

1
00:00:04,870 --> 00:00:02,790
jupiter

2
00:00:06,950 --> 00:00:04,880
where weather is one continuous

3
00:00:09,190 --> 00:00:06,960
planetary super cane

4
00:00:11,749 --> 00:00:09,200
and many of the gas giant's swirling

5
00:00:13,270 --> 00:00:11,759
secrets remain hidden beneath its color

6
00:00:15,350 --> 00:00:13,280
of clouds

7
00:00:17,510 --> 00:00:15,360
until now

8
00:00:19,750 --> 00:00:17,520
a new armored force will battle through

9
00:00:22,230 --> 00:00:19,760
jupiter's supercharged radiation field

10
00:00:24,390 --> 00:00:22,240
and atmosphere to unlock new mysteries

11
00:00:25,670 --> 00:00:24,400
of our solar system

12
00:00:28,070 --> 00:00:25,680
do you know

13
00:00:31,349 --> 00:00:28,080

with its suite of sophisticated science

14

00:00:35,270 --> 00:00:31,359

instruments and majestic solar panels

15

00:00:36,549 --> 00:00:35,280

juno with its protective radiation vault

16

00:00:38,549 --> 00:00:36,559

juno

17

00:00:40,709 --> 00:00:38,559

ready to take on jupiter to better

18

00:00:43,830 --> 00:00:40,719

understand how planets form and their

19

00:00:44,950 --> 00:00:43,840

role in the origin of our solar system

20

00:00:46,389 --> 00:00:44,960

juno

21

00:00:50,229 --> 00:00:46,399

it's smart

22

00:00:51,670 --> 00:00:50,239

it's armored and it's ready

23

00:00:53,510 --> 00:00:51,680

juno

24

00:00:54,470 --> 00:00:53,520

unraveling the history of our solar

25

00:00:55,350 --> 00:00:54,480

system
