

1
00:00:06,470 --> 00:00:10,779
NASA Johnson style

2
00:00:20,900 --> 00:00:17,930
Johnson star welcome to NASA's Johnson

3
00:00:23,600 --> 00:00:20,910
Space Center we are coming in hot so

4
00:00:26,120 --> 00:00:23,610
don't burn up as we enter we do science

5
00:00:29,410 --> 00:00:26,130
every day that affects your daily life

6
00:00:32,930 --> 00:00:29,420
don't whip up for manned spaceflight

7
00:00:35,270 --> 00:00:32,940
science everywhere as we engineer the

8
00:00:37,670 --> 00:00:35,280
marvels that fly through the air and

9
00:00:40,610 --> 00:00:37,680
take us way beyond earth level science

10
00:00:42,050 --> 00:00:40,620
everywhere because engineer the marvels

11
00:00:55,069 --> 00:00:42,060
that fly through the air

12
00:00:55,079 --> 00:01:00,310
okay

13
00:01:00,320 --> 00:01:06,420

Goma today

14

00:01:06,430 --> 00:01:10,740

NASA Johnson style

15

00:01:10,750 --> 00:01:18,029

Justin sty mmm that's the Justin stop

16

00:01:18,039 --> 00:01:21,889

Justin stop

17

00:01:37,620 --> 00:01:28,789

ha

18

00:01:43,600 --> 00:01:41,170

Earth International Space Station where

19

00:01:45,910 --> 00:01:43,610

we working living space with a group of

20

00:01:48,370 --> 00:01:45,920

several nations now Japanese and

21

00:01:52,450 --> 00:01:48,380

Russians and that European charm throw

22

00:01:55,210 --> 00:01:52,460

em up like the Canada are kicking out

23

00:01:57,670 --> 00:01:55,220

research 20 that gives you defeat

24

00:02:00,580 --> 00:01:57,680

revolves around the earth science

25

00:02:03,370 --> 00:02:00,590

microgravity revolves around the earth

26

00:02:11,680 --> 00:02:03,380

Columbus JAMA destiny kicking out

27

00:02:11,690 --> 00:02:15,730

and go to stay

28

00:02:15,740 --> 00:02:28,240

- sorry

29

00:02:28,250 --> 00:02:32,560

NASA Johnson style

30

00:02:50,250 --> 00:02:40,820

judges died after Justin star chart to

31

00:02:50,260 --> 00:02:58,460

the justin sky it's amazing

32

00:03:01,790 --> 00:03:01,280

the judgment shot Brian would that's a

33

00:03:04,730 --> 00:03:01,800

lesson

34

00:03:07,490 --> 00:03:04,740

piecing fee we cannot feel the law cuz

35

00:03:10,160 --> 00:03:07,500

the lack of gravity the destinations are

36

00:03:16,260 --> 00:03:10,170

an asteroid Mars or the movie are

37

00:03:16,270 --> 00:03:27,980

four three two one

38

00:03:27,990 --> 00:03:32,430

the Justin star
