

WORKING IN SPACE

...the environment of space?

1
00:00:03,830 --> 00:00:02,790
innovative ways to

2
00:00:06,309 --> 00:00:03,840
uh

3
00:00:08,150 --> 00:00:06,319
communicate to students and the public

4
00:00:10,870 --> 00:00:08,160
about the value of the international

5
00:00:13,270 --> 00:00:10,880
space station is what this mission was

6
00:00:15,430 --> 00:00:13,280
all about for us this great little

7
00:00:17,189 --> 00:00:15,440
action figure was about the real life

8
00:00:21,269 --> 00:00:17,199
saga of space

9
00:00:25,670 --> 00:00:23,670
staying for 14 months on the space

10
00:00:27,990 --> 00:00:25,680
station would in fact make buzz if he

11
00:00:30,310 --> 00:00:28,000
were human the uh

12
00:00:34,310 --> 00:00:30,320
giving him the space flight duration

13
00:00:36,150 --> 00:00:34,320

record for nasa he was also however part

14

00:00:38,310 --> 00:00:36,160

of one of the most successful

15

00:00:40,310 --> 00:00:38,320

educational uh

16

00:00:42,229 --> 00:00:40,320

campaigns ever carried out by the

17

00:00:46,549 --> 00:00:42,239

government in cooperation with the

18

00:00:50,549 --> 00:00:48,630

his mission gave us the opportunity to

19

00:00:52,229 --> 00:00:50,559

not only introduce the space station and

20

00:00:54,950 --> 00:00:52,239

through these videos like you've seen

21

00:00:56,790 --> 00:00:54,960

today already we were able to work a

22

00:00:59,270 --> 00:00:56,800

number of educational programs during

23

00:01:01,750 --> 00:00:59,280

that 14 months on orbit including

24

00:01:03,910 --> 00:01:01,760

reaching tens of thousands with the

25

00:01:06,630 --> 00:01:03,920

online educational games

26

00:01:08,109 --> 00:01:06,640

hundreds of thousands of people uh

27

00:01:10,710 --> 00:01:08,119

logged in during the

28

00:01:13,270 --> 00:01:10,720

sts-124 mission especially where buzz

29

00:01:18,149 --> 00:01:13,280

reported every couple days on what the

30

00:01:22,870 --> 00:01:20,390

this buzz lightyear

31

00:01:24,870 --> 00:01:22,880

went up in space and he

32

00:01:28,469 --> 00:01:24,880

was in space longer than any astronaut

33

00:01:30,630 --> 00:01:28,479

in history and uh it was a fantastic

34

00:01:31,749 --> 00:01:30,640

program between

35

00:01:34,469 --> 00:01:31,759

nasa

36

00:01:37,270 --> 00:01:34,479

and disney to send buzz up and did a

37

00:01:39,030 --> 00:01:37,280

tremendous education program you know

38

00:01:43,510 --> 00:01:39,040

for for children all over the world and

39

00:01:48,469 --> 00:01:46,069

creating a character like buzz lightyear

40

00:01:50,149 --> 00:01:48,479

is one thing but when you actually see

41

00:01:51,270 --> 00:01:50,159

footage

42

00:01:54,550 --> 00:01:51,280

from

43

00:01:56,389 --> 00:01:54,560

the space shuttle a buzz with his wings

44

00:01:58,149 --> 00:01:56,399

out

45

00:01:59,910 --> 00:01:58,159

and he flew

46

00:02:01,910 --> 00:01:59,920

he flew weightless

47

00:02:03,670 --> 00:02:01,920

from the space shuttle

48

00:02:06,069 --> 00:02:03,680

into the space station near the

49

00:02:07,990 --> 00:02:06,079

international space station i was crying

50

00:02:13,110 --> 00:02:08,000

i was so proud and so excited to see

51
00:02:17,510 --> 00:02:15,350
so i was delighted when disney pixar

52
00:02:19,350 --> 00:02:17,520
approached the museum about donating the

53
00:02:21,589 --> 00:02:19,360
buzz lightyear figure that had flown to

54
00:02:22,949 --> 00:02:21,599
the international space station for 15

55
00:02:24,790 --> 00:02:22,959
months

56
00:02:27,270 --> 00:02:24,800
buzz lightyear joined the pantheon of

57
00:02:30,229 --> 00:02:27,280
famous space characters when toy story

58
00:02:32,790 --> 00:02:30,239
burst onto the scene in 1995 as the

59
00:02:36,790 --> 00:02:32,800
first feature-length animated movie ever

60
00:02:40,869 --> 00:02:38,949
sending buzz lightyear into space

61
00:02:43,350 --> 00:02:40,879
combined the widespread appeal of john

62
00:02:52,309 --> 00:02:43,360
lasseter's beloved animated character

63
00:02:57,589 --> 00:02:54,390

while we're here now gloved

64

00:03:10,710 --> 00:02:57,599

and uh but thank you very much

65

00:03:10,720 --> 00:03:29,990

is

66

00:03:30,000 --> 00:03:33,990

if i can reach it on the center

67

00:03:34,000 --> 00:03:37,750

probably not

68

00:03:42,070 --> 00:03:39,589

and

69

00:03:43,670 --> 00:03:42,080

got a green light

70

00:03:49,350 --> 00:03:43,680

and it looks like a

71

00:03:49,360 --> 00:04:12,149

really appreciate that 3.99

72

00:04:12,159 --> 00:04:20,150

uh

73

00:04:20,160 --> 00:04:40,950

um

74

00:04:46,150 --> 00:04:43,270

all right

75

00:04:48,550 --> 00:04:46,160

and uh break houston with that you have

76

00:04:50,870 --> 00:04:48,560

a go for jtv

77

00:05:18,310 --> 00:04:50,880

heater power up before the forward

78

00:05:18,320 --> 00:05:30,550

welcome to dinner

79

00:05:30,560 --> 00:05:51,029

feed him some porsche
