

1
00:00:05,839 --> 00:00:28,230
ah

2
00:00:32,229 --> 00:00:29,429
deputy

3
00:00:34,709 --> 00:00:32,239
head of the chief designing office

4
00:00:45,750 --> 00:00:34,719
our crew is absolutely ready for the

5
00:00:45,760 --> 00:01:00,389
street

6
00:01:00,399 --> 00:01:25,749
yes

7
00:01:51,830 --> 00:01:27,109
especially

8
00:01:51,840 --> 00:02:14,630
um

9
00:02:14,640 --> 00:03:25,750
thank you

10
00:03:25,760 --> 00:03:34,869
foreign

11
00:03:34,879 --> 00:03:46,789
okay

12
00:04:58,469 --> 00:04:07,670
um

13
00:04:58,479 --> 00:05:39,909

is

14

00:05:39,919 --> 00:05:57,670

thank you

15

00:05:57,680 --> 00:06:27,749

what's insane

16

00:06:27,759 --> 00:06:43,350

okay

17

00:06:43,360 --> 00:07:29,189

oh

18

00:07:29,199 --> 00:07:53,830

um

19

00:07:53,840 --> 00:08:17,589

currently

20

00:08:17,599 --> 00:08:32,389

oh

21

00:08:32,399 --> 00:09:29,670

me

22

00:09:29,680 --> 00:10:24,710

um

23

00:10:24,720 --> 00:10:56,710

foreign

24

00:10:56,720 --> 00:11:23,750

thank you

25

00:11:23,760 --> 00:11:39,670

um

26

00:11:39,680 --> 00:11:51,430

yet

27

00:12:49,829 --> 00:12:09,350

is

28

00:12:49,839 --> 00:13:11,430

three shots

29

00:13:17,110 --> 00:13:13,910

i used to play quite a bit

30

00:13:21,430 --> 00:13:17,120

college i used to have my own darts

31

00:13:21,440 --> 00:13:51,350

uh

32

00:13:51,360 --> 00:14:19,110

yes

33

00:14:19,120 --> 00:14:37,189

okay

34

00:14:37,199 --> 00:14:45,910

it's

35

00:14:45,920 --> 00:15:36,150

yes

36

00:15:36,160 --> 00:15:50,710

gonna bury it forever

37

00:15:50,720 --> 00:16:21,430

okay

38

00:16:21,440 --> 00:16:25,030

it's the first time for me

39

00:17:01,430 --> 00:16:26,150

i

40

00:17:01,440 --> 00:17:07,750

a lot of other plants

41

00:17:07,760 --> 00:18:03,909

in my yard

42

00:18:08,150 --> 00:18:05,990

questions for nasa tv and well look at

43

00:18:11,190 --> 00:18:08,160

please answer in english and italian

44

00:18:12,950 --> 00:18:11,200

sure you've been here for about a week

45

00:18:15,190 --> 00:18:12,960

and it's about the week of your final

46

00:18:18,630 --> 00:18:15,200

launch preparation so how can you sum it

47

00:18:20,310 --> 00:18:18,640

up so and what is your impression of it

48

00:18:21,590 --> 00:18:20,320

it's it's been fantastic it's a lot

49

00:18:23,669 --> 00:18:21,600

different than the last time we're here

50

00:18:25,510 --> 00:18:23,679

in december obviously it's been nice to

51

00:18:27,590 --> 00:18:25,520

be able to do things outside

52

00:18:30,470 --> 00:18:27,600

and the the ceremonial traditions we do

53

00:18:31,750 --> 00:18:30,480

are always always a lot of fun um

54

00:18:34,390 --> 00:18:31,760

haven't really started getting nervous

55

00:18:35,750 --> 00:18:34,400

yet or anxious really yet i think we're

56

00:18:37,750 --> 00:18:35,760

just getting some

57

00:18:40,950 --> 00:18:37,760

good last minute training in and then

58

00:18:42,870 --> 00:18:40,960

relaxing it's been great

59

00:18:45,029 --> 00:18:42,880

i have to agree with karen it's uh it's

60

00:18:47,190 --> 00:18:45,039

always nice being here uh certainly

61

00:18:47,990 --> 00:18:47,200

nicer this time as prying crew

62

00:18:49,510 --> 00:18:48,000

with

63

00:18:51,029 --> 00:18:49,520

first of all because we know that one

64

00:18:52,789 --> 00:18:51,039

week from now we'll be strapped in our

65

00:18:54,390 --> 00:18:52,799

rocket and then because the weather is

66

00:18:56,630 --> 00:18:54,400

so much nicer that the company is

67

00:18:59,430 --> 00:18:56,640

fantastic the food is great we have time

68

00:19:00,870 --> 00:18:59,440

to work out to relax to study

69

00:19:02,390 --> 00:19:00,880

but certainly

70

00:19:04,870 --> 00:19:02,400

like karen said

71

00:19:06,390 --> 00:19:04,880

i don't feel that tension yet it's

72

00:19:08,870 --> 00:19:06,400

somehow it feels that the flight is

73

00:19:11,110 --> 00:19:08,880

still is still away and i noticed that

74

00:19:12,950 --> 00:19:11,120

last time as a backup i was looking at

75

00:19:15,510 --> 00:19:12,960

the crew that was about to launch and

76

00:19:17,510 --> 00:19:15,520

they were calm and quiet and it's the

77

00:19:19,669 --> 00:19:17,520

same for us i think it will come will

78

00:19:21,430 --> 00:19:19,679

sneak up on us when it's time to to get

79

00:20:01,990 --> 00:19:21,440

ready
