

1
00:00:04,950 --> 00:00:02,310
greetings from the international space

2
00:00:07,829 --> 00:00:04,960
station on earth day 2014

3
00:00:09,910 --> 00:00:07,839
i'm exhibition 39 commander coach wakata

4
00:00:12,549 --> 00:00:09,920
of the japan aerospace exploration

5
00:00:17,590 --> 00:00:12,559
agency with my crewmates from nasa rick

6
00:00:22,310 --> 00:00:20,070
we are the luckiest people off the earth

7
00:00:24,310 --> 00:00:22,320
as astronauts we get to really see and

8
00:00:27,109 --> 00:00:24,320
appreciate earth as our home and our

9
00:00:28,870 --> 00:00:27,119
planet a beautiful and dynamic world

10
00:00:30,710 --> 00:00:28,880
worth protecting

11
00:00:33,350 --> 00:00:30,720
when nasa and the other international

12
00:00:35,510 --> 00:00:33,360
partners venture into space we not only

13
00:00:41,670 --> 00:00:35,520

explore beyond earth we get to know

14

00:00:45,750 --> 00:00:43,990

nasa and others monitor earth's vital

15

00:00:47,430 --> 00:00:45,760

signs from space with satellites and

16

00:00:49,670 --> 00:00:47,440

innovative instruments

17

00:00:51,270 --> 00:00:49,680

two of these earth observation

18

00:00:52,470 --> 00:00:51,280

instruments will launch to space station

19

00:00:54,470 --> 00:00:52,480

this year

20

00:00:55,910 --> 00:00:54,480

with these tools space-based platforms

21

00:00:57,510 --> 00:00:55,920

such as the international space station

22

00:00:59,590 --> 00:00:57,520

provide the world an expanding

23

00:01:05,270 --> 00:00:59,600

understanding of our planet as we make a

24

00:01:10,149 --> 00:01:07,670

as we work on orbit and conduct amazing

25

00:01:13,030 --> 00:01:10,159

research we are dedicated to improve and
