

1
00:00:04,950 --> 00:00:02,230
associated press this is houston please

2
00:00:06,950 --> 00:00:04,960
call station for a voice check

3
00:00:11,110 --> 00:00:06,960
this is the associated press how do you

4
00:00:15,270 --> 00:00:13,350
i have you loud and clear marcia

5
00:00:17,910 --> 00:00:15,280
well greetings commander kelly from the

6
00:00:19,830 --> 00:00:17,920
kennedy space center

7
00:00:21,670 --> 00:00:19,840
good to see your face

8
00:00:24,070 --> 00:00:21,680
overnight your brother put out an

9
00:00:26,470 --> 00:00:24,080
encouraging tweet he said yesterday was

10
00:00:28,950 --> 00:00:26,480
a huge day for congresswoman giffords

11
00:00:34,470 --> 00:00:28,960
and that she had made lots of progress

12
00:00:37,750 --> 00:00:35,750
well i certainly wouldn't want to

13
00:00:38,950 --> 00:00:37,760

provide any details

14

00:00:42,229 --> 00:00:38,960

above

15

00:00:44,229 --> 00:00:42,239

what he put out in the tweet

16

00:00:46,069 --> 00:00:44,239

i did talk to him today and he you know

17

00:00:47,910 --> 00:00:46,079

he said she is improving and she's

18

00:00:50,310 --> 00:00:47,920

improving every day so that's very

19

00:00:52,229 --> 00:00:50,320

encouraging

20

00:00:53,990 --> 00:00:52,239

how is mark holding up and has he

21

00:00:58,549 --> 00:00:54,000

decided yet whether to fly aboard

22

00:01:03,349 --> 00:01:01,270

well he's holding up uh very well um i

23

00:01:05,429 --> 00:01:03,359

think he's doing about as best as anyone

24

00:01:07,510 --> 00:01:05,439

could in this uh

25

00:01:09,429 --> 00:01:07,520

situation he's uh

26

00:01:11,670 --> 00:01:09,439

you know concentrating on on gabby's

27

00:01:13,350 --> 00:01:11,680

care but he's also been

28

00:01:16,070 --> 00:01:13,360

going back to work

29

00:01:17,670 --> 00:01:16,080

and as far as him making a decision

30

00:01:19,830 --> 00:01:17,680

i think we'll hear something about that

31

00:01:24,070 --> 00:01:19,840

soon i know he needs to certainly

32

00:01:24,870 --> 00:01:24,080

consult with nasa management on that and

33

00:01:26,550 --> 00:01:24,880

and

34

00:01:28,630 --> 00:01:26,560

but you know i'm encouraged we'll hear

35

00:01:29,990 --> 00:01:28,640

something about that fairly uh fairly

36

00:01:31,990 --> 00:01:30,000

soon

37

00:01:34,550 --> 00:01:32,000

well i can only imagine how hard a

38

00:01:35,350 --> 00:01:34,560

decision this is for him i i'm wondering

39

00:01:37,510 --> 00:01:35,360

it

40

00:01:39,190 --> 00:01:37,520

does he tend to lean one way or another

41

00:01:46,230 --> 00:01:39,200

is this something he's been struggling

42

00:01:51,590 --> 00:01:48,230

you know he's a pretty

43

00:01:53,190 --> 00:01:51,600

logical guy and um

44

00:01:55,109 --> 00:01:53,200

you know very thoughtful

45

00:01:57,270 --> 00:01:55,119

and will certainly weigh all the

46

00:01:59,350 --> 00:01:57,280

different considerations when uh making

47

00:02:00,950 --> 00:01:59,360

this decision and you know

48

00:02:03,030 --> 00:02:00,960

any more than that i wouldn't really

49

00:02:05,030 --> 00:02:03,040

want to elaborate and uh you know

50

00:02:06,870 --> 00:02:05,040

because he has every opportunity to let

51
00:02:09,190 --> 00:02:06,880
people know how he's feeling and which

52
00:02:11,270 --> 00:02:09,200
way he's leaning and he hasn't done that

53
00:02:12,790 --> 00:02:11,280
thus far

54
00:02:14,309 --> 00:02:12,800
one more quick question along these

55
00:02:16,390 --> 00:02:14,319
lines has he asked for your advice in

56
00:02:21,430 --> 00:02:16,400
the matter you probably know him better

57
00:02:25,270 --> 00:02:23,670
you know we we do talk about it and uh

58
00:02:27,030 --> 00:02:25,280
we have talked about the different you

59
00:02:28,550 --> 00:02:27,040
