those guys take care of you

20

00:01:11,270 --> 00:01:10,320

we're uh we're right in the middle of it

21

00:01:12,230 --> 00:01:11,280

right now we're just sort of in the

22

00:01:13,750 --> 00:01:12,240

midst of hey if you're going to start

23

00:01:14,630 --> 00:01:13,760

flipping around it's going to be really

24

00:01:18,789 --> 00:01:14,640

we're going to have a hard time

25

00:01:21,830 --> 00:01:20,230

yeah you guys

26

00:01:26,950 --> 00:01:21,840

could yeah you could do a mean air

27

00:01:32,469 --> 00:01:28,390

i see you're conducting some serious

28

00:01:40,870 --> 00:01:35,350

it's all in the name of science

29

00:01:45,030 --> 00:01:42,630

great to see you guys and this is uh

30

00:01:46,230 --> 00:01:45,040

scott kelly uh scott just arrived on the

31

00:01:47,990 --> 00:01:46,240

soyuz

32

00:01:49,590 --> 00:01:48,000

on saturday

33

00:01:50,950 --> 00:01:49,600

he and i will be together for a couple

34

00:01:53,429 --> 00:01:50,960

of months and then he'll take over as

35

00:01:59,749 --> 00:01:53,439

commander uh when we leave in the at the

36

00:01:59,759 --> 00:02:09,190

you should probably

37

00:02:13,910 --> 00:02:10,949

we got to give him the uh

38

00:02:25,270 --> 00:02:13,920

we got here we gave him the milkshake

39

00:02:32,710 --> 00:02:27,589

i see a head injury coming quite quickly

40

00:02:39,830 --> 00:02:33,990

he's just saying you better not hit my

41

00:02:44,630 --> 00:02:42,229

it's really uh really great for you guys

42

00:02:46,229 --> 00:02:44,640

to join us and uh and

43

00:02:47,670 --> 00:02:46,239

i thought it would be a really nice

44

00:02:49,830 --> 00:02:47,680

treat

45

00:02:51,830 --> 00:02:49,840

to get to talk to you first of all

46

00:02:53,589 --> 00:02:51,840

you guys i'm a huge fan

47

00:02:55,750 --> 00:02:53,599

of your work and uh

48

00:02:57,509 --> 00:02:55,760

and of your uh your music and your

49

00:03:00,070 --> 00:02:57,519

passion for your music

50

00:03:02,229 --> 00:03:00,080

and um and uh the folks that you're

51
00:03:03,190 --> 00:03:02,239
standing among their our ground support

52
00:03:05,270 --> 00:03:03,200
team

53
00:03:07,750 --> 00:03:05,280
are just uh just tremendous i mean

54
00:03:09,750 --> 00:03:07,760
they're they're really our backbone

55
00:03:11,270 --> 00:03:09,760
uh we get to do all the fun stuff up

56
00:03:12,869 --> 00:03:11,280
here and they're the ones that really do

57
00:03:13,589 --> 00:03:12,879
all the hard work and

58
00:03:15,110 --> 00:03:13,599
and

59
00:03:17,030 --> 00:03:15,120
we just really really appreciate them

60
00:03:19,430 --> 00:03:17,040
and i it was a really nice

61
00:03:21,509 --> 00:03:19,440
uh nice treat for you guys to uh to join

62
00:03:23,990 --> 00:03:21,519
them down there today

63
00:03:26,470 --> 00:03:24,000

well thanks for having us but uh it's

64

00:03:27,990 --> 00:03:26,480

it's there's a massive similarity here

65

00:03:29,350 --> 00:03:28,000

uh it's the same as the crew that works

66

00:03:31,830 --> 00:03:29,360

for us

67

00:03:33,030 --> 00:03:31,840

they spend all day you know from six

68

00:03:35,750 --> 00:03:33,040

o'clock in the morning setting up a

69

00:03:38,390 --> 00:03:35,760

massive stage the lights uh the screens

70

00:03:40,309 --> 00:03:38,400

everything all the pyro uh and they do

71

00:03:41,750 --> 00:03:40,319

all of that just so we can look really

72

00:03:44,309 --> 00:03:41,760

cool

73

00:03:47,509 --> 00:03:44,319

so uh so there is a there is a huge

