

1  
00:00:25,830 --> 00:00:13,190  
good day sunshine

2  
00:00:25,840 --> 00:01:05,910  
my feelings

3  
00:01:11,590 --> 00:01:08,950  
good morning guys wake up and good luck

4  
00:01:19,990 --> 00:01:11,600  
on this your last mission

5  
00:01:24,630 --> 00:01:22,230  
good morning houston and thank you for

6  
00:01:26,630 --> 00:01:24,640  
that message people all around the world

7  
00:01:28,710 --> 00:01:26,640  
love paul mccartney's music and boy he

8  
00:01:31,109 --> 00:01:28,720  
can rest assured that people all above

9  
00:01:32,550 --> 00:01:31,119  
the earth don't love his music too so

10  
00:01:34,550 --> 00:01:32,560  
thank you for saying that we really

11  
00:01:36,870 --> 00:01:34,560  
appreciate him taking time out of his

12  
00:01:40,310 --> 00:01:36,880  
busy schedule to send us a message

13  
00:01:42,550 --> 00:01:40,320

so good morning to all you too houston

14

00:01:45,190 --> 00:01:42,560

and good morning to you atlantis and

15

00:01:47,270 --> 00:01:45,200

while i have you just a couple of words

16

00:01:49,910 --> 00:01:47,280

the execute packages on board in

17

00:01:52,469 --> 00:01:49,920

printing your go to change out the image

18

00:02:00,789 --> 00:01:52,479

cards in the kfx machine your go for

19

00:02:04,630 --> 00:02:02,230

all right thanks shannon you guys have a

20

00:02:09,270 --> 00:02:04,640

good day today too

21

00:02:14,630 --> 00:02:11,350

capcom shannon lucent there talking with

22

00:02:17,670 --> 00:02:14,640

mission specialist rex walheim after a

23

00:02:20,229 --> 00:02:17,680

wake-up song and message from

24

00:02:22,309 --> 00:02:20,239

paul mccartney this time

25

00:02:23,910 --> 00:02:22,319

wishing the crew good luck on their

26

00:02:27,670 --> 00:02:23,920

final mission

27

00:02:30,229 --> 00:02:27,680

that uh message was recorded pre-flight

28

00:02:32,150 --> 00:02:30,239

for the final shoot crew of the space of

29

00:02:33,830 --> 00:02:32,160

the space shuttle program

30

00:02:36,390 --> 00:02:33,840

this was not the first time that that

31

00:02:40,710 --> 00:02:36,400

song has been the wake-up call it was

32

00:02:45,670 --> 00:02:40,720

used to wake up crews of sts-121 and 128

33

00:02:48,070 --> 00:02:45,680

as well and in 2005 it was played live

34

00:02:49,430 --> 00:02:48,080

by paul mccartney for the expedition 12

35

00:02:51,190 --> 00:02:49,440

crew aboard the international space

36

00:02:53,190 --> 00:02:51,200

station

37

00:02:55,589 --> 00:02:53,200

that was the first ever concert link up

38

00:02:57,750 --> 00:02:55,599

to the space station

39

00:02:59,430 --> 00:02:57,760

and during it he played not only good

40

00:03:05,350 --> 00:02:59,440

day sunshine but also english tea as

41

00:03:08,869 --> 00:03:07,030

the first is um

42

00:03:12,790 --> 00:03:08,879

beatles songs have a long history being

43

00:03:14,869 --> 00:03:12,800

used as wake up uh wake up songs for

44

00:03:16,390 --> 00:03:14,879

space missions

45

00:03:19,190 --> 00:03:16,400

hard day's night was played during the

46

00:03:20,949 --> 00:03:19,200

shuttle mission sts-30

47

00:03:23,190 --> 00:03:20,959

birthday by the beatles woke up the crew

48

00:03:25,830 --> 00:03:23,200

of sts 52

49

00:03:27,430 --> 00:03:25,840

that was for mike baker on his 39th

50

00:03:29,430 --> 00:03:27,440

birthday

51  
00:03:31,030 --> 00:03:29,440  
um with a little help from my friend and

52  
00:03:33,830 --> 00:03:31,040  
a hard day's night was played for the

53  
00:03:35,270 --> 00:03:33,840  
shuttle crew on sts 61 in december of

54  
00:03:36,309 --> 00:03:35,280  
1993

55  
00:03:38,789 --> 00:03:36,319  
and

56  
00:03:41,030 --> 00:03:38,799  
parodies of the beatles hello goodbye

57  
00:03:44,309 --> 00:03:41,040  
and lay your head on my shoulder woke up

58  
00:03:46,869 --> 00:03:44,319  
the shuttle crew of sts-71

59  
00:03:50,229 --> 00:03:46,879  
birthday was played again for tom

60  
00:03:52,630 --> 00:03:50,239  
henrich's 44th 44th birthday

61  
00:03:55,110 --> 00:03:52,640  
during sds 78 and

62  
00:03:57,830 --> 00:03:55,120  
here comes the sun was used

63  
00:04:01,910 --> 00:03:57,840

during sts 97

64

00:04:08,229 --> 00:04:05,589

then paul mccartney's song with wings uh

65

00:04:10,390 --> 00:04:08,239

you gave me the answer was played

66

00:04:12,710 --> 00:04:10,400

during sts-112

67

00:04:17,030 --> 00:04:12,720

and then here comes the sun

68

00:04:20,349 --> 00:04:17,040

twice in a row uh sts-116 and sts-127

69

00:04:23,909 --> 00:04:20,359

and good day sunshine again sts 121

70

00:04:26,790 --> 00:04:23,919

sts-128 and now sts-135

71

00:04:28,950 --> 00:04:26,800

today's wake-up call again came at 11 59
