

1

00:00:00,440 --> 00:00:17,360

Hello, my name is Doctor Darryl Smith and
I am the Enterprise License Management Team

2

00:00:17,360 --> 00:00:23,880

Strategist in the office of Procurement at
the NASA Shared Services Center.

3

00:00:23,880 --> 00:00:30,570

We focus on conducting consolidated Enterprise
License Management Agreements and they range

4

00:00:30,570 --> 00:00:37,269

anywhere between one office single procurements
for individual software packages to securing

5

00:00:37,269 --> 00:00:44,620

Agency-wide agreements that would help reduce
the total cost of ownership to the NASA customer.

6

00:00:44,620 --> 00:00:49,739

Part of what of we do is not only just look
to purchase the software but we look to review

7

00:00:49,739 --> 00:00:54,070

the Licensing terms and conditions to be able
to ensure that they don't present any risk

8

00:00:54,070 --> 00:01:00,190

to NASA in the event of unknown clauses and
so-forth that may introduce additional security

9

00:01:00,190 --> 00:01:06,070

risks or additional costs that the individual
user may not be cognizant of.

10

00:01:06,070 --> 00:01:12,900

The other thing that we provide to the customer
and more so to the tax payer is that we ensure

11
00:01:12,900 --> 00:01:18,680
that we provide NASA the means to be able
to be good stewards of the tax payers dollars.

12
00:01:18,680 --> 00:01:27,000
So , when I am thinking of about diversity
and inclusion NASA has been very much a part

13
00:01:27,000 --> 00:01:34,130
of diversity and ensuring that we having varying
viewpoints to be able to assist and to be

14
00:01:34,130 --> 00:01:39,670
able to support the Agency in meeting various
programmatic goals and objectives.

15
00:01:39,670 --> 00:01:45,770
I have a great appreciation for the great
contributions that African American have presented

16
00:01:45,770 --> 00:01:51,720
to this country and paved the road as far
opportunities that will allow me the opportunity

17
00:01:51,720 --> 00:01:54,170
to able to progress in this country.

18
00:01:54,170 --> 00:01:56,180
It was those sacrifices.

19
00:01:56,180 --> 00:02:00,810
It was those contributions that Africans Americans
have given in many different areas, whether

20
00:02:00,810 --> 00:02:03,530
you are looking in the business world, whether
you are looking at those things that are in

21
00:02:03,530 --> 00:02:07,810

civil rights, whether you are looking at those things in regards to sports.

22
00:02:07,810 --> 00:02:13,170
Many of those contributions and early sacrifices help pave the way to be able to open doors