74

00:03:49,990 --> 00:03:47,519

similarity there

75

00:03:51,670 --> 00:03:50,000

yeah big big similarity and um

76

00:03:53,429 --> 00:03:51,680

and uh somebody would i think though

77

00:03:56,070 --> 00:03:53,439

your publicist was telling me i don't

78

00:03:58,390 --> 00:03:56,080

know if it was ryan or or mike that uh

79

00:04:00,390 --> 00:03:58,400

he wanted to be an astronaut but instead

80

00:04:01,910 --> 00:04:00,400

he became a rock star well i wanted to

81

00:04:04,550 --> 00:04:01,920

be a rock star

82

00:04:06,550 --> 00:04:04,560

and uh became an astronaut

83

00:04:07,509 --> 00:04:06,560

we will trade one day guaranteed my

84

00:04:09,030 --> 00:04:07,519

friend

85

00:04:11,670 --> 00:04:09,040

i i actually thought i had to study to

86

00:04:15,990 --> 00:04:11,680

get to nasa i guess i don't right yes

87

00:04:20,229 --> 00:04:17,270

uh no

88

00:04:22,950 --> 00:04:20,239

not particularly but uh yeah it's uh

89

00:04:23,909 --> 00:04:22,960

yeah the similarities uh you know just

90

00:04:28,230 --> 00:04:23,919

uh

91

00:04:30,629 --> 00:04:28,240

just just like you're saying about your

92

00:04:33,270 --> 00:04:30,639

your crew that that does all the the

93

00:04:36,469 --> 00:04:33,280

backbone and the hard fact breaking work

94

00:04:38,469 --> 00:04:36,479

uh so you guys get to go out on stage

95

00:04:41,189 --> 00:04:38,479

it's very very similar for us up here i

96

00:04:43,030 --> 00:04:41,199

mean it's uh

97

00:04:46,070 --> 00:04:43,040

our work days are pretty full but it is

98

00:04:48,310 --> 00:04:46,080

a it is a great job and uh and um we

99

00:04:49,909 --> 00:04:48,320

could not absolutely could not uh do it

100

00:04:51,830 --> 00:04:49,919

and this machine

101
00:04:53,270 --> 00:04:51,840
uh would not be flying it if it wasn't

102
00:04:57,189 --> 00:04:53,280
for our ground support team that you're

103
00:04:58,710 --> 00:04:57,199
standing among uh there now

104
00:04:59,670 --> 00:04:58,720
um i just need to clarify a couple

105
00:05:01,189 --> 00:04:59,680
things

106
00:05:05,029 --> 00:05:01,199
they've been really mean to us the

107
00:05:10,070 --> 00:05:07,590
hey did you look uh

108
00:05:12,870 --> 00:05:10,080
there's a there's a uh a console

109
00:05:14,710 --> 00:05:12,880
position called adco attitude control

110
00:05:16,629 --> 00:05:14,720
and uh they have an attitude control

111
00:05:17,990 --> 00:05:16,639
device up there to have them show that

112
00:05:19,909 --> 00:05:18,000
to you

113
00:05:21,590 --> 00:05:19,919

yeah we were already warned about that

114

00:05:23,909 --> 00:05:21,600

we were told if we step up the line or

115

00:05:24,710 --> 00:05:23,919

ask you anything ridiculous or silly

116

00:05:33,830 --> 00:05:24,720

that

117

00:05:35,270 --> 00:05:33,840

the the flight director controls the

118

00:05:39,029 --> 00:05:35,280

attitudes of the people in the room

119

00:05:43,110 --> 00:05:40,310

how many of you guys are up there right

120

00:05:49,189 --> 00:05:46,310

we've got six uh we got three uh us

121

00:05:50,790 --> 00:05:49,199

astronauts and three russian cosmonauts

122

00:05:52,469 --> 00:05:50,800

and we just had dinner together you can

123

00:05:54,230 --> 00:05:52,479

probably see this is dr shannon walker

124

00:05:55,830 --> 00:05:54,240

back here she's she's the one that

125

00:05:57,510 --> 00:05:55,840

actually uh

126
00:05:58,710 --> 00:05:57,520
gives brings a little class to this

127
