resume training together for the mission

15

00:00:38,790 --> 00:00:36,880

targeted to launch april 19 2011.

16

00:00:41,030 --> 00:00:38,800

in the afternoon of their first day back

17

00:00:42,950 --> 00:00:41,040

together the crew practiced docking to

18

00:00:44,790 --> 00:00:42,960

the international space station in a

19

00:00:46,950 --> 00:00:44,800

domed simulator that allows the

20

00:01:10,630 --> 00:00:46,960

astronauts to visualize the shuttle's

21

00:01:10,640 --> 00:01:14,950

i'm all set three

22

00:01:52,310 --> 00:01:17,910

thirty thirty is the altitude

23

00:01:52,320 --> 00:02:00,310

is

24

00:02:00,320 --> 00:02:17,030

um

25

00:02:17,040 --> 00:02:29,030

is

26

00:02:29,040 --> 00:02:48,790

oh

27

00:02:48,800 --> 00:02:51,910

yeah so 320

28

00:02:51,920 --> 00:03:13,830

and greater than 30.
