

1
00:00:06,230 --> 00:00:04,309
hello i'm kevin ford of expedition 34.

2
00:00:08,150 --> 00:00:06,240
our three crewmates sunny williams yuri

3
00:00:09,750 --> 00:00:08,160
malenchenko and akihosi they have just

4
00:00:11,669 --> 00:00:09,760
returned to earth to spend thanksgiving

5
00:00:13,030 --> 00:00:11,679
with their families and friends in

6
00:00:15,509 --> 00:00:13,040
houston

7
00:00:18,790 --> 00:00:15,519
they were with us for about four weeks

8
00:00:20,710 --> 00:00:18,800
and now uh my crewmates oleg

9
00:00:22,230 --> 00:00:20,720
novitskiy evgeny tarelkin and i will

10
00:00:24,070 --> 00:00:22,240
celebrate thanksgiving on board the

11
00:00:25,750 --> 00:00:24,080
international space station by

12
00:00:27,429 --> 00:00:25,760
celebrating all we have to be thankful

13
00:00:29,269 --> 00:00:27,439

for and one of the things i would like

14

00:00:31,189 --> 00:00:29,279

to say we're really thankful for of

15

00:00:34,229 --> 00:00:31,199

course outside of our family and friends

16

00:00:36,630 --> 00:00:34,239

is the support we receive from earth 24

17

00:00:38,790 --> 00:00:36,640

hours a day seven days a week

18

00:00:40,470 --> 00:00:38,800

all year round from our international

19

00:00:42,630 --> 00:00:40,480

flight control team so thank you for

20

00:00:43,750 --> 00:00:42,640

that support and being with us i wanted

21

00:00:45,750 --> 00:00:43,760

to show you a little bit about what

22

00:00:47,670 --> 00:00:45,760

we'll do on board for thanksgiving

23

00:00:49,670 --> 00:00:47,680

holiday let me put the mic down here in

24

00:00:52,069 --> 00:00:49,680

zero gravity for just a second

25

00:00:53,990 --> 00:00:52,079

and pull out a few of the things

26

00:00:55,110 --> 00:00:54,000

these are some of the foods that uh

27

00:00:57,830 --> 00:00:55,120

we'll share we'll have a little

28

00:00:59,510 --> 00:00:57,840

thanksgiving feast on board and we get

29

00:01:00,790 --> 00:00:59,520

food in all kinds of forms up here i'm

30

00:01:02,869 --> 00:01:00,800

going to pull things out of this little

31

00:01:04,390 --> 00:01:02,879

turkey bag here and just random order

32

00:01:06,230 --> 00:01:04,400

however they floated to the top of the

33

00:01:08,070 --> 00:01:06,240

bag this is not the way i re this is not

34

00:01:10,469 --> 00:01:08,080

the order i recommend you eat them in

35

00:01:11,990 --> 00:01:10,479

however so here's a little cornbread

36

00:01:17,350 --> 00:01:12,000

dressing

37

00:01:23,910 --> 00:01:20,070

we have also some smoked turkey of

38

00:01:29,990 --> 00:01:27,590

here's a drink that we would uh we would

39

00:01:36,789 --> 00:01:30,000

consider seasonal seasonal as a

40

00:01:43,109 --> 00:01:40,230

i will pull out also a a russian can

41

00:01:45,670 --> 00:01:43,119

it's a dessert easy yablic

42

00:01:49,990 --> 00:01:45,680

and that is an apple dessert which would

43

00:01:50,000 --> 00:01:55,030

let's see what else we got here

44

00:02:00,149 --> 00:01:58,550

i found uh in our stash some baked beans

45

00:02:03,190 --> 00:02:00,159

they can just be heated up in our own

46

00:02:13,350 --> 00:02:03,200

board oven and also some cherry peach

47

00:02:16,949 --> 00:02:14,949

i've got

48

00:02:23,270 --> 00:02:16,959

a crayon apple dessert which of course

49

00:02:31,670 --> 00:02:25,430

and let's see just a couple more things

50

00:02:37,750 --> 00:02:34,630

here's some russian more russian feud

