

1  
00:00:13,120 --> 00:00:28,230  
hello

2  
00:00:28,240 --> 00:00:40,470  
hey

3  
00:00:40,480 --> 00:00:45,510  
okay take pictures take pictures

4  
00:00:53,670 --> 00:00:47,750  
did you come here to take pictures or to

5  
00:00:53,680 --> 00:00:59,670  
alexander you know you live now

6  
00:01:06,230 --> 00:01:01,270  
well you still have a chance to say

7  
00:01:38,870 --> 00:01:08,230  
good to see you

8  
00:01:44,789 --> 00:01:41,190  
you are so important

9  
00:01:56,870 --> 00:01:47,030  
this is our first time so we were like

10  
00:02:28,790 --> 00:01:59,030  
sometimes they don't really like to be

11  
00:02:28,800 --> 00:02:37,350  
god bless you

12  
00:02:54,710 --> 00:02:40,390  
well i'll stop by your room just in case

13  
00:03:17,110 --> 00:02:57,750

hey family family get together a family

14

00:03:21,990 --> 00:03:19,750

to go to baikonur and um before that we

15

00:03:24,550 --> 00:03:22,000

get to have a quick

16

00:03:25,990 --> 00:03:24,560

moment to talk to the former cosmonauts

17

00:03:27,830 --> 00:03:26,000

and the present cosmonauts and

18

00:03:29,430 --> 00:03:27,840

astronauts who are here and just for

19

00:04:10,550 --> 00:03:29,440

them to give us a well wish enough for

20

00:04:10,560 --> 00:04:17,830

oh

21

00:04:17,840 --> 00:04:40,830

foreign

22

00:04:44,230 --> 00:04:42,469

hello

23

00:05:03,029 --> 00:04:44,240

my hero

24

00:05:03,039 --> 00:05:21,029

shall we let's go

25

00:05:21,039 --> 00:05:29,350

well is everybody ready

26

00:05:29,360 --> 00:05:44,870

yes

27

00:05:44,880 --> 00:06:05,510

take your daddy by his hands

28

00:06:05,520 --> 00:06:22,870

oh

29

00:06:45,350 --> 00:06:24,870

we're like clearing the path for

30

00:06:45,360 --> 00:06:54,550

get together everybody

31

00:06:54,560 --> 00:07:07,749

you look good stay there

32

00:07:07,759 --> 00:07:27,589

together

33

00:07:53,670 --> 00:07:28,629

okay

34

00:07:56,230 --> 00:07:53,680

linens

35

00:08:13,110 --> 00:07:56,240

statue under the lenny statue

36

00:08:13,120 --> 00:08:19,430

so the crew coming over here

37

00:08:19,440 --> 00:08:35,670

i've got five minutes

38

00:08:40,389 --> 00:08:36,949

i think the most important is our

39

00:08:41,750 --> 00:08:40,399

teamwork together as a crew and we've

40

00:08:43,589 --> 00:08:41,760

taken advantage of the two and a half

41

00:08:45,829 --> 00:08:43,599

years to learn about each other and our

42

00:08:48,150 --> 00:08:45,839

families and i think we're we're one big

43

00:08:50,389 --> 00:08:48,160

team i think the most difficult part is

44

00:08:53,030 --> 00:08:50,399

probably leaving our families

45

00:08:55,110 --> 00:08:53,040

you are the symbol of the cooperation

46

00:08:57,590 --> 00:08:55,120

between

47

00:09:00,150 --> 00:08:57,600

the whole world

48

00:09:01,590 --> 00:09:00,160

united states russia

49

00:09:02,630 --> 00:09:01,600

and so on

50

00:09:03,430 --> 00:09:02,640

so

51  
00:09:05,990 --> 00:09:03,440  
what

52  
00:09:07,829 --> 00:09:06,000  
for you is mean the cooperation between

53  
00:09:10,230 --> 00:09:07,839  
the whole

54  
00:09:11,670 --> 00:09:10,240  
a parallel is i think the olympics um

55  
00:09:13,030 --> 00:09:11,680  
you know it's going to be the same time

56  
00:09:15,190 --> 00:09:13,040  
that we're up there

57  
00:09:16,870 --> 00:09:15,200  
it means cooperation and friendship

