

Luca Parmitano

1
00:00:07,670 --> 00:00:02,389
station this is houston are you ready

2
00:00:14,629 --> 00:00:10,390
houston this is luca on columbus and i'm

3
00:00:24,710 --> 00:00:16,710
esa this is mission control houston

4
00:00:24,720 --> 00:00:28,150
station this is isa

5
00:00:28,160 --> 00:00:33,750
how do you read me

6
00:00:43,030 --> 00:00:35,830
i read you loud and clear welcome

7
00:00:46,869 --> 00:00:44,950
i give now the word to either director

8
00:00:49,350 --> 00:00:46,879
of human space flight and operations

9
00:00:51,590 --> 00:00:49,360
thomas reiter

10
00:00:52,310 --> 00:00:51,600
good afternoon luca it's great to see

11
00:00:58,549 --> 00:00:52,320
you

12
00:00:59,510 --> 00:00:58,559
i have to say after this remarkable eva

13
00:01:02,389 --> 00:00:59,520

with

14

00:01:04,630 --> 00:01:02,399

some small hurdles i'm

15

00:01:07,230 --> 00:01:04,640

very happy to see you there in in good

16

00:01:09,109 --> 00:01:07,240

health and being with us first of all

17

00:01:11,510 --> 00:01:09,119

congratulations to

18

00:01:14,710 --> 00:01:11,520

the work that you have done so far we

19

00:01:17,350 --> 00:01:14,720

are following that very very closely

20

00:01:19,990 --> 00:01:17,360

as you can imagine iss is visible to all

21

00:01:22,550 --> 00:01:20,000

of us here in europe and of course we

22

00:01:24,230 --> 00:01:22,560

are following uh all the work that you

23

00:01:26,630 --> 00:01:24,240

are doing and

24

00:01:28,710 --> 00:01:26,640

will be doing in the next weeks and

25

00:01:31,030 --> 00:01:28,720

months of course we keep our fingers

26

00:01:33,670 --> 00:01:31,040

crossed that there will be a repetition

27

00:01:36,069 --> 00:01:33,680

of this eva we had this morning a

28

00:01:38,550 --> 00:01:36,079

meeting with our colleagues from aze

29

00:01:40,310 --> 00:01:38,560

from the italian air force to

30

00:01:41,910 --> 00:01:40,320

inform them a little bit what has

31

00:01:43,030 --> 00:01:41,920

actually happened what you are doing in

32

00:01:45,429 --> 00:01:43,040

the meantime

33

00:01:47,270 --> 00:01:45,439

and so everybody is well aware and we

34

00:01:49,749 --> 00:01:47,280

are very proud of you you did a great

35

00:01:52,069 --> 00:01:49,759

job in this critical situation

36

00:01:53,990 --> 00:01:52,079

now having said that luca i would like

37

00:01:57,030 --> 00:01:54,000

to hand over to

38

00:01:59,510 --> 00:01:57,040

enrico sergey the president of azee

39

00:02:01,030 --> 00:01:59,520

it's great to see you in such a good

40

00:02:03,830 --> 00:02:01,040

spirit and

41

00:02:06,630 --> 00:02:03,840

once again let's stay in touch i hand

42

00:02:06,640 --> 00:02:10,790

ciao

43

00:02:31,350 --> 00:02:12,869

i'm happy to see you in good health even

44

00:02:40,630 --> 00:02:33,270

and i'm very happy to be here and to be

45

00:02:47,910 --> 00:02:44,229

evidently you wanted us to have a thrill

46

00:02:50,150 --> 00:02:47,920

we always see you smiling and

47

00:02:55,910 --> 00:02:50,160

maybe some of the issues made it feel

48

00:03:00,390 --> 00:02:58,390

in institutions

49

00:03:03,110 --> 00:03:00,400

in situations like this one

50

00:03:14,229 --> 00:03:03,120

we remind ourselves that space is still

51
00:03:18,390 --> 00:03:16,149
and station this is houston acr we're

52
00:03:20,550 --> 00:03:18,400
having some dropouts on that mic can you

53
00:03:26,869 --> 00:03:20,560
uh please use the space to ground two p

54
00:03:26,879 --> 00:03:30,949
mr session how do you hear me now

55
