

first meal yet when you get to space the

226

00:07:43,749 --> 00:07:42,400

first thing you eat is that's what

227

00:07:45,830 --> 00:07:43,759

you're gonna have that sandwich has made

228

00:07:48,230 --> 00:07:45,840

here goes on the space shuttle gets

229

00:07:51,749 --> 00:07:48,240

blasted off on the launch pad and ends

230

00:07:53,430 --> 00:07:51,759

up in this in the astronaut's tummy

231

00:07:54,790 --> 00:07:53,440

eating within four hours

232

00:07:56,710 --> 00:07:54,800

i didn't know that i ate mine on the

233

00:07:58,550 --> 00:07:56,720

second day on my first flight

234

00:07:59,589 --> 00:07:58,560

okay irene

235

00:08:01,110 --> 00:07:59,599

yeah

236

00:08:03,909 --> 00:08:01,120

what's your last name mary tell us what

237

00:08:06,150 --> 00:08:03,919

we have for the pancake irene hancock

238

00:08:07,830 --> 00:08:06,160

you work here at crew quarters how long

239

00:08:10,629 --> 00:08:07,840

how long you've been working here harry

240

00:08:13,670 --> 00:08:10,639

um 10 years 10 years and what what is

241

00:08:17,189 --> 00:08:13,680

your what is your job here

242

00:08:19,830 --> 00:08:17,199

cooper's attendance which means what

243

00:08:21,990 --> 00:08:19,840

what do you do

244

00:08:23,589 --> 00:08:22,000

everything several things several things

245

00:08:26,469 --> 00:08:23,599

from cooking

246

00:08:28,390 --> 00:08:26,479

on down up however you want to put it

247

00:08:30,309 --> 00:08:28,400

yeah so you take care of her all the

248

00:08:31,510 --> 00:08:30,319

stuff around here exactly yeah how do

249

00:08:33,029 --> 00:08:31,520

you like because you can you work we see

250

00:08:34,870 --> 00:08:33,039

you all the time right you're like a

251
00:08:36,709 --> 00:08:34,880
family member too we're around here we

252
00:08:38,870 --> 00:08:36,719
see her and we see you here all the time

253
00:08:39,990 --> 00:08:38,880
how do you like it here he is

254
00:08:41,670 --> 00:08:40,000
is that fun do you like working with

255
00:08:43,190 --> 00:08:41,680
these astronauts don't drive you too

256
00:08:44,870 --> 00:08:43,200
crazy

257
00:08:45,750 --> 00:08:44,880
not too bad

258
00:08:47,030 --> 00:08:45,760
all right

259
00:08:47,990 --> 00:08:47,040
so and you know you've got it you're

260
00:08:49,350 --> 00:08:48,000
going to work you've worked you've

261
00:08:51,430 --> 00:08:49,360
worked just every flight probably in the

262
00:08:53,750 --> 00:08:51,440
last 10 years then haven't you exactly

263
00:08:55,110 --> 00:08:53,760

yeah do you have any favorites any

264

00:08:56,550 --> 00:08:55,120

favorite story or anything that happened

265

00:08:59,430 --> 00:08:56,560

with these guys

266

00:09:01,670 --> 00:08:59,440

anything that's happened where you know

267

00:09:03,670 --> 00:09:01,680

can you say

268

00:09:06,310 --> 00:09:03,680

when they joke around with each other

269

00:09:09,110 --> 00:09:06,320

you know i play jokes on each other yeah

270

00:09:11,509 --> 00:09:09,120

like sweet sandwiches

271

00:09:12,550 --> 00:09:11,519

flakes you know yeah

272

00:09:14,230 --> 00:09:12,560

you like our

273

00:09:16,310 --> 00:09:14,240

our mom over here taking care of

274

00:09:17,829 --> 00:09:16,320

everything from a to z from a to z

275

00:09:18,790 --> 00:09:17,839

whatever we need to take to take care of

276

00:09:21,430 --> 00:09:18,800

stuff and

277

00:09:23,750 --> 00:09:21,440

whether it's laundry or food or

278

