00:00:40,030 --> 00:00:37,310
species is learning how to care for our

4
00:00:42,010 --> 00:00:40,040
home NASA's eyes in space enable

5
00:00:44,590 --> 00:00:42,020
unparalleled insights into our planets

6
00:00:46,510 --> 00:00:44,600
health and what this knowledge comes a

7
00:00:49,210 --> 00:00:46,520
profound responsibility to act when

8
00:00:51,490 --> 00:00:49,220
something is wrong NASA science help

9
00:00:54,820 --> 00:00:51,500
detect the hole in our sheltering ozone

10
00:00:56,979 --> 00:00:54,830
layer and diagnose its cause now NASA is

11
00:00:58,750 --> 00:00:56,989
monitoring the Gulf oil spill to help

12
00:01:01,510 --> 00:00:58,760
the science community better track and

13
00:01:04,570 --> 00:01:01,520

understand what we face ahead in dealing

14

00:01:05,950 --> 00:01:04,580

with this catastrophic situation learn