00:03:30,959 --> 00:03:34,710
loud and clear sir

56
00:03:37,670 --> 00:03:36,470
thank you

57
00:03:41,509 --> 00:03:37,680
i was saying

58
00:03:45,670 --> 00:03:43,110
the one that happened this week during

59
00:03:46,789 --> 00:03:45,680
my eva reminds us that space is a

60
00:03:48,710 --> 00:03:46,799
frontier

61
00:03:50,949 --> 00:03:48,720
with dangers

62
00:03:53,509 --> 00:03:50,959
and thanks to the work of hundreds of

63
00:03:54,949 --> 00:03:53,519

people on the ground we're still able to

64

00:03:57,830 --> 00:03:54,959

perform our work

65

00:03:58,949 --> 00:03:57,840

with very high safety margins even when

66

00:04:07,830 --> 00:03:58,959

things

67

00:04:12,710 --> 00:04:10,550

i will give the microphone to

68

00:04:19,509 --> 00:04:12,720

the prime minister henry

69

00:04:23,510 --> 00:04:21,590

good day luca i don't know if it's a

70

00:04:25,350 --> 00:04:23,520

good day good evening good night what is

71

00:04:29,590 --> 00:04:25,360

it

72

00:04:31,749 --> 00:04:29,600

night

73

00:04:33,909 --> 00:04:31,759

right now it's daylight

74

00:04:36,550 --> 00:04:33,919

both from a

75

00:04:39,110 --> 00:04:36,560

point of view of uh actual time we use

76

00:04:41,590 --> 00:04:39,120

the grenade meantime

77

00:04:43,270 --> 00:04:41,600

but also it's daylight

78

00:04:45,590 --> 00:04:43,280

outside of station

79

00:04:47,909 --> 00:04:45,600

we're over the atlantic

80

00:04:53,670 --> 00:04:47,919

towards africa and the sun is shining

81

00:04:57,350 --> 00:04:56,070

i wanted to tell you how proud of you we

82

00:05:02,070 --> 00:04:57,360

are

83

00:05:03,830 --> 00:05:02,080

and to see that flag behind you that for

84

00:05:05,510 --> 00:05:03,840

us

85

00:05:07,350 --> 00:05:05,520

is a huge

86

00:05:13,990 --> 00:05:07,360

reason for pride

87

00:05:17,749 --> 00:05:15,909

for taking the time to speak with me

88

00:05:19,270 --> 00:05:17,759

today for me it's a pleasure

89

00:05:21,189 --> 00:05:19,280

to invite you on board of the space

90

00:05:22,550 --> 00:05:21,199

station

91

00:05:25,189 --> 00:05:22,560

in reality

92

00:05:28,230 --> 00:05:25,199

i'm the one to be proud of italy

93

00:05:30,310 --> 00:05:28,240

and of the system that allowed me to

94

00:05:33,510 --> 00:05:30,320

get here to station and to perform the

95

00:05:36,629 --> 00:05:33,520

activities that i've been performing

96

00:05:41,590 --> 00:05:39,110

in which the

97

00:05:43,430 --> 00:05:41,600

national sport seems to be just talking

98

00:05:45,749 --> 00:05:43,440

about the problems in italy

99

00:05:46,790 --> 00:05:45,759

we can show that italy is still going

100

00:05:49,749 --> 00:05:46,800

forward

101
00:06:01,029 --> 00:05:51,670
and it's still able to give

102
00:06:05,430 --> 00:06:03,270
what you're saying is wonderful from

103
00:06:07,749 --> 00:06:05,440
space but i also hope that messages like

104
00:06:09,749 --> 00:06:07,759
these will come from the ground

105
00:06:11,590 --> 00:06:09,759
i would like to ask you i would like to

106
00:06:14,790 --> 00:06:11,600
know a little bit more

107
00:06:28,150 --> 00:06:17,110
and also from your emotions and your

108
00:06:32,870 --> 00:06:29,430
what are the feelings that you

109
00:06:38,070 --> 00:06:32,880
experienced when you went out there

110
00:06:43,830 --> 00:06:39,590
and i would love to know what uh

111
00:06:47,830 --> 00:06:45,830
i will answer the first question first

112
00:06:50,230 --> 00:06:47,840
what's it like to look at the earth from

113
00:06:54,790 --> 00:06:52,950

