another shuttle coming we have a taste

59  
00:04:15,190 --> 00:04:12,560

you think

65

00:04:37,590 --> 00:04:35,430

00:04:51,110 --> 00:04:48,880

large team to do the work that we have

73

00:04:52,629 --> 00:04:51,120

done in the last few months and we

74

00:04:54,950 --> 00:04:52,639

understand how much work it is on the

75

00:04:57,590 --> 00:04:54,960

ground and we appreciate all your

76

00:04:59,749 --> 00:04:57,600
