

1  
00:00:04,870 --> 00:00:02,149  
we'll start outside the piers docking

2  
00:00:07,110 --> 00:00:04,880  
compartment flight engineers yurichikan

3  
00:00:08,710 --> 00:00:07,120  
and misurkin had uh reviewed their

4  
00:00:11,190 --> 00:00:08,720  
timeline with specialists on the ground

5  
00:00:13,110 --> 00:00:11,200  
this morning for their planned excursion

6  
00:00:15,509 --> 00:00:13,120  
piers

7  
00:00:16,710 --> 00:00:15,519  
yurchikhin and misurkin are both out of

8  
00:00:26,630 --> 00:00:16,720  
the

9  
00:00:29,269 --> 00:00:26,640  
plus a protective cover

10  
00:00:31,990 --> 00:00:29,279  
for a laser communication system here on

11  
00:00:34,069 --> 00:00:32,000  
the starboard side

12  
00:00:37,190 --> 00:00:34,079  
looking uh back toward the aft end of

13  
00:00:39,670 --> 00:00:37,200

the station but uh trying to look over

14

00:00:50,549 --> 00:00:39,680

the truss itself as well as the

15

00:00:54,150 --> 00:00:52,709

we have towels attached to the shorts

16

00:01:08,149 --> 00:00:54,160

together

17

00:01:14,469 --> 00:01:12,469

now i am ready to receive the assembly

18

00:01:20,469 --> 00:01:14,479

uh hold on session

19

00:01:20,479 --> 00:01:24,469

okay it's done

20

00:01:24,479 --> 00:01:27,670

players

21

00:01:32,870 --> 00:01:30,469

and only after we coordinate it with you

22

00:01:38,550 --> 00:01:32,880

will start rotating the panel okay we'll

23

00:01:38,560 --> 00:01:48,389

right here

24

00:01:52,389 --> 00:01:51,510

some two hours ago in advance of

25

00:01:56,389 --> 00:01:52,399

the

26

00:01:58,709 --> 00:01:56,399

but you can see some areas of a

27

00:02:01,350 --> 00:01:58,719

discoloration there those are

28

00:02:09,029 --> 00:02:01,360

in front of where those thrusters are

29

00:02:13,990 --> 00:02:10,869

misurkin is uh

30

00:02:17,030 --> 00:02:14,000

translating along hand to hand and as he

31

00:02:19,030 --> 00:02:17,040

moves moving his uh tethers from

32

00:02:20,150 --> 00:02:19,040

one handrail to the next make sure that

33

00:02:23,350 --> 00:02:20,160

he's uh

34

00:02:24,869 --> 00:02:23,360

always connected to the station