one of the most beautiful things of our

114

00:07:00,870 --> 00:06:54,800

planet

115

00:07:06,550 --> 00:07:02,950

the shape of italy

116

00:07:08,150 --> 00:07:06,560

looking like a boot with its islands

117

00:07:10,629 --> 00:07:08,160

it's a marvel to behold with the

118

00:07:11,510 --> 00:07:10,639

mediterranean that shines with a deep

119

00:07:13,909 --> 00:07:11,520

blue

120

00:07:15,670 --> 00:07:13,919

scene from up the air

121

00:07:16,710 --> 00:07:15,680

i think that i understood that i

122

00:07:19,110 --> 00:07:16,720

realized

123

00:07:22,469 --> 00:07:19,120

that first of all

124

00:07:26,710 --> 00:07:24,950

neither external

125

00:07:28,710 --> 00:07:26,720

neither internal

126

00:07:30,870 --> 00:07:28,720

there is no north there's no center no

127

00:07:34,150 --> 00:07:30,880

south there's only one italy which

128

00:07:35,350 --> 00:07:34,160

geographically is one continuum

129

00:07:39,350 --> 00:07:35,360

so

130

00:07:41,990 --> 00:07:39,360

pass on to those who in italy today

131

00:07:45,589 --> 00:07:42,000

still think about divisions

132

00:07:50,070 --> 00:07:47,990

in the past it's a beautiful earth

133

00:07:52,710 --> 00:07:50,080

it's an er it's an earth that still

134

00:07:54,309 --> 00:07:52,720

makes me dream and and it's in italy

135

00:07:55,510 --> 00:07:54,319

that i miss ever since i've been living

136

00:07:57,749 --> 00:07:55,520

abroad

137

00:08:02,710 --> 00:07:57,759

about my extra vehicular activities

138

00:08:07,110 --> 00:08:04,710

i've been very happy to have during the

139

00:08:07,120 --> 00:08:14,629

extra-vehicular activities

140

00:08:18,469 --> 00:08:16,790

that i used during both my spacewalks

141

00:08:23,110 --> 00:08:18,479

this is the

142

00:08:24,790 --> 00:08:23,120

helmet that saved my life and kept me

143

00:08:28,070 --> 00:08:24,800

alive

144

00:08:30,950 --> 00:08:28,080

and saved my life in the second eva as

145

00:08:33,269 --> 00:08:30,960

you can see mr president

146

00:08:35,589 --> 00:08:33,279

there's only a very thin visor to

147

00:08:38,870 --> 00:08:35,599

separate the man from inside the suit

148

00:08:53,110 --> 00:08:38,880

from the external space

149

00:08:58,949 --> 00:08:54,790

italy and italians

150

00:09:05,590 --> 00:09:01,670

through communication words the videos

151

00:09:17,990 --> 00:09:06,790

i'm proud of

152

00:09:26,310 --> 00:09:20,630

can you give me an idea of what's it

153

00:09:31,750 --> 00:09:28,870

it's a very important question i always

154

00:10:01,509 --> 00:09:33,110

only

155

00:10:04,790 --> 00:10:03,269

the effects of fear

156

00:10:07,590 --> 00:10:04,800

are the same

157

00:10:09,509 --> 00:10:07,600

that i would experience on earth so

158

00:10:11,030 --> 00:10:09,519

higher heart rate

159

00:10:12,870 --> 00:10:11,040

adrenaline in the blood

160

00:10:15,269 --> 00:10:12,880

but while i was out there

161

00:10:18,389 --> 00:10:15,279

during the last dva so with water that

162

00:10:19,670 --> 00:10:18,399

was covering my eyes ears and nose i

163

00:10:21,590 --> 00:10:19,680

couldn't hear

164

00:10:23,910 --> 00:10:21,600

or see

165

00:10:27,509 --> 00:10:23,920

only my instinct guided me

166

00:10:32,790 --> 00:10:30,069

and the training

167

00:10:34,550 --> 00:10:32,800

brought me to think about the plan

168

00:10:37,350 --> 00:10:34,560

at that point there's no room for fear

169

00:10:39,509 --> 00:10:37,360

there's only room for

170

00:10:42,230 --> 00:10:39,519

trying to come up with a plan of action

