5  
00:01:35,620 --> 00:01:33,829  
down here right after Katrina and seeing

6  
00:01:37,389 --> 00:01:35,630  
the tank and it's in some of the damage

7  
00:01:39,580 --> 00:01:37,399  
here and you guys have done a phenomenal

8  
00:01:42,069 --> 00:01:39,590  
job of repairing it getting ready to go

9  
00:01:43,960 --> 00:01:42,079  
fly you guys have done an amazing job

10