00:09:24,949 --> 00:09:23,760

whatever's going on to take care of us

279

00:09:27,030 --> 00:09:24,959

so all right well we very much

280

00:09:29,110 --> 00:09:27,040

appreciate all your work here irene and

281

00:09:30,150 --> 00:09:29,120

we enjoy it do you you wouldn't you

282

00:09:32,150 --> 00:09:30,160

wouldn't probably trade your job for

283

00:09:34,630 --> 00:09:32,160

anything would you

284

00:09:36,150 --> 00:09:34,640

no it's a great place to work

285

00:09:37,269 --> 00:09:36,160

right all right well thanks very much

286

00:09:38,550 --> 00:09:37,279

erie

287

00:09:42,230 --> 00:09:38,560

you're welcome good luck with these guys

288

00:09:45,509 --> 00:09:43,910

hey first off i need

289

00:09:46,790 --> 00:09:45,519

i need everybody's name this morning

290

00:09:48,230 --> 00:09:46,800

first and last

291

00:09:49,269 --> 00:09:48,240

i don't even know what your last name is

292

00:09:51,430 --> 00:09:49,279

i don't think

293

00:09:52,870 --> 00:09:51,440

gloria i'm sorry whichever that's mad at

294

00:09:54,949 --> 00:09:52,880

me so i don't even know your first name

295

00:09:57,190 --> 00:09:54,959

i'm all mixed up today gloria what's

296

00:09:59,110 --> 00:09:57,200

your what's your full name just say your

297

00:09:59,829 --> 00:09:59,120

full name for that camera oh what do you

298

00:10:01,030 --> 00:09:59,839

mean

299

00:10:04,230 --> 00:10:01,040

yeah yeah you're on you're on you've

300

00:10:08,389 --> 00:10:06,949

park gloria clark

301
00:10:10,310 --> 00:10:08,399
of the kitchen you're ahead of the

302
00:10:11,990 --> 00:10:10,320
kitchen yeah and these are all these

303
00:10:14,150 --> 00:10:12,000
wonderful cooks all right who else we

304
00:10:17,190 --> 00:10:14,160
got i'm susie stuckey

305
00:10:19,190 --> 00:10:17,200
susie gloria suzie

306
00:10:20,949 --> 00:10:19,200
lois what's your last name lois

307
00:10:22,470 --> 00:10:20,959
lois brown okay

308
00:10:24,949 --> 00:10:22,480
and you're cooking you cook breakfast

309
00:10:25,990 --> 00:10:24,959
for the uh for the crew today

310
00:10:28,310 --> 00:10:26,000
is that right

311
00:10:30,470 --> 00:10:28,320
and how long you been like uh feeding uh

312
00:10:33,949 --> 00:10:30,480
the astronauts here i've been here since

313
00:10:36,389 --> 00:10:33,959

1995. 95 no

314

00:10:38,069 --> 00:10:36,399

1999 and most have been

315

00:10:41,350 --> 00:10:38,079

10th of this month

316

00:10:43,190 --> 00:10:41,360

13 years 13 years

317

00:10:45,269 --> 00:10:43,200

i've only been here two

318

00:10:46,870 --> 00:10:45,279

only two you're fairly really you're the

319

00:10:48,230 --> 00:10:46,880

young one how do you ladies like doing

320

00:10:49,910 --> 00:10:48,240

what you're doing here how does it you

321

00:10:52,150 --> 00:10:49,920

know this is i mean you're in a kitchen

322

00:10:53,590 --> 00:10:52,160

but this is not your average kitchen i

323

00:10:55,590 --> 00:10:53,600

don't want to do all the shopping either

324

00:10:58,150 --> 00:10:55,600

but yeah but

325

00:10:59,030 --> 00:10:58,160

there's a tremendous amount of pride

326

00:11:06,310 --> 00:10:59,040

that

327

00:11:08,949 --> 00:11:06,320

they leave here satisfied and they go

328

00:11:10,230 --> 00:11:08,959

back to houston and they sort of

329

00:11:11,990 --> 00:11:10,240

let them know how

330

00:11:14,389 --> 00:11:12,000

how well they were fed i mean oh yeah

331

00:11:16,790 --> 00:11:14,399