00:06:00,550 --> 00:05:58,720
place

128
00:06:02,550 --> 00:06:00,560
shannon shannon looks like she's trying

129
00:06:04,710 --> 00:06:02,560
to be busy doing something very

130
00:06:06,309 --> 00:06:04,720
technical and we know that she's not we

131
00:06:07,670 --> 00:06:06,319
know she's just back there just sort of

132
00:06:08,710 --> 00:06:07,680
messaging around

133
00:06:10,309 --> 00:06:08,720
huh

134
00:06:13,270 --> 00:06:10,319
i think she's arranging wine glasses is

135
00:06:15,990 --> 00:06:14,309
yeah she's

136
00:06:16,950 --> 00:06:16,000
uh she's wiping off the wine glasses

137
00:06:19,830 --> 00:06:16,960
that's right

138
00:06:22,070 --> 00:06:19,840

this is oleg skripochka olig uh one of

139

00:06:24,870 --> 00:06:22,080

our russian cosmonauts

140

00:06:27,510 --> 00:06:24,880

and um his first time uh flying in space

141

00:06:32,230 --> 00:06:27,520

he just arrived he just uh spent a week

142

00:06:40,950 --> 00:06:34,870

you guys just flying around up there

143

00:06:40,960 --> 00:06:43,270

yeah

144

00:06:43,280 --> 00:06:48,950

ken's being shy right now

145

00:06:51,990 --> 00:06:50,469

so now what um

146

00:06:53,670 --> 00:06:52,000

when when is your concert there in

147

00:06:55,110 --> 00:06:53,680

houston is it to tonight or tomorrow

148

00:06:59,909 --> 00:06:55,120

night

149

00:06:59,919 --> 00:07:05,189

yeah we won't be able to make it

150

00:07:09,270 --> 00:07:07,029

we're gonna have to get you down to uh

151
00:07:11,029 --> 00:07:09,280
to our mission control one of these days

152
00:07:14,070 --> 00:07:11,039
so you can sort of see the uh the inner

153
00:07:16,309 --> 00:07:14,080
workings of uh of what we do and and uh

154
00:07:19,029 --> 00:07:16,319
sort of how we entertain you know for

155
00:07:22,790 --> 00:07:20,550
i would i would love to do that that'd

156
00:07:27,110 --> 00:07:22,800
be that'd be great now you guys uh

157
00:07:28,070 --> 00:07:27,120
uh ryan you have a um our

158
00:07:29,990 --> 00:07:28,080
chat

159
00:07:32,390 --> 00:07:30,000
it's your you have a recording studio in

160
00:07:33,670 --> 00:07:32,400
vancouver yeah do you guys uh kind of

161
00:07:35,189 --> 00:07:33,680
base out of there

162
00:07:36,390 --> 00:07:35,199
that's correct yeah we do most of the

163
00:07:38,469 --> 00:07:36,400

recording at

164

00:07:44,710 --> 00:07:38,479

the house and

165

00:07:48,070 --> 00:07:47,110

absolutely now now uh

166

00:07:49,990 --> 00:07:48,080

uh

167

00:07:53,749 --> 00:07:50,000

come on you got to tell me when you guys

168

00:07:56,790 --> 00:07:55,029

no i got out of the high school and we

169

00:07:59,029 --> 00:07:56,800

all just got a record deal

170

00:08:02,150 --> 00:07:59,039

no yeah we uh we started in ryan's

171

00:08:04,070 --> 00:08:02,160

garage actually um we started learning

172

00:08:07,110 --> 00:08:04,080

other people's music just we picked up

173

00:08:09,909 --> 00:08:07,120

like 40 50 tunes and we went on the road

174

00:08:12,629 --> 00:08:09,919

and started just playing every little

175

00:08:13,749 --> 00:08:12,639

dive bar you know to pretty much bar

176

00:08:16,070 --> 00:08:13,759

staff

177

00:08:18,230 --> 00:08:16,080

across canada back and forth

178

00:08:20,390 --> 00:08:18,240

and then we finally got a couple songs

179

00:08:21,430 --> 00:08:20,400

on the radio up there and got a record

180

00:08:23,189 --> 00:08:21,440

deal

181

00:08:24,150 --> 00:08:23,199

with a company called road runner new

182

00:08:25,670 --> 00:08:24,160