171

00:10:44,470 --> 00:10:42,240

so in my mind

172

00:10:47,110 --> 00:10:44,480

i already had an idea of what to do if

173

00:10:49,590 --> 00:10:47,120

water would have made it to my mouth i

174

00:10:54,230 --> 00:10:49,600

would have opened the purge valve

175

00:10:59,030 --> 00:10:55,750

in case i hadn't been able to eliminate

176
00:11:02,630 --> 00:11:00,870
i thought i would have reached a certain

177
00:11:04,389 --> 00:11:02,640
altitude

178
00:11:05,269 --> 00:11:04,399
and i could have opened the el the

179
00:11:06,870 --> 00:11:05,279
helmet

180
00:11:09,750 --> 00:11:06,880
i would have probably passed out but i

181
00:11:12,389 --> 00:11:09,760
would not have drowned

182
00:11:15,350 --> 00:11:12,399
so the ability to think in a linear way

183
00:11:17,269 --> 00:11:15,360
even during risky moments is due to

184
00:11:20,069 --> 00:11:17,279
training and extraordinary training that

185
00:11:24,550 --> 00:11:21,350
both at the

186
00:11:27,269 --> 00:11:24,560
european space agency and

187
00:11:28,949 --> 00:11:27,279
the italian space agency and other

188
00:11:31,030 --> 00:11:28,959

space agencies

189

00:11:32,310 --> 00:11:31,040
so from my standpoint it's it's a

190

00:11:34,069 --> 00:11:32,320
training that

191

00:11:38,389 --> 00:11:34,079
allows us to have these

192

00:11:45,110 --> 00:11:40,470
what's it like uh living with your

193

00:11:48,870 --> 00:11:47,590
mr president this is too uh a great

194

00:11:51,110 --> 00:11:48,880
question

195

00:11:54,710 --> 00:11:51,120
so behind me you can see a symbol which

196

00:11:56,310 --> 00:11:54,720
was created in the u.s this year

197

00:11:58,629 --> 00:11:56,320
in the united states this year we

198

00:12:00,230 --> 00:11:58,639
celebrate the collaboration between the

199

00:12:01,990 --> 00:12:00,240
us and italy

200

00:12:04,949 --> 00:12:02,000
so with my colleagues i hope to be an

201
00:12:07,269 --> 00:12:04,959
example of this cooperation

202
00:12:09,030 --> 00:12:07,279
with my american colleagues with whom i

203
00:12:11,910 --> 00:12:09,040
spend the majority of my time working

204
00:12:14,150 --> 00:12:11,920
who are great people

205
00:12:16,310 --> 00:12:14,160
we share the same passion and objectives

206
00:12:17,910 --> 00:12:16,320
but also with our russian colleagues

207
00:12:20,629 --> 00:12:17,920
with whom i

208
00:12:22,150 --> 00:12:20,639
i'm having a great time i have tried to

209
00:12:25,269 --> 00:12:22,160
integrate myself

210
00:12:26,550 --> 00:12:25,279
with them by learning their language

211
00:12:31,509 --> 00:12:26,560
here on station we're the world

212
00:12:35,030 --> 00:12:33,990
completely different agencies one is

213
00:12:38,790 --> 00:12:35,040

ours

214

00:12:43,030 --> 00:12:40,949

everything is working in harmony it's an

215

00:12:47,190 --> 00:12:43,040

extra in it's an extraordinary

216

00:12:52,470 --> 00:12:48,949

can you tell me in one word what's it

217

00:12:57,750 --> 00:12:55,750

what is the day like and how many hours

218

00:13:01,030 --> 00:12:57,760

is in a day

219

00:13:06,790 --> 00:13:03,990

our day is a little bit artificial

220

00:13:11,269 --> 00:13:06,800

we have 16 dawns at 16 sunsets so we

221

00:13:11,279 --> 00:13:15,750

a natural cycle of of dawn and

222

00:13:19,350 --> 00:13:16,629

dusk

223

00:13:22,150 --> 00:13:19,360

so we have a 24 hour day which begins at

224

00:13:24,470 --> 00:13:22,160

6 00 am gmt

225

00:13:27,190 --> 00:13:24,480

so about 8 a.m in italy

226

00:13:29,509 --> 00:13:27,200

and so we get up at 6.