know considerations

60
00:02:30,790 --> 00:02:28,560
um

61
00:02:31,589 --> 00:02:30,800
so you know i'm confident he's gonna

62
00:02:33,990 --> 00:02:31,599
make

63
00:02:36,710 --> 00:02:34,000

a good decision in whatever decision he

64

00:02:38,390 --> 00:02:36,720

chooses i'll support them

65

00:02:40,470 --> 00:02:38,400

how is everything that's happened in the

66

00:02:42,710 --> 00:02:40,480

past month affected your own space

67

00:02:44,470 --> 00:02:42,720

mission and i'm wondering if if you want

68

00:02:46,150 --> 00:02:44,480

to get back to earth more urgently than

69

00:02:51,990 --> 00:02:46,160

you might have if if the shooting had

70

00:02:57,910 --> 00:02:54,390

that's a tough question you know

71

00:02:59,110 --> 00:02:57,920

certainly i would want to be on earth

72

00:03:07,110 --> 00:02:59,120

and uh

73

00:03:09,270 --> 00:03:07,120

and friends

74

00:03:10,949 --> 00:03:09,280

through this

75

00:03:13,350 --> 00:03:10,959

but at the same time you know i

76

00:03:16,390 --> 00:03:13,360

recognize that i have a responsibility

77

00:03:18,869 --> 00:03:16,400

here and um you know that's

78

00:03:19,750 --> 00:03:18,879

kind of the cards i was dealt so

79

00:03:21,670 --> 00:03:19,760

i don't

80

00:03:23,670 --> 00:03:21,680

never really felt like i wanted or

81

00:03:26,710 --> 00:03:23,680

needed to get back to earth as soon as

82

00:03:28,229 --> 00:03:26,720

possible um because it wasn't a

83

00:03:29,670 --> 00:03:28,239

possibility so it's something i really

84

00:03:31,589 --> 00:03:29,680

didn't consider

85

00:03:32,390 --> 00:03:31,599

uh as far as how my life has changed

86

00:03:34,229 --> 00:03:32,400

here

87

00:03:36,470 --> 00:03:34,239

uh

88

00:03:40,149 --> 00:03:36,480

i certainly spend more time on the phone

89

00:03:41,670 --> 00:03:40,159

now than i did uh prior to the the uh

90

00:03:44,710 --> 00:03:41,680

incident

91

00:03:46,630 --> 00:03:44,720

uh whereas i used to spend time looking

92

00:03:48,390 --> 00:03:46,640

out the window and taking pictures on

93

00:03:49,750 --> 00:03:48,400

earth and the little spare pictures at

94

00:03:51,110 --> 00:03:49,760

earth and the little spare time that we

95

00:03:54,229 --> 00:03:51,120

do have

96

00:03:57,670 --> 00:03:54,239

uh now much of my spare time is is taken

97

00:04:00,789 --> 00:03:57,680

up with uh phone calls and email and

98

00:04:03,110 --> 00:04:00,799

so it has changed somewhat

99

00:04:06,070 --> 00:04:03,120

have you managed to compartmentalize

100

00:04:07,990 --> 00:04:06,080

your life as astronauts um

101
00:04:09,830 --> 00:04:08,000
are trained and to do and even maybe

102
00:04:12,630 --> 00:04:09,840
it's an innate ability

103
00:04:14,470 --> 00:04:12,640
to just really focus on the job at hand

104
00:04:16,150 --> 00:04:14,480
has that been especially difficult for

105
00:04:20,069 --> 00:04:16,160
you more so than you might have imagined

106
00:04:23,189 --> 00:04:22,390
no it really hasn't i think you know

107
00:04:26,230 --> 00:04:23,199
from

108
00:04:28,390 --> 00:04:26,240
the background i i came

109
00:04:29,830 --> 00:04:28,400
you know military pilots

110
00:04:31,270 --> 00:04:29,840
and actually you know people from other

111
00:04:33,030 --> 00:04:31,280
backgrounds are the same way we're very

112
00:04:34,870 --> 00:04:33,040
good at

113
00:04:37,270 --> 00:04:34,880

you know compartmentalizing like you

114

00:04:39,430 --> 00:04:37,280

said and it's a word the military uses

115

00:04:40,710 --> 00:04:39,440

uh you know in other words focusing on

116

00:04:45,189 --> 00:04:40,720

what your

117

00:04:48,710 --> 00:04:45,199

the uh

118

00:04:50,390 --> 00:04:48,720

in the immediate time so to speak and uh

119

00:04:52,150 --> 00:04:50,400

you know trying to separate that from

