

1
00:00:08,880 --> 00:00:20,470
he's going after it now

2
00:00:20,480 --> 00:00:59,270
she said

3
00:01:17,670 --> 00:01:01,349
no i think that that's

4
00:01:17,680 --> 00:02:03,510
what was it now

5
00:02:15,990 --> 00:02:05,030
yeah i didn't think checking on board

6
00:02:24,790 --> 00:02:17,750
and

7
00:02:28,070 --> 00:02:26,550
you could have everything chugging along

8
00:02:31,030 --> 00:02:28,080
normally except that

9
00:02:31,910 --> 00:02:31,040
two lines of three starts going down

10
00:02:33,509 --> 00:02:31,920
um

11
00:03:01,750 --> 00:02:33,519
but all of a sudden feel like three just

12
00:03:15,830 --> 00:03:03,830
discovery otc closing lock advisors
