

1  
00:00:03,350 --> 00:00:01,910  
very personal person and when i was

2  
00:00:05,349 --> 00:00:03,360  
thinking about applying to the astronaut

3  
00:00:08,230 --> 00:00:05,359  
corps i was walking down the halls in

4  
00:00:10,629 --> 00:00:08,240  
nasa master headquarters 100 combat

5  
00:00:11,430 --> 00:00:10,639  
missions that's a lot of missions

6  
00:00:12,870 --> 00:00:11,440  
so

7  
00:00:15,749 --> 00:00:12,880  
astronaut

8  
00:00:17,830 --> 00:00:15,759  
hi i'm mary j blige hi i'm nasa

9  
00:00:19,590 --> 00:00:17,840  
astronaut lela melvin and i'm thrilled

10  
00:00:21,750 --> 00:00:19,600  
to be here with mary today for a new

11  
00:00:23,670 --> 00:00:21,760  
collaboration between nasa and the

12  
00:00:26,390 --> 00:00:23,680  
foundation for the advancement of women

13  
00:00:28,630 --> 00:00:26,400

now i'm excited that my foundation fawn

14

00:00:30,710 --> 00:00:28,640

has the opportunity to work with nassau

15

00:00:32,150 --> 00:00:30,720

in support of our mission to inspire

16

00:00:34,870 --> 00:00:32,160

girls through programs that foster

17

00:00:37,110 --> 00:00:34,880

education career development self-esteem

18

00:00:38,630 --> 00:00:37,120

and personal growth and i'm glad to work

19

00:00:40,470 --> 00:00:38,640

with mary to develop exciting new

20

00:00:42,549 --> 00:00:40,480

activities as part of nasa's summer of

21

00:00:45,350 --> 00:00:42,559

innovation project in support of the

22

00:00:48,310 --> 00:00:45,360

president's educate to innovate campaign

23

00:00:54,630 --> 00:00:48,320

imagine it explore it do it

24

00:00:59,349 --> 00:00:57,590

for the eighth birthday boy

25

00:01:02,630 --> 00:00:59,359

joked that she's received the visitors

26

00:01:04,390 --> 00:01:02,640

and a new module as a present

27

00:01:05,750 --> 00:01:04,400

whitson now greeting shuttle pilot alan

28

00:01:07,590 --> 00:01:05,760

poindexter

29

00:01:24,950 --> 00:01:07,600

jax

30

00:01:28,469 --> 00:01:26,710

we're at stop motion

31

00:01:30,069 --> 00:01:28,479

stand by one

32

00:01:33,030 --> 00:01:30,079

minus six i know you know that's how we

33

00:01:38,390 --> 00:01:35,670

this little mirror is oh yeah just turn

34

00:01:38,400 --> 00:01:47,429

i tried

35

00:01:47,439 --> 00:02:31,190

did you make sure

36

00:02:34,869 --> 00:02:33,990

c1 is ready to be grappled by the ssrms

37

00:02:37,910 --> 00:02:34,879

my

38

00:02:38,949 --> 00:02:37,920

commander charlie hobaugh was a flawless

39

00:02:40,229 --> 00:02:38,959

m2

40

00:02:42,070 --> 00:02:40,239
