

1  
00:00:07,510 --> 00:00:04,950  
hello i'm june lockhart

2  
00:00:09,750 --> 00:00:07,520  
i'm standing here with robonaut you may

3  
00:00:13,270 --> 00:00:09,760  
remember me as maureen robinson

4  
00:00:18,630 --> 00:00:13,280  
biochemist doctor wife and mother on the

5  
00:00:23,109 --> 00:00:19,550  
our

6  
00:00:26,070 --> 00:00:23,119  
jupiter 2

7  
00:00:30,230 --> 00:00:26,080  
took us to amazing places

8  
00:00:32,790 --> 00:00:30,240  
and presented us with complex challenges

9  
00:00:35,990 --> 00:00:32,800  
sometimes identified with the now famous

10  
00:00:44,310 --> 00:00:36,000  
saying danger danger will robinson

11  
00:00:47,830 --> 00:00:45,270  
now

12  
00:00:49,510 --> 00:00:47,840  
are you up for a challenge

13  
00:00:52,069 --> 00:00:49,520

nasa and i

14

00:00:54,470 --> 00:00:52,079

would like to challenge students to join

15

00:00:55,670 --> 00:00:54,480

us in exploring our world and what's

16

00:00:57,590 --> 00:00:55,680

beyond

17

00:00:59,029 --> 00:00:57,600

by studying science

18

00:01:01,990 --> 00:00:59,039

technology

19

00:01:04,950 --> 00:01:02,000

engineering and math

20

00:01:07,590 --> 00:01:04,960

sometimes referred to as stem

21

00:01:08,870 --> 00:01:07,600

you will be opening the door to a bright

22

00:01:11,670 --> 00:01:08,880

future

23

00:01:12,789 --> 00:01:11,680

imagine it explore it
