

1  
00:00:43,750 --> 00:00:41,910  
our official

2  
00:00:46,709 --> 00:00:43,760  
unbirthing time for the spacex dragon

3  
00:00:49,110 --> 00:00:46,719  
spacecraft is 6 19 a.m central time 7 19

4  
00:00:50,869 --> 00:00:49,120  
a.m eastern time again

5  
00:00:53,110 --> 00:00:50,879  
the vehicle being backed away from the

6  
00:00:54,389 --> 00:00:53,120  
international space station the payloads

7  
00:00:55,590 --> 00:00:54,399  
teams are reporting that they're seeing

8  
00:00:58,229 --> 00:00:55,600  
good data

9  
00:01:00,069 --> 00:00:58,239  
on the glacier that is that freezer that

10  
00:01:01,430 --> 00:01:00,079  
has laboratory samples inside dragon

11  
00:01:03,590 --> 00:01:01,440  
they're going to monitor that through

12  
00:01:05,429 --> 00:01:03,600  
the majority of these operations to make

13  
00:01:07,750 --> 00:01:05,439

sure that all the samples are staying

14

00:01:09,109 --> 00:01:07,760

basically cold and they're seeing good

15

00:01:39,990 --> 00:01:09,119

data from that which of course is good

16

00:02:41,990 --> 00:01:41,590

the robotics officer confirming that the

17

00:02:45,750 --> 00:02:43,589

and the robotics officer confirming that

18

00:02:47,670 --> 00:02:45,760

dragon is officially released at 8 29

19

00:02:50,630 --> 00:02:47,680

a.m central time these two vehicles are

20

00:02:52,470 --> 00:02:50,640

255 miles above burma

21

00:02:54,390 --> 00:02:52,480

again dragon has been released by the

22

00:02:56,470 --> 00:02:54,400

station's crew

23

00:03:08,390 --> 00:02:56,480

it is now flying by itself as the

24

00:03:12,710 --> 00:03:10,070

the spacex team

25

00:03:13,990 --> 00:03:12,720

confirming that dragon's jets are armed

26

00:04:07,429 --> 00:03:14,000

getting ready for this first departure

27

00:04:11,589 --> 00:04:09,270

and there goes the jets dragon now

28

00:04:13,429 --> 00:04:11,599

firing itself and backing away from the

29

00:04:16,629 --> 00:04:13,439

international space station

30

00:04:18,310 --> 00:04:16,639

these two vehicles passing
