

1  
00:00:05,180 --> 00:00:02,960  
station Houston on to Alexander we are

2  
00:00:08,709 --> 00:00:05,190  
ready for you to begin whenever you are

3  
00:00:14,810 --> 00:00:12,740  
okay thank you very much day we are

4  
00:00:18,439 --> 00:00:14,820  
ready today

5  
00:00:21,130 --> 00:00:18,449  
he is greedy for me I'm Alexander scores

6  
00:00:23,450 --> 00:00:21,140  
off corner in the Russian Air Force

7  
00:00:26,410 --> 00:00:23,460  
cosmonaut and commander of the

8  
00:00:30,140 --> 00:00:26,420  
International Space Station since May

9  
00:00:41,319 --> 00:00:30,150  
2010 today I am honored to relinquish

10  
00:00:47,600 --> 00:00:45,170  
Thank You Sasha I with great honor I

11  
00:00:48,860 --> 00:00:47,610  
receive and accept command at the

12  
00:01:01,549 --> 00:00:48,870  
International Space Station from you

13  
00:01:05,429 --> 00:01:03,360

we Abbas ovum

14

00:01:07,950 --> 00:01:05,439

we are both pilots and have been flying

15

00:01:10,440 --> 00:01:07,960

together for three months he bow to the

16

00:01:13,499 --> 00:01:10,450

International Space Station our work

17

00:01:15,359 --> 00:01:13,509

here is a good example of how working

18

00:01:19,560 --> 00:01:15,369

peacefully together we can accomplish

19

00:01:22,590 --> 00:01:19,570

great things I'm sure they use the new

20

00:02:45,470 --> 00:01:22,600

ISS commander Colonel Dockweiler will

21

00:02:45,480 --> 00:02:50,420

partner partner

22

00:02:59,089 --> 00:02:55,050

Hiroshi premier now see the wonderful

23

00:02:59,099 --> 00:03:04,170

such July

24

00:03:11,970 --> 00:03:07,830

I wish your

25

00:03:15,930 --> 00:03:11,980

ooh gotcha the dosha vedyam said the

26

00:03:19,530 --> 00:03:15,940

flock I will be looking forward to

27

00:03:24,000 --> 00:03:19,540

seeing you on the ground they planned a

28

00:03:27,030 --> 00:03:24,010

dodging and most importantly thank you

29

00:03:29,220 --> 00:03:27,040

very much deck breaker a good Russian

30

00:03:37,170 --> 00:03:29,230

tradition to answer all these best

31

00:03:40,080 --> 00:03:37,180

wishes short Oh into our ground

32

00:03:42,090 --> 00:03:40,090

supporting teams thank you so much for

33

00:03:45,000 --> 00:03:42,100

your support through these last several

34

00:03:46,590 --> 00:03:45,010

months it's been very exciting some

35

00:03:49,020 --> 00:03:46,600

things were planned and some things

36

00:03:51,090 --> 00:03:49,030

weren't planned and we got through it as

37

00:03:54,809 --> 00:03:51,100

a team and we appreciate you joining us

38

00:03:56,520 --> 00:03:54,819

for the ceremony today and it's kind of

39

00:03:59,250 --> 00:03:56,530

a bittersweet moment for us because

40

00:04:02,360 --> 00:03:59,260

we're saying farewell to some friends

41

00:04:05,880 --> 00:04:02,370

and we'll see them back on planet Earth

42

00:04:10,890 --> 00:04:05,890

shortly and we wish them safe journey

43

00:04:14,130 --> 00:04:10,900

back to the planet and and and also good

44

00:04:16,800 --> 00:04:14,140

luck and as we meet meet again after our

45

00:04:33,930 --> 00:04:16,810

landing in December so thank you so much

46

00:04:35,670 --> 00:04:33,940

for joining us station Houston we copy

47

00:04:38,610 --> 00:04:35,680

we appreciate all your hard work

48

00:04:42,120 --> 00:04:38,620

appreciate the kind words look forward

49

00:04:43,409 --> 00:04:42,130

to working with theater shin and Colonel

50

00:04:46,590 --> 00:04:43,419

wheel lock for the rest of their time

51

00:04:48,779 --> 00:04:46,600

onboard and we wish the safe departure