227

00:13:31,110 --> 00:13:29,519

and then we have a work day that is

228

00:13:33,190 --> 00:13:31,120

about eight and a half

229

00:13:35,430 --> 00:13:33,200

hours of work

230

00:13:37,269 --> 00:13:35,440

and we work until about 7pm

231

00:13:39,350 --> 00:13:37,279

at which time we have a debriefing with

232

00:13:41,350 --> 00:13:39,360

uh our agencies

233

00:13:42,870 --> 00:13:41,360

during these eight hours we do

234

00:13:45,110 --> 00:13:42,880

everything from maintenance of the

235

00:13:47,350 --> 00:13:45,120

station today i perform maintenance on

236

00:13:49,509 --> 00:13:47,360

the spacesuits that we used for the

237

00:13:51,670 --> 00:13:49,519

spacewalks and then we maintained the

238

00:13:53,189 --> 00:13:51,680

station to maintain it in good

239

00:13:56,389 --> 00:13:53,199

state

240

00:13:57,829 --> 00:13:56,399

of maintenance and then science

241

00:13:59,189 --> 00:13:57,839

and this is one of the most important

242

00:14:01,269 --> 00:13:59,199

moments because

243

00:14:04,069 --> 00:14:01,279

the science that we perform on board has

244

00:14:07,350 --> 00:14:04,079

immediate benefits for the earth

245

00:14:08,790 --> 00:14:07,360

and then of course we do exploration

246

00:14:10,870 --> 00:14:08,800

with the science that we're performing

247

00:14:13,829 --> 00:14:10,880

today and with the studies

248

00:14:27,269 --> 00:14:13,839

that we are carrying on

249

00:14:37,350 --> 00:14:29,910

without gravity we need to perform

250

00:14:40,230 --> 00:14:38,870

when you come back

251

00:14:45,750 --> 00:14:40,240

i'm waiting for you because i have so

252

00:14:51,590 --> 00:14:49,590

mr president for me it would be an honor

253

00:14:53,590 --> 00:14:51,600

to be able to meet with you and answer

254

00:14:55,670 --> 00:14:53,600

your questions and even those of all

255

00:14:57,990 --> 00:14:55,680

italians

256

00:15:01,670 --> 00:14:58,000

who i believe have many questions for me

257

00:15:04,069 --> 00:15:01,680

once i come back it will be a phase of

258

00:15:06,069 --> 00:15:04,079

giving back after receiving so much it

259

00:15:08,389 --> 00:15:06,079

will be important to give back by

260

00:15:10,829 --> 00:15:08,399

explaining what i've done

261

00:15:13,750 --> 00:15:10,839

what the italian space agency is

262

00:15:15,829 --> 00:15:13,760

doing what the international

263

00:15:17,590 --> 00:15:15,839

space agencies are doing

264

00:15:20,069 --> 00:15:17,600

and to invite people to believe in space

265

00:15:21,829 --> 00:15:20,079

and believe in italy

266

00:15:23,509 --> 00:15:21,839

in italy which is

267

00:15:26,069 --> 00:15:23,519

a place of excellence for space for

268

00:15:28,150 --> 00:15:26,079

everything space related i'd like to

269

00:15:29,990 --> 00:15:28,160

remind you that right now almost 50

270

00:15:31,990 --> 00:15:30,000

percent of the space station was built

271

00:15:34,150 --> 00:15:32,000

in italy so

272

00:15:36,310 --> 00:15:34,160

really one claim to fame that's unique

273

00:15:44,629 --> 00:15:36,320

in the world that no other country can

274

00:15:49,430 --> 00:15:47,350

yes can i can i ask you to say this

275

00:15:53,269 --> 00:15:49,440

can you can you tell everybody who's

276

00:16:00,470 --> 00:15:55,110

can you talk about the

277

00:16:06,470 --> 00:16:02,710

it's a very strong leadership

278

00:16:08,710 --> 00:16:06,480

proven by giving very important results

279

00:16:11,110 --> 00:16:08,720

with the leadership okay

280

00:16:14,550 --> 00:16:11,120

can you talk about this leadership what

281

00:16:19,030 --> 00:16:16,310

for the future what does it mean to

282

00:16:29,749 --> 00:16:19,040

invest in research

283

00:16:34,230 --> 00:16:31,430

the space station right now i'm in the

284

00:16:39,749 --> 00:16:34,240

columbus module our european lab which

285

00:16:43,189 --> 00:16:41,509

is one of the nodes where we sleep and

286

00:16:46,069 --> 00:16:43,199

spent most of our times

287

00:16:47,590 --> 00:16:46,079

also built in italy note 3 also built in

288

00:16:50,870 --> 00:16:47,600

italy

289

00:16:54,870 --> 00:16:50,880

it's the most

290

