

1  
00:00:12,730 --> 00:00:10,959  
bravery grace spirit and strength the

2  
00:00:14,589 --> 00:00:12,740  
feelings the American flag of Vulcan its

3  
00:00:16,570 --> 00:00:14,599  
citizens mirror those felt watching a

4  
00:00:18,130 --> 00:00:16,580  
national treasure the space shuttle

5  
00:00:21,310 --> 00:00:18,140  
launch on missions to explore and

6  
00:00:23,310 --> 00:00:21,320  
discover our universe the nation admires

7  
00:00:28,749 --> 00:00:23,320  
its flag in times of celebration

8  
00:00:30,040 --> 00:00:28,759  
competition war peace and tragedy a few

9  
00:00:32,589 --> 00:00:30,050  
days after the collapse of the world

10  
00:00:35,319 --> 00:00:32,599  
trade center towers on September 11 2001

11  
00:00:37,330 --> 00:00:35,329  
the National 911 flag waved in the

12  
00:00:38,979 --> 00:00:37,340  
breeze attached to the scaffolding of a

13  
00:00:41,979 --> 00:00:38,989

building directly south of the attacks

14

00:00:50,330 --> 00:00:41,989

even torn and tattered it made an impact

15

00:00:54,830 --> 00:00:53,210

as local heroes stitched a Florida

16

00:00:56,750 --> 00:00:54,840

restorative patch to the flag at the

17

00:00:59,570 --> 00:00:56,760

kennedy space center visitor complex on

18

00:01:01,130 --> 00:00:59,580

februari 18th there's this cathartic

19

00:01:02,840 --> 00:01:01,140

element well I could finally do

20

00:01:04,219 --> 00:01:02,850

something and I can hold the needle and

21

00:01:06,620 --> 00:01:04,229

thread and I could finally put a stitch

22

00:01:08,810 --> 00:01:06,630

in to try to make this whole you know

23

00:01:11,359 --> 00:01:08,820

from what was taken away from us oh this

24

00:01:14,330 --> 00:01:11,369

is awesome this is awesome is the fact

25

00:01:17,690 --> 00:01:14,340

that is here and that I'm here hood

26

00:01:19,100 --> 00:01:17,700

we'll both survive is today the flag is

27

00:01:21,109 --> 00:01:19,110

on a cross-country journey to be

28

00:01:23,090 --> 00:01:21,119

restored to its original 13 stripe

29

00:01:24,830 --> 00:01:23,100

design using pieces of fabric from

30

00:01:27,590 --> 00:01:24,840

American flags destined for retirement

31

00:01:29,270 --> 00:01:27,600

in all 50 states Kennedy's Visitor

32

00:01:31,730 --> 00:01:29,280

Complex with the official stop for the

33

00:01:33,139 --> 00:01:31,740

state of Florida the star-spangled

34

00:01:35,060 --> 00:01:33,149

banner which brings new meaning to

35

00:01:37,400 --> 00:01:35,070

national collaboration has already

36

00:01:39,550 --> 00:01:37,410

touched thousands of lives aboard the

37

00:01:41,690 --> 00:01:39,560

USS Missouri at Pearl Harbor Hawaii

38

00:01:45,680 --> 00:01:41,700

during the home opener for the New York

39

00:01:48,350 --> 00:01:45,690

Giants at Fort Hood Texas at the Gateway

40

00:01:51,889 --> 00:01:48,360

Arch in st. Louis and at Wisconsin's

41

00:01:53,870 --> 00:01:51,899

Marian University and at Kennedy's

42

00:01:55,520 --> 00:01:53,880

visitor complex as it was raised over

43

00:01:57,440 --> 00:01:55,530

the Rocket Garden where American

44

00:01:59,960 --> 00:01:57,450

ingenuity flourishes with rockets and

45

00:02:02,419 --> 00:01:59,970

capsules from NASA's Mercury Gemini and

46

00:02:05,749 --> 00:02:02,429

Apollo days you know I kind of think of

47

00:02:09,169 --> 00:02:05,759

America's is this magnificent mosaic

48

00:02:12,199 --> 00:02:09,179

it's composed of all these various

49

00:02:15,220 --> 00:02:12,209

events and various places that make us a

50

00:02:18,539 --> 00:02:15,230

special country and

51  
00:02:22,270 --> 00:02:18,549  
our history is replete with all kinds of

52  
00:02:24,369 --> 00:02:22,280  
examples of sacrifice 911 certainly is

53  
00:02:26,080 --> 00:02:24,379  
very fresh in our memories but also here

54  
00:02:28,390 --> 00:02:26,090  
at the Kennedy Space Center once

55  
00:02:30,039 --> 00:02:28,400  
complete the National 911 flag will

56  
00:02:31,960 --> 00:02:30,049  
become a part of a permanent collection

57  
00:02:33,940 --> 00:02:31,970  
of the national 911 memorial museum

58  
00:02:36,880 --> 00:02:33,950  
being built to the World Trade Center

59  
00:02:39,789 --> 00:02:36,890  
site there America's flag can evoke a

60  
00:02:42,160 --> 00:02:39,799  
sense of pride unity and hunger to keep

61  
00:02:43,809 --> 00:02:42,170  
achieving greatness just as the nation's
