00:00:17,430 --> 00:00:06,550
space

2
00:00:19,590 --> 00:00:17,440
shuttle discovery her 30-year mission to

3
00:00:21,910 --> 00:00:19,600
seek out new science to build new

4
00:00:26,230 --> 00:00:21,920
outposts to bring nations together on

5
00:01:00,709 --> 00:00:26,240
the final frontier to boldly go and do

6
00:01:00,719 --> 00:01:10,469
good morning discovery

7
00:01:13,910 --> 00:01:12,950
and good morning houston and uh

8
00:01:16,550 --> 00:01:13,920
and uh

9
00:01:18,950 --> 00:01:16,560
that was the uh i believe the second

10
00:01:20,230 --> 00:01:18,960
second most popular selection from the

11
00:01:22,230 --> 00:01:20,240
from the uh

12
00:01:24,630 --> 00:01:22,240
the song contest for the space shuttle

13
00:01:26,550 --> 00:01:24,640

program and i'd like to thank uh

14

00:01:28,469 --> 00:01:26,560

specifically william shannon for taking

15

00:01:31,670 --> 00:01:28,479

the time to record that special
