

1
00:02:08,729 --> 00:02:06,300
we're going to look upon this final

2
00:02:10,320 --> 00:02:08,739
mission as a celebration of all the

3
00:02:12,449 --> 00:02:10,330
space shuttle's accomplished over its

4
00:02:14,970 --> 00:02:12,459
30-year life spectacular to see the

5
00:02:16,500 --> 00:02:14,980
orbiter come out of the VA be it looks

6
00:02:18,690 --> 00:02:16,510
so tiny but it's really quite massive

7
00:02:20,520 --> 00:02:18,700
and it's very majestic so we're really

8
00:02:22,620 --> 00:02:20,530
happy to be here want to echo Christmas

9
00:02:24,030 --> 00:02:22,630
remarks thanks for coming and we're

10
00:02:26,339 --> 00:02:24,040
really looking forward to the messy our

11
00:02:27,570 --> 00:02:26,349
vehicle want to launch pad is just a

12
00:02:29,130 --> 00:02:27,580
tremendous site it really brings it home

13
00:02:31,740 --> 00:02:29,140

that hey this is real it also brings

14

00:02:33,030 --> 00:02:31,750

home just how big that spacecraft is so

15

00:02:34,020 --> 00:02:33,040

it's a pleasure to be here we want to

16

00:02:35,460 --> 00:02:34,030

thank all the folks from the Kennedy

17

00:03:20,820 --> 00:02:35,470

Space Center who got it to this point to

18

00:03:27,100 --> 00:03:24,070

thank you until the very end you all

19

00:03:28,480 --> 00:03:27,110

made it look the settles always going to

20

00:03:30,220 --> 00:03:28,490

be a reflection of what a great nation

21

00:03:32,530 --> 00:03:30,230

could do when it bears to be bold and

22

00:03:34,090 --> 00:03:32,540

commits the fall through without any

23

00:03:35,910 --> 00:03:34,100

majority today we're completing a

24

00:03:38,470 --> 00:03:35,920

chapter a journey that will never end

25

00:03:40,570 --> 00:03:38,480

you're the fab the man will interview

26

00:03:42,370 --> 00:03:40,580

the hearts Souls and who lives with

27

00:03:44,980 --> 00:03:42,380

cause of exploration every Jewish

28

00:03:46,900 --> 00:03:44,990

history that plagued it's all one more

29

00:03:48,880 --> 00:03:46,910

time it witnesses great nation at its

30

00:04:27,250 --> 00:03:48,890

best carruth Atlantis is ready for

31

00:04:27,260 --> 00:04:39,210

you

32

00:04:44,170 --> 00:04:42,429

called africa after Constantine wanna be

33

00:05:26,850 --> 00:04:44,180

thankful to him it's been a great

34

00:05:32,140 --> 00:05:30,250

Atlantis just OTC this day has been over

35

00:05:35,350 --> 00:05:32,150

30 years in the making there have been

36

00:05:38,980 --> 00:05:35,360

many fabulous mrs. Straus here on behalf

37

00:05:41,560 --> 00:05:38,990

of KFC launch team past and present we

38

00:05:44,200 --> 00:05:41,570

salute the entire astronaut corps for

39

00:05:46,270 --> 00:05:44,210

their dedication not only for expanding

40

00:05:48,370 --> 00:05:46,280

knowledge of the universe but for the

41

00:06:46,110 --> 00:05:48,380

improvement you have contributed to on

42

00:06:51,640 --> 00:06:49,270

bbc's go happy others go follow so test

43

00:06:54,189 --> 00:06:51,650

image s let's go let's go mother has no

44

00:06:56,260 --> 00:06:54,199

control on safety McNish article appears

45

00:06:58,210 --> 00:06:56,270

bill Ir do you go at the Rose go you

46

00:06:59,589 --> 00:06:58,220

have arranged quit watch okay perking

47

00:07:00,999 --> 00:06:59,599

now we're starting so pretty good down

48

00:07:03,010 --> 00:07:01,009

here on the ground about this one today

49

00:07:05,020 --> 00:07:03,020

so on behalf of the greatest team in the

50

00:07:06,700 --> 00:07:05,030

world good luck to you and your crew on

51
00:07:09,580 --> 00:07:06,710
the final fly of those true American

52
00:07:12,550 --> 00:07:09,590
icon so for the final time Fergie so

53
00:07:15,279 --> 00:07:12,560
standing Rex good luck recipes have a

54
00:07:18,610 --> 00:07:15,289
little fun up there NTD you slide on cue

55
00:07:20,499 --> 00:07:18,620
12 for the record I'm go corporal

56
00:07:23,520 --> 00:07:20,509
favorite team of 31 seconds to do a

57
00:07:27,730 --> 00:07:23,530
failure it's a BMX was there by a

58
00:07:29,200 --> 00:07:27,740
retracted an ftp ftp concurred fpdf pls

59
00:07:33,850 --> 00:07:29,210
but to what you've already built several

60
00:12:36,350 --> 00:07:33,860
possible resume on my mark 321 mark
