

1
00:00:24,630 --> 00:00:22,310
as the most forward deployed citizens of

2
00:00:26,710 --> 00:00:24,640
the planet at this moment

3
00:00:28,630 --> 00:00:26,720
be the first expedition crew aboard

4
00:00:30,390 --> 00:00:28,640
space station alpha

5
00:00:32,549 --> 00:00:30,400
we are well started on our journey of

6
00:00:34,790 --> 00:00:32,559
exploration and discovery

7
00:00:35,990 --> 00:00:34,800
building a foothold for men and women

8
00:00:36,790 --> 00:00:36,000
voyage and with

9
00:00:39,670 --> 00:00:36,800
us

10
00:00:42,549 --> 00:00:39,680
far away from our home planet

11
00:00:44,549 --> 00:00:42,559
we are opening the gateway to space

12
00:00:46,869 --> 00:00:44,559
for all

13
00:00:49,350 --> 00:00:46,879

as we orbit the planet every 90 minutes

14

00:00:51,830 --> 00:00:49,360

we see a world without borders and send

15

00:00:54,389 --> 00:00:51,840

our wish that all nations will work

16

00:00:57,029 --> 00:00:54,399

toward peace and harmony our world has

17

00:00:58,709 --> 00:00:57,039

changed dramatically still the iss is

18

00:01:02,069 --> 00:00:58,719

physical proof that nations can work

19

00:01:04,869 --> 00:01:02,079

together in harmony to promote peace and

20

00:01:11,270 --> 00:01:04,879

global cooperation and reach goals that

21

00:01:16,149 --> 00:01:14,550

late world i'd like to share with all

22

00:01:17,350 --> 00:01:16,159

our good portions of this great

23

00:01:20,230 --> 00:01:17,360

adventure

24

00:01:21,510 --> 00:01:20,240

our wonder and excitement of the earth's

25

00:01:24,070 --> 00:01:21,520

splendor

26

00:01:33,030 --> 00:01:24,080

and our strong sense that the human

27

00:01:36,710 --> 00:01:34,710

times are hard all over the world but

28

00:01:39,190 --> 00:01:36,720

this is a time when we can all think

29

00:01:41,030 --> 00:01:39,200

about being together and treasuring our
