

A wide-angle photograph of Earth from space, showing the curvature of the planet and a large, dark, textured landmass. The atmosphere is visible as a thin blue layer. A portion of a spacecraft structure is visible in the lower right corner.

Voice of Expedition 25 Commander Doug Wheelock

1
00:00:07,030 --> 00:00:04,630
okay uh good evening houston uh this is

2
00:00:08,790 --> 00:00:07,040
the international space station and uh

3
00:00:09,830 --> 00:00:08,800
uh doug wheelock aboard along with my

4
00:00:12,709 --> 00:00:09,840
crewmates

5
00:00:13,910 --> 00:00:12,719
uh scott kelly and shannon walker and

6
00:00:16,950 --> 00:00:13,920
our russian

7
00:00:18,390 --> 00:00:16,960
cosmonaut crewmates uh fyodor yurchikhin

8
00:00:22,070 --> 00:00:18,400
sasha kaleri

9
00:00:23,590 --> 00:00:22,080
and alex krupochka and we wanted to um

10
00:00:25,429 --> 00:00:23,600
uh just let

11
00:00:28,230 --> 00:00:25,439
the good folks in

12
00:00:29,189 --> 00:00:28,240
in chile know that we just recently

13
00:00:31,830 --> 00:00:29,199

heard

14

00:00:32,950 --> 00:00:31,840

the exciting news of the uh of the

15

00:00:35,190 --> 00:00:32,960

rescue

16

00:00:37,430 --> 00:00:35,200

of uh the miners and

17

00:00:39,910 --> 00:00:37,440

we think that almost all of them are

18

00:00:41,030 --> 00:00:39,920

back at the surface now or a good number

19

00:00:43,670 --> 00:00:41,040

of them

20

00:00:45,190 --> 00:00:43,680

and we wanted to pass along from outer

21

00:00:47,670 --> 00:00:45,200

space our

22

00:00:49,029 --> 00:00:47,680

congratulations

23

00:00:52,310 --> 00:00:49,039

to the

24

00:00:53,510 --> 00:00:52,320

heroes uh both above and beyond below

25

00:00:55,830 --> 00:00:53,520

the ground

26

00:00:57,029 --> 00:00:55,840

uh through this whole crisis

27

00:01:00,229 --> 00:00:57,039

and um

28

00:01:03,029 --> 00:01:00,239

we just wanted to pass along our uh

29

00:01:04,789 --> 00:01:03,039

our best wishes our uh

30

00:01:07,109 --> 00:01:04,799

and let you know that we're so happy to

31

00:01:08,630 --> 00:01:07,119

hear about the rescue and um we wanted

32

00:01:11,270 --> 00:01:08,640

to congratulate

33

00:01:12,390 --> 00:01:11,280

all the miners for their perseverance

34

00:01:14,870 --> 00:01:12,400

and um

35

00:01:16,310 --> 00:01:14,880

and their uh their faith in their uh in

36

00:01:17,910 --> 00:01:16,320

their in their friends and their

37

00:01:20,230 --> 00:01:17,920

co-workers uh

38

00:01:22,870 --> 00:01:20,240

uh that were struggling uh so many days

39

00:01:24,710 --> 00:01:22,880

and so many nights to uh uh to get them

40

00:01:26,710 --> 00:01:24,720

uh back to safety

41

00:01:27,990 --> 00:01:26,720

and uh from outer space we just wanted

42

00:01:30,390 --> 00:01:28,000

to uh

43

00:01:32,710 --> 00:01:30,400

to let you know uh how proud

44

00:01:35,109 --> 00:01:32,720

are of you and how much we admire your

45

00:01:37,990 --> 00:01:35,119

uh your courage and your tenacity

46

00:01:39,590 --> 00:01:38,000

and um and to all those who

47

00:01:41,030 --> 00:01:39,600

who made the rescue happen uh

48

00:01:43,109 --> 00:01:41,040

congratulations

49

00:01:45,670 --> 00:01:43,119

uh well done and um

50

00:01:47,749 --> 00:01:45,680

and uh god speak to everyone and uh

51

00:01:49,910 --> 00:01:47,759

you're it's truly an answer to prayer

52

00:01:51,830 --> 00:01:49,920

and um you've been in our thoughts and