york

183

00:08:27,110 --> 00:08:25,680

and uh

184

00:08:28,469 --> 00:08:27,120

you know then we recorded a song called

185

00:08:30,309 --> 00:08:28,479

how you remind me that just you know

186

00:08:33,829 --> 00:08:30,319

that's the one that was pretty much our

187

00:08:36,870 --> 00:08:35,670

absolutely that's the one i remember

188

00:08:39,509 --> 00:08:36,880

that uh

189

00:08:40,870 --> 00:08:39,519

i spent uh some time in russia living in

190

00:08:42,630 --> 00:08:40,880

russia

191

00:08:45,030 --> 00:08:42,640

as a director over there

192

00:08:46,070 --> 00:08:45,040

in 2005 and it was when i came back from

193

00:08:49,430 --> 00:08:46,080

there

194

00:08:51,750 --> 00:08:49,440

i i so missed um uh just you know

195

00:08:53,269 --> 00:08:51,760

current uh the current genre of music

196

00:08:54,630 --> 00:08:53,279

that you guys were playing

197

00:08:56,630 --> 00:08:54,640

and uh

198

00:08:58,630 --> 00:08:56,640

and i i got back i was so hungry for

199

00:09:00,870 --> 00:08:58,640

what was new and exciting and uh my

200

00:09:03,030 --> 00:09:00,880

daughter uh told me about this band

201
00:09:04,870 --> 00:09:03,040
called uh nickelback i said no kidding

202
00:09:07,350 --> 00:09:04,880
and i and i uh

203
00:09:08,949 --> 00:09:07,360
your your story i believe it was mike's

204
00:09:10,550 --> 00:09:08,959
uh uh

205
00:09:11,829 --> 00:09:10,560
mike's experience uh

206
00:09:13,910 --> 00:09:11,839
uh

207
00:09:15,990 --> 00:09:13,920
at the coffee shop that came up with the

208
00:09:17,509 --> 00:09:16,000
uh with the original name of the of the

209
00:09:20,630 --> 00:09:17,519
group and that was such a compelling

210
00:09:23,430 --> 00:09:20,640
story and such a neat uh a neat story of

211
00:09:26,230 --> 00:09:23,440
uh of uh triumph uh you know from uh

212
00:09:27,829 --> 00:09:26,240
against all odds uh just it was uh just

213
00:09:29,670 --> 00:09:27,839

was really uh

214

00:09:31,590 --> 00:09:29,680

tickled to get to know your band and uh

215

00:09:33,590 --> 00:09:31,600

in your music and it was uh

216

00:09:36,630 --> 00:09:33,600

it's been non-stop ever since and of

217

00:09:38,790 --> 00:09:36,640

course i uh loved all your music since

218

00:09:41,110 --> 00:09:38,800

then and uh really enjoyed the uh the

219

00:09:42,710 --> 00:09:41,120

rockstar song as well

220

00:09:44,389 --> 00:09:42,720

that's sort of a theme song for some of

221

00:09:45,829 --> 00:09:44,399

us here at maven

222

00:09:47,670 --> 00:09:45,839

thank you buddy that's really really

223

00:09:51,990 --> 00:09:47,680

cool actually uh your daughter wants her

224

00:09:57,190 --> 00:09:55,430

well i'm flying a cd for you guys so uh

225

00:10:00,070 --> 00:09:57,200

so one of your cds is going to come back

226

00:10:02,710 --> 00:10:00,080

with 62 million miles on it and uh and

227

00:10:04,630 --> 00:10:02,720

uh we'll pick a good time

228

00:10:06,790 --> 00:10:04,640

to deliver it to you and uh

229

00:10:09,509 --> 00:10:06,800

and uh and uh

230

00:10:12,310 --> 00:10:09,519

get you a nice presentation uh uh

231

00:10:14,310 --> 00:10:12,320

a little memorabilia from nasa

232

00:10:17,030 --> 00:10:14,320

that's really cool that is really really

233

00:10:18,630 --> 00:10:17,040

cool 62 million miles wow

234

00:10:19,990 --> 00:10:18,640

i don't know how we're going to top that

235

00:10:21,590 --> 00:10:20,000

you know you can come to the front of

236

00:10:23,829 --> 00:10:21,600