that's a great compliment for us and

332

00:11:18,630 --> 00:11:16,800

we love it i mean it's hard work i'm not

333

00:11:20,389 --> 00:11:18,640

going to say it isn't long hours on

334

00:11:22,949 --> 00:11:20,399

their feet and

335

00:11:25,590 --> 00:11:22,959

small quarters but it all works out

336

00:11:28,470 --> 00:11:25,600

everybody here is friendly right

337

00:11:30,790 --> 00:11:28,480

how's the ride pretty good so you're

338

00:11:33,990 --> 00:11:30,800

high all right your name is high yep

339

00:11:35,590 --> 00:11:34,000

that's me hi and uh uh

340

00:11:37,829 --> 00:11:35,600

can you drive that astro van for all the

341

00:11:38,949 --> 00:11:37,839

crews yes sir no this is the astral van

342

00:11:40,150 --> 00:11:38,959

is it what do we call this thing it's

343

00:11:42,389 --> 00:11:40,160

astro man this is the astro because it's

344

00:11:44,630 --> 00:11:42,399

got astronauts in it because it's got

345

00:11:46,310 --> 00:11:44,640

acid and you drive it every time no i

346

00:11:48,230 --> 00:11:46,320

don't know there's four of us that

347

00:11:50,150 --> 00:11:48,240

drives do you need a special license to

348

00:11:52,069 --> 00:11:50,160

drive the astro van pretty much yeah you

349

00:11:53,670 --> 00:11:52,079

do yeah does it say does it say like you

350

00:12:04,069 --> 00:11:53,680

know uh on your license once it says

351

00:12:06,949 --> 00:12:05,110

all right that's your number or

352

00:12:08,949 --> 00:12:06,959

something for driving the astro van

353

00:12:11,350 --> 00:12:08,959

exactly how many times have you driven a

354

00:12:13,670 --> 00:12:11,360

crew out to the pad uh

355

00:12:15,190 --> 00:12:13,680

about over 20 times over 20 as the

356

00:12:16,870 --> 00:12:15,200

vehicle assembly building is out there

357

00:12:18,150 --> 00:12:16,880

look at that right there big building

358

00:12:19,350 --> 00:12:18,160

right yes it is keep your eye on the

359

00:12:21,430 --> 00:12:19,360

road you know you don't want to go i

360

00:12:23,030 --> 00:12:21,440

don't want to let me distract you

361

00:12:25,030 --> 00:12:23,040

all right

362

00:12:30,550 --> 00:12:25,040

you got an escort in front of you yes

363

00:12:33,190 --> 00:12:31,910

now you can probably go as fast as you

364

00:12:34,949 --> 00:12:33,200

want couldn't you

365

00:12:36,710 --> 00:12:34,959

no one's going to stop you are they no

366

00:12:38,949 --> 00:12:36,720

you're taking astronauts with a launcher

367

00:12:41,190 --> 00:12:38,959

we're not a lot of speed yeah but still

368

00:12:42,550 --> 00:12:41,200

i bet if you wanted to

369

00:12:44,389 --> 00:12:42,560

you know yeah you don't want to speed

370

00:12:46,470 --> 00:12:44,399

it's not a good idea

371

00:12:47,750 --> 00:12:46,480

yeah precious cargo off right now is

372

00:12:50,230 --> 00:12:47,760

this the same for you as it will be on

373

00:12:52,150 --> 00:12:50,240

launch day yes just same exact thing

374

00:12:54,310 --> 00:12:52,160

same exact thing all right except with

375

00:12:55,750 --> 00:12:54,320

no cars coming all right clear highway

376

00:12:57,430 --> 00:12:55,760

all right all right

377

00:12:59,829 --> 00:12:57,440

okay

378

00:13:00,710 --> 00:12:59,839

this is a pretty cool job yeah it's fun

379

00:13:02,710 --> 00:13:00,720

you guys

380

00:13:06,870 --> 00:13:02,720

love it all right

381

00:13:08,150 --> 00:13:06,880

we'll drive safely always all right

382

00:13:09,829 --> 00:13:08,160