120

00:04:56,310 --> 00:04:52,160

the

121

00:04:58,150 --> 00:04:56,320

more kind of global things that are

122

00:04:59,350 --> 00:04:58,160

happening around you so really to kind

123

00:05:01,350 --> 00:04:59,360

of focus in on what your

124

00:05:03,990 --> 00:05:01,360

responsibilities are my brother

125

00:05:06,550 --> 00:05:04,000

certainly is uh very good at that so

126

00:05:09,270 --> 00:05:06,560

you know if he does choose and nasa

127

00:05:11,270 --> 00:05:09,280

management chooses for him to

128

00:05:14,070 --> 00:05:11,280

uh you know fly this mission allow him

129

00:05:16,550 --> 00:05:14,080

to fly this mission i am absolutely 100

130

00:05:17,670 --> 00:05:16,560

confident that he will have um no

131

00:05:20,629 --> 00:05:17,680

problem

132

00:05:22,150 --> 00:05:20,639

uh fulfilling his responsibilities

133

00:05:24,310 --> 00:05:22,160

uh

134

00:05:26,469 --> 00:05:24,320

the same way as if this incident would

135

00:05:28,070 --> 00:05:26,479

have never occurred

136

00:05:30,550 --> 00:05:28,080

well commander it's been a pleasure

137

00:05:35,590 --> 00:05:30,560

speaking with you today um godspeed to

138

00:05:35,600 --> 00:05:43,189

thank you very much marcia

139

00:05:47,270 --> 00:05:45,270

station this is houston acr that

140

00:05:49,430 --> 00:05:47,280

concludes the associated press portion

141

00:05:51,670 --> 00:05:49,440

of the event please stand by for a voice

142

00:05:53,270 --> 00:05:51,680

check from the new york times

143

00:05:56,790 --> 00:05:53,280

station this is new york times how do

144

00:06:00,550 --> 00:05:58,950

i hear you loud and clear john

145

00:06:03,909 --> 00:06:00,560

terrific greetings commander how are you

146

00:06:08,710 --> 00:06:06,870

i'm doing great how are you pretty good

147

00:06:09,749 --> 00:06:08,720

the northeast misses you

148

00:06:11,990 --> 00:06:09,759

um

149

00:06:13,670 --> 00:06:12,000

how hard you were talking about uh

150

00:06:15,749 --> 00:06:13,680

calling the earth how hard is it for an

151

00:06:17,749 --> 00:06:15,759

astronaut to call the earth just for for

152

00:06:19,270 --> 00:06:17,759

my readers to have a general uh

153

00:06:23,510 --> 00:06:19,280

interested you don't just pick up a

154

00:06:29,350 --> 00:06:25,510

well it's a lot like making a phone call

155

00:06:32,309 --> 00:06:29,360

on you know a a internet site like skype

156

00:06:36,550 --> 00:06:32,319

for instance um you know it is a voice

157

00:06:38,790 --> 00:06:36,560

over ip phone it uses a you know off the

158

00:06:41,350 --> 00:06:38,800

shelf software to do it it's on the

159

00:06:42,629 --> 00:06:41,360

computer of course

160

00:06:45,430 --> 00:06:42,639

so

161

00:06:46,830 --> 00:06:45,440

uh it's no harder than that the other

162

00:06:48,629 --> 00:06:46,840

one one of the

163

00:06:50,710 --> 00:06:48,639

uh

164

00:06:52,550 --> 00:06:50,720

requirements we have is we need to have

165

00:06:56,230 --> 00:06:52,560

ku uh

166

00:06:58,070 --> 00:06:56,240

um a ku antenna signal with the ground

167

00:06:59,510 --> 00:06:58,080

which we don't have all the time so

168

00:07:02,309 --> 00:06:59,520

there's probably

169

00:07:03,430 --> 00:07:02,319

you know 25 of the time maybe maybe a

170

00:07:05,110 --> 00:07:03,440

little bit less

171

00:07:06,710 --> 00:07:05,120

at certain times we don't have the

172

00:07:07,830 --> 00:07:06,720

capability to make a call so you're

173

00:07:09,350 --> 00:07:07,840

always looking

174

00:07:11,350 --> 00:07:09,360

uh you know when you're thinking about

175

00:07:13,270 --> 00:07:11,360

calling whether you have ku availability

176

00:07:15,110 --> 00:07:13,280

and then you know how much time you have

177

00:07:16,629 --> 00:07:15,120

