

1
00:00:02,840 --> 00:00:01,250
you'll see how its configured out there

2
00:00:04,940 --> 00:00:02,850
today you're just going to do your

3
00:00:07,099 --> 00:00:04,950
driving practical or can pick who you

4
00:00:10,310 --> 00:00:07,109
want to dry what's the modem driver are

5
00:00:11,299 --> 00:00:10,320
all going to drive it a group okay so

6
00:00:14,780 --> 00:00:11,309
we're going to give him a little extra

7
00:00:17,900 --> 00:00:14,790
special time to drive it today um and

8
00:00:19,820 --> 00:00:17,910
the driver can hook up for calm they're

9
00:00:21,500 --> 00:00:19,830
going to want you when you evacuate the

10
00:00:22,970 --> 00:00:21,510
pad if you're using this vehicle to

11
00:00:24,920 --> 00:00:22,980
clothe huge sign that gives you

12
00:00:28,160 --> 00:00:24,930
directions which way to go for the

13
00:00:31,370 --> 00:00:28,170

different pillows and then please rescue

14

00:00:34,100 --> 00:00:31,380

turn it up here today just light updated

15

00:00:35,360 --> 00:00:34,110

okay that's number one number two you're

16

00:00:38,479 --> 00:00:35,370

going to press the start button and

17

00:00:40,729 --> 00:00:38,489

it'll start the engine okay number three

18

00:00:43,520 --> 00:00:40,739

you guys shut it off when you get to

19

00:00:45,650 --> 00:00:43,530

where you are at right here in this top

20

00:00:47,150 --> 00:00:45,660

and pull switch that's the people shut

21

00:00:50,060 --> 00:00:47,160

off you just pull that back in struts

22

00:00:51,350 --> 00:00:50,070

mins mom and we will use that today so I

23

00:00:53,689 --> 00:00:51,360

wanted to make up on the accelerator the

24

00:00:57,439 --> 00:00:53,699

ramp will come up close this locks into

25

00:00:58,880 --> 00:00:57,449

the dog right there make those pictures

26

00:01:01,459 --> 00:00:58,890

all the way back and they're up when the

27

00:01:07,580 --> 00:01:01,469

ramp comes close push this all-important

28

00:01:07,590 --> 00:02:27,610

oh yeah everybody has eye protection yo

29

00:02:27,620 --> 00:03:03,830

ok

30

00:03:15,870 --> 00:03:08,190

I want to get one without your helmet

31

00:03:25,540 --> 00:03:15,880

good take your glasses off for me thanks

32

00:03:39,830 --> 00:03:34,600

I have to why middle these are just a

33

00:03:39,840 --> 00:04:55,110

give me let me get you

34

00:05:01,420 --> 00:04:57,730

so they just saw Leon just by two

35

00:05:04,089 --> 00:05:01,430

off-the-shelf captors yes record simoh

36

00:05:15,380 --> 00:05:04,099

from two different worlds yeah we'll

37

00:05:15,390 --> 00:05:24,890

what is this for

38

00:05:37,500 --> 00:05:35,790

Claire here when we're responding to the

39

00:05:39,240 --> 00:05:37,510

path and we can't hear the information

40

00:08:04,810 --> 00:05:39,250

we're getting from the internet or from