okay hi you've got a lot of people

383

00:13:11,829 --> 00:13:09,839

helping you out here there's a hilo

384

00:13:12,870 --> 00:13:11,839

there's a helicopter right here

385

00:13:14,230 --> 00:13:12,880

yeah what's he doing what's the

386

00:13:15,910 --> 00:13:14,240

helicopter doing

387

00:13:17,590 --> 00:13:15,920

making sure the coast is clear

388

00:13:20,150 --> 00:13:17,600

make sure the coast is clear he'll do

389

00:13:25,430 --> 00:13:20,160

that on launch day also all right he

390

00:13:25,440 --> 00:13:30,069

this is a ride out to the launch pad

391

00:13:30,079 --> 00:13:39,110

there's a space shuttle out there

392

00:13:42,069 --> 00:13:40,470

do you ever get any crew members want to

393

00:13:42,790 --> 00:13:42,079

get out for a break or something and say

394

00:13:44,389 --> 00:13:42,800

hey

395

00:13:45,430 --> 00:13:44,399

can we stop for coffee on the way out to

396

00:13:46,710 --> 00:13:45,440

the launch pad

397

00:13:48,710 --> 00:13:46,720

they never do that they're ready to go

398

00:13:50,150 --> 00:13:48,720

too excited to get there yeah

399

00:13:51,509 --> 00:13:50,160

always

400

00:13:53,829 --> 00:13:51,519

like oh i forgot something can you turn

401
00:13:56,389 --> 00:13:53,839
around you ever get that one no

402
00:13:57,910 --> 00:13:56,399
no we'll send a security unit for it yes

403
00:13:59,670 --> 00:13:57,920
sir if you need anything friends if they

404
00:14:01,509 --> 00:13:59,680
have the potty break

405
00:14:03,509 --> 00:14:01,519
hey nobody ever get into that and i want

406
00:14:05,590 --> 00:14:03,519
to pull over i gotta go potty no potty

407
00:14:07,750 --> 00:14:05,600
breaks nothing we have a bathroom in the

408
00:14:09,590 --> 00:14:07,760
back you do you thought of everything

409
00:14:10,949 --> 00:14:09,600
yeah yeah all right take care of it

410
00:14:12,150 --> 00:14:10,959
while we're moving

411
00:14:13,110 --> 00:14:12,160
do you have to tell them they're like

412
00:14:14,230 --> 00:14:13,120
hey like you know when you're driving

413
00:14:16,150 --> 00:14:14,240

kids around

414

00:14:18,790 --> 00:14:16,160

you ever get like come on knock it off

415

00:14:20,150 --> 00:14:18,800

are we there yet yeah we there you go

416

00:14:22,069 --> 00:14:20,160

you got people telling you got a couple

417

00:14:23,030 --> 00:14:22,079

doors are we there yet are we there yet

418

00:14:26,710 --> 00:14:23,040

yet

419

00:14:26,720 --> 00:14:32,150

oh look at the big crawler

420

00:14:38,310 --> 00:14:33,590

all right ooh look the space shuttle is

421

00:14:42,870 --> 00:14:40,550

just like launch day yes they're like

422

00:14:44,550 --> 00:14:42,880

lunchtime except that won't be there

423

00:14:45,910 --> 00:14:44,560

that'd be well the shuttle will be there

424

00:14:47,350 --> 00:14:45,920

yeah the structure will be you get to

425

00:14:48,949 --> 00:14:47,360

see roll around right you'll see the

426

00:14:50,310 --> 00:14:48,959

space shuttle because right now the

427

00:14:51,670 --> 00:14:50,320

space shuttle's hidden be by the

428

00:14:53,030 --> 00:14:51,680

structure you got to wait till night

429

00:14:55,269 --> 00:14:53,040

time and do it

430

00:15:03,509 --> 00:14:55,279

you can see the lights on yeah yeah and

431

00:15:07,829 --> 00:15:05,189

i have to grab that radio

432

00:15:07,839 --> 00:15:30,230

look oh i don't want it

433

00:15:33,670 --> 00:15:31,910

good job getting them here thank you
