**SAMPLE RETURN**

**2020s**

1  
00:00:07,749 --> 00:00:05,990  
you love them on the space shuttle

2  
00:00:18,150 --> 00:00:07,759  
you've thrilled with them aboard the

3  
00:00:24,870 --> 00:00:20,390  
now they're back teaming up to share

4  
00:00:29,269 --> 00:00:26,790  
building on the great adventures of the

5  
00:00:34,150 --> 00:00:31,830  
three new missions to mars including a

6  
00:00:39,590 --> 00:00:34,160  
sample return from its red and rocky

7  
00:00:43,590 --> 00:00:41,430  
to learn whether our nearest planet

8  
00:00:52,470 --> 00:00:43,600  
could have ever supported life as we

9  
00:00:56,470 --> 00:00:54,549  
the national aeronautics and space

10  
00:01:00,630 --> 00:00:56,480
