

1
00:00:41,250 --> 00:00:37,620
take them off so you're gonna be last so

2
00:00:56,190 --> 00:00:41,260
they can interview and yeah I'll ride

3
00:00:57,690 --> 00:00:56,200
with you anymore all right all right now

4
00:01:01,440 --> 00:00:57,700
since you guys there's a mosquito bait I

5
00:01:06,469 --> 00:01:01,450
got something you too thank you comes

6
00:01:18,530 --> 00:01:09,150
guys guys want one I'll grab me one

7
00:01:22,859 --> 00:01:21,180
m113 this is hard top three we're going

8
00:01:25,260 --> 00:01:22,869
to leave it at the slidewire bunker

9
00:01:27,240 --> 00:01:25,270
combination this is here and we're going

10
00:01:28,649 --> 00:01:27,250
to do your train today simply 4f of mode

11
00:01:32,100 --> 00:01:28,659
one was called and you were to come down

12
00:01:35,910 --> 00:01:32,110
by yourself we will be our team will be

13
00:01:37,469 --> 00:01:35,920

staged at 85 in two hard tops and we can

14

00:01:39,300 --> 00:01:37,479

come and catch up with you whenever we

15

00:01:41,249 --> 00:01:39,310

need to so you remember how to drive

16

00:02:28,350 --> 00:01:41,259

this and start getting away and then

17

00:02:30,000 --> 00:02:28,360

we're going to open but you squeeze the

18

00:02:31,890 --> 00:02:30,010

handle and pull it back one click and

19

00:02:34,470 --> 00:02:31,900

that puts you into drive automatic

20

00:02:36,270 --> 00:02:34,480

transmission okay the next thing you're

21

00:02:37,530 --> 00:02:36,280

doing is grab a hold of both sticks and

22

00:02:38,910 --> 00:02:37,540

you're gonna pull me back you don't have

23

00:02:40,440 --> 00:02:38,920

to press the buttons down the buttons

24

00:02:42,360 --> 00:02:40,450

are to lock them they fall forward

25

00:02:44,310 --> 00:02:42,370

you're ready to roll it okay what you're

26
00:02:46,440 --> 00:02:44,320
cupping celery those two accelerators

27
00:02:48,030 --> 00:02:46,450
there's one on the bottom and one on the

28
00:02:49,890 --> 00:02:48,040
top it all depends on how you're sitting

29
00:02:52,140 --> 00:02:49,900
in this right now we're gonna have the

30
00:02:53,580 --> 00:02:52,150
hatch open look for launch day the

31
00:03:12,070 --> 00:02:53,590
hatcher be closed and you're have your

32
00:03:17,810 --> 00:03:16,100
keep going don't stop then we'll talk to

33
00:03:19,520 --> 00:03:17,820
you and tell you when to pull over or

34
00:03:21,350 --> 00:03:19,530
whether you can open the hatch up so you

35
00:03:24,410 --> 00:03:21,360
can see little better it's the person

36
00:03:28,040 --> 00:03:24,420
that's sitting in this okay and the ramp

37
00:03:31,310 --> 00:03:28,050
is very simple these are your thoughts

38
00:03:33,020 --> 00:03:31,320

to your dogs back there so you want the

39

00:03:34,490 --> 00:03:33,030

person sitting in this seat can put the

40

00:03:36,800 --> 00:03:34,500

ramp up as you're driving away once you

41

00:03:57,440 --> 00:03:36,810

get the ramp close you pull it and lock

42

00:03:57,450 --> 00:05:59,360

down

43

00:05:59,370 --> 00:06:07,360

a bunch of men smiling

44

00:06:07,370 --> 00:07:39,980

thank you

45

00:07:59,760 --> 00:07:42,270

this is a Greek used to traffic

46

00:08:04,200 --> 00:07:59,770

negotiators I had this picture of a

47

00:08:04,860 --> 00:08:04,210

bowling alley in my head hey smiley get

48

00:08:06,600 --> 00:08:04,870

on your tippy toes

49

00:09:04,829 --> 00:08:06,610

I know I was trying to get a close-up

50

00:09:04,839 --> 00:09:15,290

the guy in the blue here went up

51

00:09:15,300 --> 00:10:38,920

good go yeah all right thanks

52

00:10:38,930 --> 00:10:55,210

perfect job

53

00:10:55,220 --> 00:11:00,389

okay all right how are we looking at

54

00:11:00,399 --> 00:11:07,710

that's why I sit outside
