in the agency's history and will

68

00:04:41,110 --> 00:04:38,960

continue to be the foundation for the

70

00:04:44,710 --> 00:04:43,199

i'm really pleased and proud to be able

71

00:04:47,350 --> 00:04:44,720

79

00:05:03,990 --> 00:05:02,320

reach milestones we we never thought

80

00:05:06,070 --> 00:05:04,000

were possible

81

00:05:09,110 --> 00:05:06,080

whether it be the hard work leading to

82

00:05:10,870 --> 00:05:09,120

curiosity's landing this this weekend

83

00:05:13,029 --> 00:05:10,880

or the safely closing out of the space

84

00:05:15,510 --> 00:05:13,039

shuttle or the commercial crew efforts

85

00:05:17,430 --> 00:05:15,520

the sls the mpcv all the different

86

00:05:19,909 --> 00:05:17,440

00:05:29,029 --> 00:05:27,039

you've helped inspire the future

92

00:05:30,950 --> 00:05:29,039

93

00:05:32,469 --> 00:05:30,960

this year

102
00:05:49,430 --> 00:05:47,680
there's a reason that america leads the

103
00:05:51,749 --> 00:05:49,440
world in space exploration and that

104
00:05:53,110 --> 00:05:51,759

and the universe

123

00:06:39,350 --> 00:06:38,000

these accomplishments could not have

124

00:06:41,350 --> 00:06:39,360

been achieved without the innovative

125

00:06:44,070 --> 00:06:41,360

00:26:28,630 --> 00:26:15,440

independent assessment capability of the

richard j howard who could not be with

397

00:26:33,750 --> 00:26:32,159

us today

398

00:26:35,909 --> 00:26:33,760

for outstanding leadership in

399

00:26:37,990 --> 00:26:35,919

restructuring the james webb space

400

00:26:40,149 --> 00:26:38,000

telescope program nasa's highest

401
00:26:48,830 --> 00:26:40,159
priority science mission and placing it

402
00:26:53,590 --> 00:26:51,990
congratulations to all of the recipients

403
00:26:55,590 --> 00:26:53,600
before we present nasa's most

404
00:26:57,029 --> 00:26:55,600
prestigious honors the distinguished

405
00:26:59,190 --> 00:26:57,039
service medal and the distinguished

406
00:27:01,510 --> 00:26:59,200
public service medal i would like to

407
00:27:11,190 --> 00:27:01,520
invite ms garver nasa's deputy

408
00:27:16,710 --> 00:27:13,990
thank you jerry and thank you all uh for

409
00:27:20,230 --> 00:27:16,720
being here it is indeed as

410
00:27:23,590 --> 00:27:20,240
robert said a privilege to honor you the

411
00:27:25,669 --> 00:27:23,600
people who do the unbelievable work of

412
00:27:27,590 --> 00:27:25,679
nasa and if

413
00:27:30,070 --> 00:27:27,600

it didn't feel like i was a queen

414

00:27:32,149 --> 00:27:30,080

already in this job this is one of those

415

00:27:34,470 --> 00:27:32,159

days where you really get to

416

00:27:37,830 --> 00:27:34,480

live out your queen fantasies everybody

417

00:27:40,470 --> 00:27:37,840

has queen fantasies right um

418

00:27:41,669 --> 00:27:40,480

the the uh

419

00:27:44,470 --> 00:27:41,679

the

420

00:27:46,950 --> 00:27:44,480

uh analogy though for this week is that

421

00:27:48,630 --> 00:27:46,960

these are our olympic medals right you

422

00:27:52,149 --> 00:27:48,640

are our olympians you are the best of

423

00:27:54,310 --> 00:27:52,159

the best uh you are the ones who help us

424

00:27:56,230 --> 00:27:54,320

reach for new heights and reveal the

425

00:27:57,510 --> 00:27:56,240

unknown so that what we do and learn

426
00:27:59,190 --> 00:27:57,520
will benefit

427
00:28:01,510 --> 00:27:59,200
all humankind

428
00:28:03,590 --> 00:28:01,520
that is in fact what we do that is our

429
00:28:04,950 --> 00:28:03,600
our charge and we carry that out through

430
00:28:07,190 --> 00:28:04,960
unbelievable

431
00:28:09,430 --> 00:28:07,200
exploration efforts in air and space and

432
00:28:12,389 --> 00:28:09,440
if just looking at those medals we've

433
00:28:14,870 --> 00:28:12,399
already given uh and awards all the way

434
00:28:17,510 --> 00:28:14,880
from a clean audit to

435
00:28:20,389 --> 00:28:17,520
you know measuring the precise timing

436
00:28:22,549 --> 00:28:20,399
and gravity on the moon uh shows you the

437
00:28:24,710 --> 00:28:22,559
kinds of things that you all are doing

438
00:28:26,230 --> 00:28:24,720

for the american public every day so we

439

00:28:27,750 --> 00:28:26,240

thank you and honor you the

440

00:28:31,590 --> 00:28:27,760

distinguished service medals are really

441

00:28:33,590 --> 00:28:31,600

our gold medals in today's olympics

442

00:28:36,230 --> 00:28:33,600

and they recognize respectively a

443

00:28:38,630 --> 00:28:36,240

government employee or non-government

444

00:28:40,789 --> 00:28:38,640

individual whose distinguished service

445

00:28:43,269 --> 00:28:40,799

ability or vision has personally

446

00:28:45,590 --> 00:28:43,279

contributed to nasa's advancement of the

447

00:28:47,110 --> 00:28:45,600

united states interests

448

00:28:49,269 --> 00:28:47,120

the individual's achievement or

449

00:28:52,389 --> 00:28:49,279

contribution must demonstrate a level of

450

00:28:54,630 --> 00:28:52,399

excellence that has made a profound

451
00:28:57,590 --> 00:28:54,640
or indelible impact

452
00:29:00,549 --> 00:28:57,600
on nasa mission success and therefore

453
00:29:03,510 --> 00:29:00,559
the contribution is so extraordinary

454
00:29:05,669 --> 00:29:03,520
that other forms of recognition by nasa

455
00:29:09,110 --> 00:29:05,679
would be inadequate

456
00:29:12,230 --> 00:29:09,120
so that is quite a charge to

457
00:29:14,470 --> 00:29:12,240
think through as we present now the

458
00:29:17,269 --> 00:29:14,480
distinguished service medals and the

459
00:29:26,950 --> 00:29:17,279
distinguished public service medals for

460
00:29:31,029 --> 00:29:29,269
thank you ms garver for those very kind

461
00:29:33,430 --> 00:29:31,039
words

462
00:29:35,990 --> 00:29:33,440
the distinguished public service medal

463
00:29:38,630 --> 00:29:36,000

is awarded to any individual who is not

464

00:29:40,549 --> 00:29:38,640

a government employee or who was not a

465

00:29:43,510 --> 00:29:40,559

government employee during the period in

466

00:29:45,590 --> 00:29:43,520

which the service was performed

467

00:29:48,870 --> 00:29:45,600

this is the highest honor that nasa

468

00:29:53,990 --> 00:29:48,880

confers to a non-governmented individual

469

00:30:03,110 --> 00:29:54,000

today we honor five in this category
