

1  
00:00:10,559 --> 00:00:39,510  
if

2  
00:00:39,520 --> 00:01:04,070  
yes

3  
00:01:04,080 --> 00:01:17,670  
um

4  
00:01:17,680 --> 00:01:38,550  
foreign

5  
00:01:42,950 --> 00:01:40,069  
see what is it like seeing your

6  
00:01:44,310 --> 00:01:42,960  
spacecraft ready to play it's great yeah

7  
00:01:46,069 --> 00:01:44,320  
it's looking great inside there

8  
00:01:59,670 --> 00:01:46,079  
everything's wonderful i'm just looking

9  
00:01:59,680 --> 00:02:06,830  
come on out here we'll uh if it's

10  
00:02:06,840 --> 00:02:30,630  
okay come over here

11  
00:02:36,070 --> 00:02:32,790  
so first of all

12  
00:02:39,030 --> 00:02:36,080  
as a commander of the vehicle i'd like

13  
00:02:41,830 --> 00:02:39,040

to express my gratitude to everybody who

14

00:02:45,830 --> 00:02:41,840

prepared this vehicle for flight

15

00:02:49,030 --> 00:02:46,869

and

16

00:02:51,430 --> 00:02:49,040

i'm very grateful could you please speak

17

00:02:54,150 --> 00:02:51,440

close to the mic

18

00:02:57,430 --> 00:02:54,160

and we got acquainted with the position

19

00:03:01,910 --> 00:02:57,440

of the cargo items

20

00:03:01,920 --> 00:03:09,190

everything necessary is close at hand

21

00:03:16,869 --> 00:03:11,589

there are some small final touches left

22

00:03:22,229 --> 00:03:19,030

so i don't really have much to say

23

00:03:28,229 --> 00:03:25,430

thank you very much for the spacecraft

24

00:03:31,509 --> 00:03:28,239

the spacecraft is fully ready

25

00:03:31,519 --> 00:03:57,190

thank you very much

26

00:03:57,200 --> 00:04:12,789

watch the camera

27

00:04:19,749 --> 00:04:16,949

we have an outstanding exhibit

28

00:04:21,749 --> 00:04:19,759

it was sent to us by

29

00:04:24,469 --> 00:04:21,759

old guys this very first computer our

30

00:04:27,110 --> 00:04:24,479

cosmodrome the machine

31

00:04:29,590 --> 00:04:27,120

that's called ural it was assembled by

32

00:04:32,390 --> 00:04:29,600

the officers of our

33

00:04:34,550 --> 00:04:32,400

military the soviet military

34

00:04:37,030 --> 00:04:34,560

officers were gathered together and they

35

00:04:39,430 --> 00:04:37,040

had the task to assemble

36

00:04:55,510 --> 00:04:39,440

this particular computer during several

37

00:04:59,990 --> 00:04:57,830

i'm here in the corner as a crew member

38

00:05:02,150 --> 00:05:00,000

not the simple crew member i need a big

39

00:05:04,230 --> 00:05:02,160

big autograph

40

00:05:06,150 --> 00:05:04,240

when the search and rescue team found it

41

00:05:08,390 --> 00:05:06,160

they were really surprised it was in

42

00:05:11,270 --> 00:05:08,400

such a good condition and we're really

43

00:05:13,430 --> 00:05:11,280

surprised that the sticker was uh good

44

00:05:15,029 --> 00:05:13,440

and they cut out this particular piece

45

00:05:17,430 --> 00:05:15,039

and brought it here

46

00:05:20,150 --> 00:05:17,440

this is an outstanding exhibit and

47

00:05:23,270 --> 00:05:20,160

everybody is surprised looking at it

48

00:05:24,390 --> 00:05:23,280

the searcher cover you see it it was not

49

00:05:27,189 --> 00:05:24,400

maintained

50

00:05:51,749 --> 00:05:27,199

that well but they did found it and we

51  
00:05:54,790 --> 00:05:52,550  
and

52  
00:05:57,430 --> 00:05:54,800  
as the tradition says it we need to go

53  
00:06:12,150 --> 00:05:57,440  
to the hall and i will show everything i

54  
00:06:12,160 --> 00:06:31,110  
look here please

55  
00:07:00,550 --> 00:06:33,590  
to the right

56  
00:07:00,560 --> 00:07:07,430  
thank you very much

57  
00:07:07,440 --> 00:07:18,230  
look here please

58  
00:07:18,240 --> 00:07:43,670  
is

59  
00:07:45,909 --> 00:07:45,029  
it's definitely different being a prime

60  
00:07:47,670 --> 00:07:45,919  
crew because you're getting ready to

61  
00:07:49,350 --> 00:07:47,680  
launch soon but it's also just nice to

62  
00:07:51,749 --> 00:07:49,360  
be in a place like this that

63  
00:07:53,110 --> 00:07:51,759

has so much history to it and i mean

64

00:07:55,430 --> 00:07:53,120

when they talk about you know sputnik

65

00:07:57,110 --> 00:07:55,440

was here and uh yuri gagarin you know

66

00:07:58,710 --> 00:07:57,120

was out of here all that kind of history

67

00:08:00,150 --> 00:07:58,720

is just amazing and to be part of that

68

00:08:03,830 --> 00:08:00,160

it's just a great feeling i really

69

00:08:09,589 --> 00:08:07,029

now great applause about telespectators