left so a lot of times if you're if

178

00:07:19,510 --> 00:07:16,639

you're on the phone call with somebody

179

00:07:21,749 --> 00:07:19,520

you gotta cut it short

180

00:07:22,870 --> 00:07:21,759

maybe shorter than you might otherwise

181

00:07:24,870 --> 00:07:22,880

uh

182

00:07:26,870 --> 00:07:24,880

otherwise want to so it's not in the

183

00:07:28,629 --> 00:07:26,880

past in the past when you were on orbit

184

00:07:31,430 --> 00:07:28,639

and something like the family crisis

185

00:07:32,790 --> 00:07:31,440

you've had happen uh you'd be you

186

00:07:33,990 --> 00:07:32,800

wouldn't have this kind of contact has

187

00:07:35,990 --> 00:07:34,000

this because the amount of contact

188

00:07:40,230 --> 00:07:36,000

you've had helped hurt what is it how

189

00:07:44,950 --> 00:07:42,309

i think it's i think it's absolutely

190

00:07:47,189 --> 00:07:44,960

great i mean not only have i had the

191

00:07:49,749 --> 00:07:47,199

capability to use the phone

192

00:07:52,550 --> 00:07:49,759

but we have email

193

00:07:54,869 --> 00:07:52,560

that is synced with our ground email

194

00:07:56,390 --> 00:07:54,879

account several times a day but we also

195

00:07:59,430 --> 00:07:56,400

have a

196

00:08:01,430 --> 00:07:59,440

an internet connection that is real time

197

00:08:02,469 --> 00:08:01,440

it's kind of like dial up so it's pretty

198

00:08:04,469 --> 00:08:02,479

slow

199

00:08:06,150 --> 00:08:04,479

but it does allow you to for instance

200

00:08:09,430 --> 00:08:06,160

access your

201
00:08:12,390 --> 00:08:09,440
you know ground-based email um so you

202
00:08:15,510 --> 00:08:12,400
can potentially send email real time

203
00:08:17,990 --> 00:08:15,520
uh you can access internet sites

204
00:08:20,070 --> 00:08:18,000
uh real time for news and we also have

205
00:08:22,150 --> 00:08:20,080
the ability to

206
00:08:23,830 --> 00:08:22,160
you know the ground to send up

207
00:08:25,110 --> 00:08:23,840
tv news so i

208
00:08:28,150 --> 00:08:25,120
you know after this happened i was

209
00:08:29,830 --> 00:08:28,160
watching the cnn a lot in my spare time

210
00:08:32,230 --> 00:08:29,840
following uh

211
00:08:34,310 --> 00:08:32,240
uh what went on i think it's a great you

212
00:08:35,589 --> 00:08:34,320
know to be able to keep in touch maybe

213
00:08:37,829 --> 00:08:35,599

other people would feel differently but

214

00:08:41,750 --> 00:08:37,839

i think it's uh you know

215

00:08:43,949 --> 00:08:41,760

i i prefer to have that uh connectivity

216

00:08:46,389 --> 00:08:43,959

now you talk a little bit about uh about

217

00:08:48,630 --> 00:08:46,399

compartmentalization uh

218

00:08:50,550 --> 00:08:48,640

how has that worked for you and how has

219

00:08:51,910 --> 00:08:50,560

it worked for your brother in in working

220

00:08:56,870 --> 00:08:51,920

through some of the decisions that he's

221

00:09:02,230 --> 00:09:00,230

well like i was saying earlier it's uh

222

00:09:04,310 --> 00:09:02,240

you know it's kind of our our training i

223

00:09:06,949 --> 00:09:04,320

think um

224

00:09:07,670 --> 00:09:06,959

you know being from the military and you

225

00:09:09,269 --> 00:09:07,680

know

226

00:09:12,949 --> 00:09:09,279

test pilots and

227

00:09:13,910 --> 00:09:12,959

flying high performance airplanes uh

228

00:09:15,750 --> 00:09:13,920

you know when you're in a high

229

00:09:17,670 --> 00:09:15,760

performance airplane you really have to

230

00:09:19,990 --> 00:09:17,680

despite what might be happening in your

231

00:09:21,509 --> 00:09:20,000

personal life or things with your job or

232

00:09:23,269 --> 00:09:21,519

things on the ground you really have to

233

00:09:24,949 --> 00:09:23,279

focus on what you're doing right now