house start sound board and we have like

237

00:10:27,670 --> 00:10:23,839

a cooler beer

238

00:10:32,949 --> 00:10:29,190

that's quite a yeah it'd be quite a road

239

00:10:34,630 --> 00:10:32,959

trip yeah yeah captain santa here

240

00:10:38,790 --> 00:10:34,640

you coming from a small town too right

241

00:10:43,030 --> 00:10:40,790

absolutely uh same type deal i don't

242

00:10:45,430 --> 00:10:43,040

know uh you guys from a small town in

243

00:10:46,710 --> 00:10:45,440

alberta correct

244

00:10:48,790 --> 00:10:46,720

yeah we're from a place called hannah

245

00:10:50,790 --> 00:10:48,800

it's about not quite 3 000 people i'm

246

00:10:52,230 --> 00:10:50,800

not sure i'm sure a few handfuls have

247

00:10:54,870 --> 00:10:52,240

moved since we've gone but something

248

00:10:59,509 --> 00:10:57,750

yeah that's uh that's pretty much uh the

249

00:11:00,630 --> 00:10:59,519

little town that i'm from up in upstate

250

00:11:02,310 --> 00:11:00,640

new york

251

00:11:04,230 --> 00:11:02,320

same thing in fact i think it's actually

252

00:11:06,470 --> 00:11:04,240

smaller now than when i was growing up

253

00:11:07,670 --> 00:11:06,480

because so many of the of the jobs

254

00:11:09,990 --> 00:11:07,680

nearby

255

00:11:12,389 --> 00:11:10,000

it sort of filtered away so it's a

256

00:11:13,670 --> 00:11:12,399

pretty still pretty very very small town

257

00:11:14,790 --> 00:11:13,680

and uh

258

00:11:16,870 --> 00:11:14,800

and um

259

00:11:19,110 --> 00:11:16,880

that that was another uh kind of common

260

00:11:21,030 --> 00:11:19,120

thread that i i saw in your guy's story

261

00:11:23,350 --> 00:11:21,040

you know and i just it's just really

262

00:11:25,590 --> 00:11:23,360

heartwarming to see you know

263

00:11:27,430 --> 00:11:25,600

kids you know you feel like an ordinary

264

00:11:29,430 --> 00:11:27,440

kid coming from an ordinary little place

265

00:11:31,110 --> 00:11:29,440

and then you uh you know you get the

266

00:11:32,710 --> 00:11:31,120

chance of a lifetime and

267

00:11:34,949 --> 00:11:32,720

to make it big and get at the top of

268

00:11:37,430 --> 00:11:34,959

your game and it's uh it's just real a

269

00:11:39,030 --> 00:11:37,440

real thrill to meet you guys

270

00:11:40,389 --> 00:11:39,040

well it's great to have this opportunity

271

00:11:43,910 --> 00:11:40,399

and and

272

00:11:45,269 --> 00:11:43,920

everybody down here has been really nice

273

00:11:48,150 --> 00:11:45,279

to us hopefully they don't bring out the

274

00:11:50,629 --> 00:11:48,160

the torture device um but uh yeah this

275

00:11:52,389 --> 00:11:50,639

is i mean i've been texting my friends

276

00:11:54,230 --> 00:11:52,399

we took some pictures and they are all

277

00:11:56,949 --> 00:11:54,240

extremely jealous and they want to be

278

00:11:58,710 --> 00:11:56,959

down here so thank you so much buddy

279

00:12:00,470 --> 00:11:58,720

yeah thanks again it seems like uh seems

280

00:12:02,150 --> 00:12:00,480

like your career is going pretty well as

281

00:12:03,829 --> 00:12:02,160

well so

282

00:12:06,629 --> 00:12:03,839

285

00:12:14,389 --> 00:12:12,079

and uh good luck with the concert

286

00:12:17,190 --> 00:12:14,399

tomorrow and uh i wish i could be there

287

00:12:20,550 --> 00:12:17,200

gosh i i i'd be there screaming my head

288

00:12:22,629 --> 00:12:20,560

off but uh uh good luck and um and i'm

289

00:12:25,030 --> 00:12:22,639

297

00:12:42,230 --> 00:12:40,880
