

CATO

1
00:00:13,700 --> 00:00:11,749
we're a little too hot on the microphone

2
00:00:39,040 --> 00:00:13,710
if we could turn it down about 12

3
00:00:43,760 --> 00:00:41,270
Joe thanks for that and he's like yeah

4
00:00:51,620 --> 00:00:43,770
but that sounded good so we're good on

5
00:00:56,750 --> 00:00:51,630
the voice check there thanks at the end

6
00:01:00,320 --> 00:00:56,760
for the CSL at least for me it that did

7
00:01:05,260 --> 00:01:00,330
not work I have not been able to lock

8
00:01:08,210 --> 00:01:05,270
them actually I don't see that SS CFL

9
00:01:11,359 --> 00:01:08,220
icon on my laptop so it might be

10
00:01:15,670 --> 00:01:11,369
something different from the ground

11
00:01:19,760 --> 00:01:15,680
problem and we'll check the other laptop

12
00:03:05,710 --> 00:01:19,770
wants be finished visitor ok aki copy

13
00:03:09,280 --> 00:03:07,840

station Houston on space to ground too

14

00:03:11,860 --> 00:03:09,290

we're about a minute and a half away

15

00:03:13,600 --> 00:03:11,870

from the scheduled start but everything

16

00:04:04,940 --> 00:03:13,610

is ready and you guys can pick up

17

00:05:29,270 --> 00:04:11,000

1 2 3 5 4 3 2 1 0 kinnari loud and clear

18

00:05:29,280 --> 00:05:34,700

kk nagar star houston

19

00:05:41,230 --> 00:05:36,350

Gennady we can hear you just fine and

20

00:05:46,490 --> 00:05:41,240

we're ready for you to start okay copy

21

00:05:48,740 --> 00:05:46,500

three two one okay it's a special day

22

00:05:50,480 --> 00:05:48,750

today and before changing comment I

23

00:05:54,470 --> 00:05:50,490

would like to say some words in a dress

24

00:05:58,610 --> 00:05:54,480

to all people who participated in our

25

00:06:02,470 --> 00:05:58,620

mission preparation I all ground teams I

26
00:06:07,790 --> 00:06:02,480
was talking about MCC Houston Hansel

27
00:06:12,110 --> 00:06:07,800
Munich and the entire ISA tsukuba

28
00:06:14,360 --> 00:06:12,120
Jackson MCC Moscow this is my short

29
00:06:16,010 --> 00:06:14,370
flight as a crew commander on birthdays

30
00:06:17,290 --> 00:06:16,020
and I know that you are very very

31
00:06:19,880 --> 00:06:17,300
professional on the ground but

32
00:06:21,560 --> 00:06:19,890
nevertheless during this expedition

33
00:06:24,980 --> 00:06:21,570
schedule you exceeded all our

34
00:06:27,500 --> 00:06:24,990
extraordinary expectations by keeping us

35
00:06:30,470 --> 00:06:27,510
in a good mood by supporting us but his

36
00:06:34,040 --> 00:06:30,480
own all tiny problems be good because he

37
00:06:37,520 --> 00:06:34,050
had no one a big ones same garage to all

38
00:06:40,820 --> 00:06:37,530

old people and I would like to express

39

00:06:43,610 --> 00:06:40,830

my gratefulness to my crewmates for

40

00:06:47,650 --> 00:06:43,620

keeping great psychological climate in

41

00:06:53,840 --> 00:06:47,660

the crew and sharing everything between

42

00:06:55,490 --> 00:06:53,850

of us we got along very well thank you

43

00:06:59,690 --> 00:06:55,500

very much to everybody on the ground and

44

00:07:01,940 --> 00:06:59,700

it's time first vision should you to to

45

00:07:08,420 --> 00:07:01,950

handover comment to the new crew

46

00:07:10,310 --> 00:07:08,430

commander sunita williams well thank you

47

00:07:12,590 --> 00:07:10,320

Gennady and thank you everybody I think

48

00:07:15,200 --> 00:07:12,600

we're about ready to hand over we have

49

00:07:19,370 --> 00:07:15,210

one more day as 32 and then we'll start

50

00:07:20,780 --> 00:07:19,380

33 after the hatch closes tomorrow again

51
00:07:23,140 --> 00:07:20,790
just like a naughty said I want to thank

52
00:07:25,910 --> 00:07:23,150
everybody on the ground for preparing us

53
00:07:28,490 --> 00:07:25,920
but most of all for the last two months

54
00:07:31,040 --> 00:07:28,500
and would like to thank our 32 crew

55
00:07:33,110 --> 00:07:31,050
mates here who have taught us how to

56
00:07:35,570 --> 00:07:33,120
live and work in space and of course to

57
00:07:37,850 --> 00:07:35,580
have a lot of fun up in space in

58
00:07:41,210 --> 00:07:37,860
particularly Gennady I just wanted to

59
00:07:44,330 --> 00:07:41,220
say one thing that that's been i think

60
00:07:45,890 --> 00:07:44,340
the way you've worked is you pay more

61
00:07:47,959 --> 00:07:45,900
attention to the people that work with

62
00:07:50,569 --> 00:07:47,969
you and for you

63
00:07:53,449 --> 00:07:50,579

the people you work for and that's I

64

00:07:55,309 --> 00:07:53,459

think universal leadership and I

65

00:07:57,799 --> 00:07:55,319

appreciate all the lessons learned and

66

00:07:59,629 --> 00:07:57,809

again all the great humor that we've had

67

00:08:02,179 --> 00:07:59,639

up here it's been a lot of fun and

68

00:08:05,809 --> 00:08:02,189

that's mostly because of you and your

69

00:08:08,389 --> 00:08:05,819

crew and we hope as our crew aki and

70

00:08:11,029 --> 00:08:08,399

yuri and myself to maintain that and

71

00:08:31,180 --> 00:08:11,039

pass it on to Kevin a leg and your

72

00:08:37,570 --> 00:08:33,219

and guys thanks so much for must be a

73

00:08:40,120 --> 00:08:37,580

part of that how is it Gennady thanks

74

00:08:42,820 --> 00:08:40,130

for all your hard work over your third

75

00:08:45,250 --> 00:08:42,830

mission to ifs we really appreciate your

76

00:08:47,080 --> 00:08:45,260

efforts and leaving ISS as a better

77

00:08:52,680 --> 00:08:47,090

place than when you arrived and handing

78

00:08:54,790 --> 00:08:52,690

over a good station to sunny San garage

79

00:08:58,840 --> 00:08:54,800

because it's a little billiton know what

80

00:09:00,100 --> 00:08:58,850

it is thanks a lot Houston and sunny we

81

00:09:01,590 --> 00:09:00,110

look forward to working with you and

82

00:09:03,490 --> 00:09:01,600

your crew for another few months

83

00:09:05,530 --> 00:09:03,500

congratulations on the promotion to your

84

00:09:11,170 --> 00:09:05,540

new position we know you'll run a tight

85

00:09:13,360 --> 00:09:11,180

ship up there absolutely fair winds

86

00:09:38,329 --> 00:09:13,370

following seas soft landings to the