234

00:09:27,750 --> 00:09:24,959

whether that's you know

235

00:09:30,070 --> 00:09:27,760

flying a low level

236

00:09:32,550 --> 00:09:30,080

you know at low altitude

237

00:09:33,990 --> 00:09:32,560

you know dropping bombs flying you know

238

00:09:36,070 --> 00:09:34,000

air combat

239

00:09:38,949 --> 00:09:36,080

or even shooting an instrument approach

240

00:09:40,790 --> 00:09:38,959

um you know it's a life-critical kind of

241

00:09:41,990 --> 00:09:40,800

thing so it tran those kind of things

242

00:09:43,750 --> 00:09:42,000

train you

243

00:09:44,949 --> 00:09:43,760

to separate

244

00:09:46,710 --> 00:09:44,959

things that are going on in your

245

00:09:48,389 --> 00:09:46,720

personal life from

246

00:09:51,509 --> 00:09:48,399

things like you know operating a

247

00:09:53,590 --> 00:09:51,519

spacecraft which i think is uh

248

00:09:55,269 --> 00:09:53,600

you know an important uh background an

249

00:09:57,269 --> 00:09:55,279

important type of training to have in

250

00:09:59,269 --> 00:09:57,279

this kind of business

251

00:10:01,350 --> 00:09:59,279

can you describe the day that you got

252

00:10:06,790 --> 00:10:01,360

the call from peggy whitson uh what you

253

00:10:10,230 --> 00:10:09,190

you know i can't it was on the weekend

254

00:10:13,509 --> 00:10:10,240

uh

255

00:10:15,590 --> 00:10:13,519

so i wasn't that busy although we do you

256

00:10:17,670 --> 00:10:15,600

know do some work mostly housekeeping

257

00:10:19,590 --> 00:10:17,680

activities on the weekend i can't recall

258

00:10:21,750 --> 00:10:19,600

specifically what i was doing

259

00:10:26,550 --> 00:10:21,760

but the uh you know the capcom called up

260

00:10:30,069 --> 00:10:28,310

you know we're gonna privatize space to

261

00:10:33,590 --> 00:10:30,079

ground peggy whitson wants to talk to

262

00:10:36,870 --> 00:10:33,600

you and not having a heads up that

263

00:10:38,949 --> 00:10:36,880

anything was going on or or uh

264

00:10:40,870 --> 00:10:38,959

you know there was a possibility for her

265

00:10:43,190 --> 00:10:40,880

to want to talk to me directly i think

266

00:10:44,949 --> 00:10:43,200

this was the first time

267

00:10:47,990 --> 00:10:44,959

she did that

268

00:10:49,350 --> 00:10:48,000

i knew uh whatever it was it wasn't good

269

00:10:52,389 --> 00:10:49,360

and

270

00:10:53,750 --> 00:10:52,399

you know she told me gabby had been shot

271

00:10:56,630 --> 00:10:53,760

and then i uh

272

00:10:58,310 --> 00:10:56,640

it was a pretty quick conversation and i

273

00:11:00,310 --> 00:10:58,320

told her

274

00:11:02,150 --> 00:11:00,320

that uh you know i'd like as much

275

00:11:06,870 --> 00:11:02,160

information as the news is putting out

276

00:11:11,829 --> 00:11:08,870

it's interesting i actually had cnn at

277

00:11:14,150 --> 00:11:11,839

the on at the time we were watching cnn

278

00:11:15,030 --> 00:11:14,160

i watched have cnn on the weekends only

279

00:11:18,230 --> 00:11:15,040

because

280

00:11:19,670 --> 00:11:18,240

mostly to watch football on sundays they

281

00:11:21,990 --> 00:11:19,680

need to send something up so the

282

00:11:23,910 --> 00:11:22,000

configuration is correct so typically

283

00:11:24,790 --> 00:11:23,920

they'll send the news up and we had cnn

284

00:11:26,949 --> 00:11:24,800

on

285

00:11:29,030 --> 00:11:26,959

and the ground

286

00:11:31,269 --> 00:11:29,040

most likely and i need to ask this they

287

00:11:32,949 --> 00:11:31,279

probably cut it off when they saw what

288

00:11:34,310 --> 00:11:32,959

was going on until peggy got the chance

289

00:11:36,550 --> 00:11:34,320

to call me but then they turned it back

290

00:11:38,550 --> 00:11:36,560

on and i was able to follow along

291

00:11:40,790 --> 00:11:38,560

