

1
00:00:06,309 --> 00:00:03,590
as seen from 260 miles above its surface

2
00:00:07,829 --> 00:00:06,319
our earth is a beautiful fragile place

3
00:00:09,669 --> 00:00:07,839
we are living and working on the

4
00:00:11,749 --> 00:00:09,679
international space station to learn

5
00:00:13,509 --> 00:00:11,759
about our earth and to learn how to send

6
00:00:15,350 --> 00:00:13,519
humans farther into our solar system

7
00:00:17,830 --> 00:00:15,360
than we've ever been before

8
00:00:21,269 --> 00:00:17,840
from all of us at nasa in space and on

9
00:00:23,429 --> 00:00:21,279
earth happy new year

10
00:00:26,390 --> 00:00:23,439
hi i'm nasa astronaut rick mastracchio

11
00:00:28,790 --> 00:00:26,400
on board the international space station

12
00:00:32,150 --> 00:00:28,800
i am jax astronaut coach wakata of

13
00:00:35,830 --> 00:00:34,069

and i'm nasa astronaut mike hopkins and