51
00:02:40,470 --> 00:02:37,760
food it's a puree cartofunya which is uh

52
00:02:42,790 --> 00:02:40,480
oh slucum so this is uh mashed potatoes

53
00:02:44,710 --> 00:02:42,800
with onion which will also be delicious

54
00:02:46,710 --> 00:02:44,720
and all this stuff is definitely gonna

55
00:02:48,309 --> 00:02:46,720
going to be uh eaten by us

56
00:02:49,430 --> 00:02:48,319
on thanksgiving day

57
00:02:51,430 --> 00:02:49,440
of course i'll get enough for my

58
00:02:54,070 --> 00:02:51,440
crewmates too and here's uh here's a

59
00:02:55,670 --> 00:02:54,080
little packet of corn uh just uh just to

60
00:02:57,990 --> 00:02:55,680
show you what these look like that is

61
00:03:00,229 --> 00:02:58,000
still uh unprepared that corn right

62
00:03:02,630 --> 00:03:00,239
there still in its dried state after we

63
00:03:04,790 --> 00:03:02,640

hydrate it it looks something like this

64

00:03:07,030 --> 00:03:04,800

i just put some hot water in and give it

65

00:03:09,270 --> 00:03:07,040

some time and it's after about 15

66

00:03:10,309 --> 00:03:09,280

minutes it's nice and tasty and ready to

67

00:03:12,869 --> 00:03:10,319

eat again

68

00:03:14,309 --> 00:03:12,879

so we have a rehydratable food here's

69

00:03:16,630 --> 00:03:14,319

one also

70

00:03:19,589 --> 00:03:16,640

potatoes are groton that's been

71

00:03:22,949 --> 00:03:19,599

rehydrated and will be uh very uh

72

00:03:26,470 --> 00:03:22,959

delicious uh on thanksgiving day so um

73

00:03:27,350 --> 00:03:26,480

one other uh favorite of thanksgiving

74

00:03:29,670 --> 00:03:27,360

day

75

00:03:30,789 --> 00:03:29,680

is uh candied yams and i've got those

76

00:03:32,949 --> 00:03:30,799

here

77

00:03:34,149 --> 00:03:32,959

and uh let's see

78

00:03:37,030 --> 00:03:34,159

put these

79

00:03:39,589 --> 00:03:37,040

foods down just for a second

80

00:03:41,750 --> 00:03:39,599

get them all situated

81

00:03:44,830 --> 00:03:41,760

and study williams was kind enough uh to

82

00:03:49,190 --> 00:03:44,840

leave on board for us

83

00:03:51,430 --> 00:03:49,200

some some marshmallow cream so if i

84

00:03:53,750 --> 00:03:51,440

combine this candy jams with this little

85

00:03:55,589 --> 00:03:53,760

marshmallow cream this is something i

86

00:03:57,190 --> 00:03:55,599

think a lot of people like to do at

87

00:03:57,910 --> 00:03:57,200

thanksgiving time

88

00:03:59,670 --> 00:03:57,920

so

89

00:04:01,270 --> 00:03:59,680

my russian crewmates

90

00:04:04,550 --> 00:04:01,280

are not far away back in the russian

91

00:04:04,560 --> 00:04:10,630

let me see if i can find them

92

00:04:15,350 --> 00:04:12,710

so just as a final thought we'd like to

93

00:04:17,990 --> 00:04:15,360

wish you all a happy thanksgiving uh

94

00:04:20,229 --> 00:04:18,000

we're working uh today and tomorrow and

95

00:04:22,310 --> 00:04:20,239

then we'll have thanksgiving day off uh

96

00:04:24,790 --> 00:04:22,320

with the flight control teams

97

00:04:27,350 --> 00:04:24,800

so uh happy thanksgiving from expedition

98

00:04:29,909 --> 00:04:27,360

34 and i'll let oleg guinea say it in

99

00:04:31,430 --> 00:04:29,919

their native language

100

00:04:34,390 --> 00:04:31,440

hello guys

101

00:04:38,790 --> 00:04:34,400

congratulations this thanksgiving day

102

00:04:38,800 --> 00:04:43,830

thanksgiving day

103

00:04:49,189 --> 00:04:45,909

so i wish you all a very happy