58  
00:09:18,710 --> 00:09:16,880  
learning about each other understanding

59  
00:09:21,110 --> 00:09:18,720  
each other and making for a better

60  
00:09:24,070 --> 00:09:21,120  
planet a better

61  
00:09:27,509 --> 00:09:24,080  
it's world for the whole world uh these

62  
00:09:29,590 --> 00:09:27,519  
corporations uh not just the uh cosmic

63  
00:09:31,910 --> 00:09:29,600

uh

64

00:09:33,829 --> 00:09:31,920

the political or things like that

65

00:09:35,430 --> 00:09:33,839

absolutely and i hope uh i hope what we

66

00:09:37,269 --> 00:09:35,440

do is a

67

00:09:39,910 --> 00:09:37,279

slight role model for the the rest of

68

00:09:41,430 --> 00:09:39,920

the world about how much you can do with

69

00:09:44,230 --> 00:09:41,440

international cooperation the space

70

00:09:47,269 --> 00:09:44,240

station is simply amazing uh engineering

71

00:09:48,870 --> 00:09:47,279

project scientific laboratory and that's

72

00:09:51,509 --> 00:09:48,880

what we can do when we put our minds

73

00:09:53,990 --> 00:09:51,519

together

74

00:09:57,430 --> 00:09:54,000

next question please

75

00:10:02,630 --> 00:09:57,440

you're going to be heading down today

76

00:10:06,710 --> 00:10:04,550

so it's uh it's a little bit of a

77

00:10:09,670 --> 00:10:06,720

relaxing time since we're away from all

78

00:10:11,190 --> 00:10:09,680

the uh busyness of the normal life

79

00:10:13,030 --> 00:10:11,200

and our families will miss our families

80

00:10:14,870 --> 00:10:13,040

but we'll have a chance to get some rest

81

00:10:16,870 --> 00:10:14,880

before we actually launch we have a

82

00:10:18,310 --> 00:10:16,880

chance to prepare for the very busy

83

00:10:20,230 --> 00:10:18,320

schedule that we'll have when we get

84

00:10:23,269 --> 00:10:20,240

there right away we'll have a japanese

85

00:10:26,310 --> 00:10:23,279

htv uh followed by progress followed by

86

00:10:27,829 --> 00:10:26,320

some spacewalks russian and uh usos so

87

00:10:29,990 --> 00:10:27,839

it's going to be really busy so two

88

00:10:31,990 --> 00:10:30,000

weeks down there will allow us to do our

89

00:10:33,190 --> 00:10:32,000

final preparations and get rested up and

90

00:10:34,870 --> 00:10:33,200

ready to go

91

00:10:36,470 --> 00:10:34,880

we're all we're all getting excited to

92

00:10:40,870 --> 00:10:36,480

launch in the soyuz just can't wait it's

93

00:10:46,470 --> 00:10:43,190

could you please tell us

94

00:10:48,230 --> 00:10:46,480

what how do you feel

95

00:10:49,590 --> 00:10:48,240

well we are leaving for the baikonur

96

00:10:52,150 --> 00:10:49,600

today and

97

00:10:55,030 --> 00:10:52,160

we are all excited we have our families

98

00:10:57,110 --> 00:10:55,040

and friends to say goodbye to us they

99

00:10:59,190 --> 00:10:57,120

wished us all the best

100

00:11:02,069 --> 00:10:59,200

and i'm expecting that

101

00:11:05,509 --> 00:11:02,079

we will be working very closely

102

00:11:08,230 --> 00:11:05,519

doing a lot of very interesting

103

00:11:10,550 --> 00:11:08,240

things on board the station and we are

104

00:11:12,630 --> 00:11:10,560

all excited thank you

105

00:11:40,069 --> 00:11:12,640

hi

106

00:11:40,079 --> 00:12:09,590

um

107

00:12:13,430 --> 00:12:11,509

does foreign have any

108

00:12:27,750 --> 00:12:13,440

more questions no

109

00:12:45,910 --> 00:12:29,430

we're together
