00:00:09,170 --> 00:00:14,970

My name is William Dean Badboy I am facility engineer technician number III here at the

3

00:00:16,500 --> 00:00:19,560

What I do is I maintain the Microdevices Laboratory.

4

00:00:19,560 --> 00:00:26,850

I work on the life safety systems, the water plant, all the air handling units, new installations,

5

00:00:26,850 --> 00:00:29,310

decommissioning of tools.

6

00:00:29,310 --> 00:00:34,540

I'm Ojibway from the White Earth Reservation in Northern Minnesota, reservation where my

7

00:00:34,540 --> 00:00:36,050

daughter is from.

8

00:00:36,050 --> 00:00:40,780

I want her to have the best education she can possibly get.

9

00:00:40,780 --> 00:00:43,220

I want a lot of culture in that as well.

10

00:00:43,220 --> 00:00:48,339

I went to college to be an electrician and they offered me a 10 week internship.

11

00:00:48,339 --> 00:00:54,530

The work they had me doing I really enjoyed, they then offered me a job.
