

1
00:00:13,910 --> 00:00:10,950
the fact that the olympic torch is going

2
00:00:17,109 --> 00:00:13,920
to fly to the space station is very

3
00:00:19,269 --> 00:00:17,119
symbolic because olympic is a place

4
00:00:21,830 --> 00:00:19,279
where people from all over the world get

5
00:00:24,230 --> 00:00:21,840
together in one place and then through

6
00:00:25,269 --> 00:00:24,240
sports we expand or extend our

7
00:00:28,950 --> 00:00:25,279
friendship

8
00:00:30,710 --> 00:00:28,960
and iss is also a place where people

9
00:00:33,670 --> 00:00:30,720
from all over the world

10
00:00:40,869 --> 00:00:33,680
get together so it really matches the

11
00:00:46,229 --> 00:00:43,430
so as you carry the torch to orbit i

12
00:00:47,510 --> 00:00:46,239
think it reminds us all of how our lives

13
00:00:49,910 --> 00:00:47,520

are enhanced

14

00:01:12,950 --> 00:00:49,920

when all countries come together for

15

00:01:17,830 --> 00:01:14,950

and we had liftoff of the soyuz rocket

16

00:01:20,149 --> 00:01:17,840

and the trma11m spacecraft on a truly

17

00:01:21,749 --> 00:01:20,159

olympic leap delivering three more crew

18

00:01:24,469 --> 00:01:21,759

members to the international space
