

1  
00:00:10,370 --> 00:00:07,099  
it's insane on to a we're set up in

2  
00:00:13,789 --> 00:00:10,380  
that JPM for the ceremony if you folks

3  
00:00:15,890 --> 00:00:13,799  
are ready to follow along then we are

4  
00:00:17,269 --> 00:00:15,900  
looking at six happy astronauts down

5  
00:00:27,710 --> 00:00:17,279  
here in the control center we are ready

6  
00:00:30,679 --> 00:00:27,720  
for your ceremony okay they are my

7  
00:00:36,530 --> 00:00:30,689  
friends it's a great joy for me to be

8  
00:00:39,500 --> 00:00:36,540  
here with you today for me it has been a

9  
00:00:43,040 --> 00:00:39,510  
privilege and an honor to serve as

10  
00:00:46,540 --> 00:00:43,050  
commander of the space station and to

11  
00:00:50,869 --> 00:00:46,550  
yogi's such a gift crew as well as such

12  
00:00:52,939 --> 00:00:50,879  
dedicated ground support staff at all of

13  
00:00:57,430 --> 00:00:52,949

the Mission Control Center the station

14

00:01:01,790 --> 00:00:57,440

is a compelling a couple accomplishment

15

00:01:09,609 --> 00:01:01,800

as a result of the collaborative effort

16

00:01:15,740 --> 00:01:12,020

disbanded mutual respect and

17

00:01:20,060 --> 00:01:15,750

understanding between individual people

18

00:01:25,219 --> 00:01:20,070

and nations the exploration of space is

19

00:01:30,920 --> 00:01:25,229

one of the greats opportunities for us

20

00:01:35,090 --> 00:01:30,930

to test ourselves and our limits and to

21

00:01:40,359 --> 00:01:35,100

focus our energies into a positive

22

00:01:45,350 --> 00:01:40,369

efforts that we will benefit everyone so

23

00:01:48,429 --> 00:01:45,360

Gennady it's your time to be calendar as

24

00:01:51,320 --> 00:01:48,439

I said

25

00:01:54,969 --> 00:01:51,330

okay for me it's a great honor to be

26  
00:01:57,740 --> 00:01:54,979  
crew commander for the short time and

27  
00:02:00,350 --> 00:01:57,750  
from our side I would like to express

28  
00:02:02,810 --> 00:02:00,360  
our gratefulness to vleck Donna and Ray

29  
00:02:05,240 --> 00:02:02,820  
for a great job for keeping space

30  
00:02:07,789 --> 00:02:05,250  
station a great operational condition

31  
00:02:09,830 --> 00:02:07,799  
and from our site i would like to say

32  
00:02:16,449 --> 00:02:09,840  
that we will continue to stick to these

33  
00:02:19,070 --> 00:02:16,459  
high standards that this crew has set

34  
00:02:40,140 --> 00:02:19,080  
expedition 32 is ready for the space

35  
00:02:46,199 --> 00:02:42,149  
well done expedition 31 and

36  
00:02:48,720 --> 00:02:46,209  
congratulations expedition 32 it's a

37  
00:02:51,000 --> 00:02:48,730  
pleasure to work with all of you and we

38  
00:02:52,710 --> 00:02:51,010

look forward to many days and hours

39

00:02:54,360 --> 00:02:52,720

working with you expedition 32 and

40

00:02:55,380 --> 00:02:54,370

looking forward to scheduling our
