

HATCH

EXPLORE LIKE
A CHAMPION
TODAY

1
00:00:03,030 --> 00:00:01,670
happy new year from the international

2
00:00:04,789 --> 00:00:03,040
space station

3
00:00:06,309 --> 00:00:04,799
i'm kevin ford currently commander of

4
00:00:07,909 --> 00:00:06,319
expedition 34

5
00:00:09,190 --> 00:00:07,919
and a proud alumnus of the university of

6
00:00:10,390 --> 00:00:09,200
notre dame

7
00:00:12,310 --> 00:00:10,400
i hope you don't mind me taking

8
00:00:14,310 --> 00:00:12,320
advantage of my little soapbox here to

9
00:00:16,470 --> 00:00:14,320
wish my irish their best game of the

10
00:00:19,029 --> 00:00:16,480
season during the upcoming battle with

11
00:00:20,150 --> 00:00:19,039
the crimson tide in miami

12
00:00:22,150 --> 00:00:20,160
now the first thing you're probably

13
00:00:23,830 --> 00:00:22,160

wondering is why am i wearing this kent

14

00:00:24,790 --> 00:00:23,840

state shirt and there are a couple

15

00:00:26,470 --> 00:00:24,800

reasons

16

00:00:27,670 --> 00:00:26,480

one is because kent state was awesome

17

00:00:29,509 --> 00:00:27,680

this year

18

00:00:32,069 --> 00:00:29,519

congratulations to them

19

00:00:33,830 --> 00:00:32,079

and another is because my trainer at

20

00:00:36,389 --> 00:00:33,840

nasa my strength and conditioning

21

00:00:38,150 --> 00:00:36,399

trainer is a graduate of kent state and

22

00:00:39,910 --> 00:00:38,160

he gave me this shirt to fly

23

00:00:41,510 --> 00:00:39,920

but i'm wearing it right this second in

24

00:00:43,430 --> 00:00:41,520

honor of a man who last coached the

25

00:00:46,790 --> 00:00:43,440

irish to a national championship back in

26

00:00:48,869 --> 00:00:46,800

1988 our living legend lou holtz who is

27

00:01:00,630 --> 00:00:48,879

also a graduate of kent state

28

00:01:03,750 --> 00:01:02,389

even as i prepared for and launched on

29

00:01:05,030 --> 00:01:03,760

this mission

30

00:01:06,950 --> 00:01:05,040

i've been following the irish on the

31

00:01:09,350 --> 00:01:06,960

gridiron this entire season

32

00:01:12,070 --> 00:01:09,360

from russia and then kazakhstan and then

33

00:01:13,670 --> 00:01:12,080

since october 23rd from space i've

34

00:01:15,350 --> 00:01:13,680

watched this team play about half their

35

00:01:18,070 --> 00:01:15,360

season from earth orbit and every time i

36

00:01:20,550 --> 00:01:18,080

go around this planet they're better

37

00:01:22,390 --> 00:01:20,560

even my russian cosmonaut crewmates oleg

38

00:01:24,710 --> 00:01:22,400

and evgeny have been following the irish

39

00:01:27,749 --> 00:01:24,720

along with me and we are pumped for this

40

00:01:29,030 --> 00:01:27,759

big game hey guys come here

41

00:01:31,510 --> 00:01:29,040

what do you have to say about the big

42

00:01:31,520 --> 00:01:35,030

let's go irish

43

00:01:35,040 --> 00:01:38,310

roll tight

44

00:01:41,590 --> 00:01:39,590

looks like there might be a little head
