

NASA Honors

America's Veterans

1
00:00:21,839 --> 00:00:19,950
hi I'm Doug Wheelock Colonel United

2
00:00:24,359 --> 00:00:21,849
States Army and commander of expedition

3
00:00:27,900 --> 00:00:24,369
25 aboard the International Space

4
00:00:32,339 --> 00:00:27,910
Station welcome aboard on this Veterans

5
00:00:35,210 --> 00:00:32,349
Day 2010 we wanted to send a huge thank

6
00:00:38,549 --> 00:00:35,220
you to our veterans of all services

7
00:00:39,900 --> 00:00:38,559
around the globe we wanted to let you

8
00:00:42,750 --> 00:00:39,910
know how much we appreciate your

9
00:00:44,940 --> 00:00:42,760
sacrifice and your years of service for

10
00:00:47,610 --> 00:00:44,950
both your countrymen your families and

11
00:00:50,040 --> 00:00:47,620
for people that you never even have a

12
00:00:52,410 --> 00:00:50,050
chance to meet because of you and

13
00:00:54,930 --> 00:00:52,420

because of your dedication and love of

14

00:00:56,520 --> 00:00:54,940

freedom other other people who would

15

00:00:58,889 --> 00:00:56,530

never have that chance have gotten the

16

00:01:00,810 --> 00:00:58,899

chain a chance to taste freedom and

17

00:01:03,959 --> 00:01:00,820

experience what it's like to breathe

18

00:01:06,359 --> 00:01:03,969

free today we're carrying aboard the

19

00:01:09,630 --> 00:01:06,369

International Space Station a medal of

20

00:01:12,690 --> 00:01:09,640

honor that was awarded posthumously to

21

00:01:15,330 --> 00:01:12,700

sergeant Lester our stone for his

22

00:01:19,190 --> 00:01:15,340

actions on the battlefield on March

23

00:01:21,840 --> 00:01:19,200

third 1969 in the jungles of Vietnam

24

00:01:23,760 --> 00:01:21,850

we're carrying as a tribute to all those

25

00:01:26,190 --> 00:01:23,770

who have served and all those who love

26
00:01:28,890 --> 00:01:26,200
freedom and we wanted to say a huge

27
00:01:31,080 --> 00:01:28,900
thank you to our veterans from outer

28
00:01:35,460 --> 00:01:31,090
space from the international the crew of

29
00:01:38,100 --> 00:01:35,470
the International Space Station I'm

30
00:01:39,270 --> 00:01:38,110
Scott Kelly captain United States Navy

31
00:01:42,630 --> 00:01:39,280
and I'll be the commander of expedition

32
00:01:45,480 --> 00:01:42,640
26 once Colonel Wheelock departs here in

33
00:01:47,130 --> 00:01:45,490
a few weeks we make a lot of sacrifices

34
00:01:49,469 --> 00:01:47,140
living on board the International Space

35
00:01:52,050 --> 00:01:49,479
Station for months on end but those

36
00:01:54,480 --> 00:01:52,060
sacrifices pale in comparison to the

37
00:01:56,690 --> 00:01:54,490
sacrifices men and women around the

38
00:02:01,440 --> 00:01:56,700

globe from all of our armed services

39

00:02:04,859 --> 00:02:01,450

have made in this you know last 10 years

40

00:02:07,499 --> 00:02:04,869

specifically but even more so during the

41

00:02:08,850 --> 00:02:07,509

entire history of our country so from

42

00:02:11,150 --> 00:02:08,860

the International Space Station we'd