00:16:56,710 --> 00:16:54,880

station

291

00:16:59,509 --> 00:16:56,720

which is attached to cupola which is

292

00:17:02,710 --> 00:16:59,519

also built in italy and probably the

293

00:17:04,309 --> 00:17:02,720

most beautiful place on station

294

00:17:05,829 --> 00:17:04,319

right now the atv is docked to the

295

00:17:08,789 --> 00:17:05,839

station which is the most important

296

00:17:11,510 --> 00:17:08,799

transportation vehicle by esa

297

00:17:13,510 --> 00:17:11,520

and the module is built in italy so

298

00:17:17,110 --> 00:17:13,520

we can see that italy

299

00:17:19,029 --> 00:17:17,120

has a promise to exploration which is to

300

00:17:20,309 --> 00:17:19,039

continue building and innovating for

301
00:17:24,150 --> 00:17:20,319
space

302
00:17:28,950 --> 00:17:26,870
taken elsewhere

303
00:17:30,789 --> 00:17:28,960
the next

304
00:17:34,390 --> 00:17:30,799
spacecraft that will come later this

305
00:17:39,029 --> 00:17:36,630
will carry an american flag because it's

306
00:17:41,830 --> 00:17:39,039
an american project but once again the

307
00:17:43,830 --> 00:17:41,840
pressurized module was built in italy

308
00:17:46,630 --> 00:17:43,840
so a recommendation for our young who

309
00:17:48,310 --> 00:17:46,640
are our future to invest your knowledge

310
00:17:51,430 --> 00:17:48,320
and your studies

311
00:17:53,669 --> 00:17:51,440
in engineering and research in science

312
00:17:55,510 --> 00:17:53,679
in aerospace science

313
00:18:11,669 --> 00:17:55,520

because there's a lot of space in this

314

00:18:19,350 --> 00:18:13,270

and this is one of the best times to be

315

00:18:25,590 --> 00:18:22,789

you said some beautiful words really

316

00:18:27,669 --> 00:18:25,600

national pride very strong words that i

317

00:18:29,190 --> 00:18:27,679

hope will encourage all of us to do

318

00:18:30,630 --> 00:18:29,200

better so i

319

00:18:32,549 --> 00:18:30,640

truly thank you

320

00:18:34,789 --> 00:18:32,559

and uh

321

00:18:35,669 --> 00:18:34,799

we cross your fingers for you and break

322

00:18:37,430 --> 00:18:35,679

a leg

323

00:18:41,669 --> 00:18:37,440

for everything that's

324

00:18:46,310 --> 00:18:43,750

you are the witness for our country

325

00:18:47,990 --> 00:18:46,320

for our for europe and the european

326

00:18:48,789 --> 00:18:48,000

union up there

327

00:18:51,270 --> 00:18:48,799

and

328

00:18:53,029 --> 00:18:51,280

really i will be waiting for you when

329

00:18:55,990 --> 00:18:53,039

you come back in four four and a half

330

00:18:58,630 --> 00:18:56,000

months

331

00:19:03,350 --> 00:18:58,640

if you maybe have a place on the next

332

00:19:08,150 --> 00:19:06,070

mr president i am the one one more time

333

00:19:10,950 --> 00:19:08,160

that i need to thank you for your time

334

00:19:12,310 --> 00:19:10,960

and all the italians and italy for this

335

00:19:16,789 --> 00:19:12,320

privilege that

336

00:19:21,430 --> 00:19:18,710

it will be a pleasure to be able to meet

337

00:19:23,430 --> 00:19:21,440

you and even a greater pleasure

338

00:19:24,789 --> 00:19:23,440

on the next mission to have some italian

339

00:19:27,190 --> 00:19:24,799

company

340

00:19:30,549 --> 00:19:27,200

if there's room on the spacecraft that

341

00:19:32,390 --> 00:19:30,559

will uh bring me up here until then

342

00:19:34,470 --> 00:19:32,400

it will be my job

343

00:19:38,070 --> 00:19:34,480

that i feel very strongly about

344

00:19:40,710 --> 00:19:38,080

to bring our flag forward our colors

345

00:19:42,950 --> 00:19:40,720

by doing the best that i can

346

00:19:46,549 --> 00:19:42,960

the best that i can do is give 100 at

347

00:19:50,230 --> 00:19:48,549

which is something that i want to do

348

00:19:55,750 --> 00:19:50,240

until the end of our mission thank you

349

00:20:00,230 --> 00:19:57,830

thank you again keep the italian flag

350

00:20:01,830 --> 00:20:00,240

high and so the european one as well

351

00:20:03,750 --> 00:20:01,840

thank you

352

00:20:10,070 --> 00:20:03,760

the station this is houston acr that

353

00:20:14,630 --> 00:20:12,549

thank you prime minister

354

00:20:17,190 --> 00:20:14,640

issa and asi