on the news and with uh updates from

292

00:11:42,310 --> 00:11:40,800

houston

293

00:11:44,069 --> 00:11:42,320

and are you hearing from other members

294

00:11:46,790 --> 00:11:44,079

of your community people reaching out to

295

00:11:49,430 --> 00:11:46,800

you i mean the the the closest thing to

296

00:11:51,750 --> 00:11:49,440

anything like this is stan county uh you

297

00:11:53,910 --> 00:11:51,760

know have you heard from folks about uh

298

00:11:55,350 --> 00:11:53,920

about what what's got it i mean what

299

00:11:59,750 --> 00:11:55,360

what mark is going through when what

300

00:12:02,870 --> 00:12:01,110

you know actually

301
00:12:05,350 --> 00:12:02,880
they actually called dan in on the day

302
00:12:07,750 --> 00:12:05,360
this happened so he was

303
00:12:09,269 --> 00:12:07,760
you know on console as as one of the

304
00:12:11,269 --> 00:12:09,279
capcoms

305
00:12:12,470 --> 00:12:11,279
when gabby was shot

306
00:12:14,870 --> 00:12:12,480
i think they brought him in just for

307
00:12:16,949 --> 00:12:14,880
this and maybe based on what had

308
00:12:18,629 --> 00:12:16,959
happened to him uh

309
00:12:21,030 --> 00:12:18,639
when he was on orbit with his mother

310
00:12:22,790 --> 00:12:21,040
being unfortunately killed in a in a car

311
00:12:25,190 --> 00:12:22,800
accident so

312
00:12:27,190 --> 00:12:25,200
um yeah so i have been able to you know

313
00:12:29,670 --> 00:12:27,200

talk to dan and other other people that

314

00:12:31,350 --> 00:12:29,680

have had strategies i've i've actually

315

00:12:34,150 --> 00:12:31,360

had a lot of people reach out to me and

316

00:12:35,829 --> 00:12:34,160

it's really been uh you know very

317

00:12:36,790 --> 00:12:35,839

you know heartwarming i guess you could

318

00:12:39,190 --> 00:12:36,800

say that

319

00:12:41,110 --> 00:12:39,200

you know people from around the world

320

00:12:43,430 --> 00:12:41,120

you know sending messages of support not

321

00:12:44,629 --> 00:12:43,440

only to gabby and and my brother but

322

00:12:47,750 --> 00:12:44,639

also to

323

00:12:49,190 --> 00:12:47,760

me

324

00:12:51,670 --> 00:12:49,200

and uh you're talking with your brother

325

00:12:52,949 --> 00:12:51,680

pretty often uh i hate to ask again but

326

00:12:55,590 --> 00:12:52,959

where do you think this is going to play

327

00:13:00,629 --> 00:12:55,600

out do you have any sense

328

00:13:05,670 --> 00:13:03,910

oh i absolutely have a sense but uh

329

00:13:08,150 --> 00:13:05,680

you know if when mark's ready to share

330

00:13:09,590 --> 00:13:08,160

that uh with the public and when nasa's

331

00:13:11,350 --> 00:13:09,600

ready for

332

00:13:13,030 --> 00:13:11,360

you know a press release to go out

333

00:13:13,990 --> 00:13:13,040

that's uh

334

00:13:17,509 --> 00:13:14,000

you know

335

00:13:19,670 --> 00:13:17,519

i think it'd be overstepping my bounds

336

00:13:21,910 --> 00:13:19,680

to be uh you know

337

00:13:23,350 --> 00:13:21,920

speculating or not speculating but you

338

00:13:28,470 --> 00:13:23,360

know

339

00:13:29,829 --> 00:13:28,480

he's going to and nasa what nasa's

340

00:13:31,509 --> 00:13:29,839

decision is going to be i actually don't

341

00:13:34,470 --> 00:13:31,519

know what nasa's decision is going to be

342

00:13:36,310 --> 00:13:34,480

that's their that's between uh you know

343

00:13:38,069 --> 00:13:36,320

our internal management but i have

344

00:13:40,310 --> 00:13:38,079

talked to my brother and i'm pretty sure

345

00:13:41,990 --> 00:13:40,320

i know which way he's leaning

346

00:13:46,150 --> 00:13:42,000

terrific hey thanks so much for talking

347

00:13:46,160 --> 00:13:49,990

my pleasure john

348

00:13:54,230 --> 00:13:52,629

station this is houston acr
