00:00:08,290 --> 00:00:12,790

My name is Lakeesha Flowers and I'm a Human Resources Specialist here and as a Human Resources

2

00:00:12,790 --> 00:00:18,430

Specialist, I share the responsibility of implementing an effective strategy for our

3

00:00:18,430 --> 00:00:19,430

workforce.

4

00:00:19,430 --> 00:00:23,000

And I play the part in bringing the right people to the right positions to make sure

5

00:00:23,000 --> 00:00:26,500

that we can get accomplished the work that makes us successful in our mission.

6

00:00:26,500 --> 00:00:30,680

What I really love about my job is the people.

7

00:00:30,680 --> 00:00:34,980

We have incredibly talented and passionate people.

8

00:00:34,980 --> 00:00:40,110

And just to be a part of that and seeing how we all come together and are successful in

9

00:00:40,110 --> 00:00:45,680

completing our missions continuously is remarkable and it's inspiring to the people.

10

00:00:45,680 --> 00:00:48,910

Because we're in such a dynamic environment, I think it's so important that we have a

11

00:00:48,910 --> 00:00:54,680

diverse workforce because with diversity comes a variety of ideas, backgrounds, perspectives

12
00:00:54,680 --> 00:01:00,360
and problems solving and when you have a variety of mindsets approaching an issue then you're

13
00:01:00,360 --> 00:01:04,760
more productive in reaching the right solution and mitigating any risks.

14
00:01:04,760 --> 00:01:11,759
NASA has such a dynamic mission and we as a Human Resources Office want to ensure that

15
00:01:11,759 --> 00:01:16,220
we're providing and supporting the Center in getting the right mix of skill sets at

16
00:01:16,220 --> 00:01:20,500
the right time and do as much as we can to cultivate a workforce that's going to be
